

# Burnett Wins Third Weightlifting Title

## Kirven Breaks Own Records In Leading Winners to Title

By Cloyd Clark

Pablo Kirven broke his own records to win the 181-pound class of the intramural weightlifting competition and led Burnett to its third weightlifting championship this school year.

Kirven hefted a total of 1,140 pounds in the squat, bench press, and dead lift contests to set a new all-class record.

In the fall intramural competition Kirven lifted 1,115 pounds for the 181 record and the all-class record. Kirven also set the squat record with a lift of 425 pounds.

In the team standings Burnett outdistanced its closest rival, Phi Gamma Delta, 44-17.

Charles Szmezsanyi and Vic Saba also won class championships for the Burnett crew. Szmezsanyi won the 132-pound class, setting a

# GUARDIANS OF THE BASEPATHS

These five players will handle the infield duties for Nebraska this season. From left, third baseman Ernie Bonistall, utility man Eldon Naiberk, second baseman Bill Redmond, shortstop Rex Swett and first baseman

Dick Becher. Redmond and Swett have started six double plays at the keystone to top last year's total for the entire season.

# Huskers Nine to Face Another Heavy Hitting Club in Missouri

By Bob Nye

The Cornhuskers will meet the slugging Missouri Tigers at Columbia Friday and Saturday.

Last year Mizzou handed the Huskers losses in all three encounters while leading all collegiate teams in hitting (.366) and slugging (.512).

The Bengals finished the 1960 season with a 12-9 record and placed fourth in the Big Eight against Nebraska's seventh.

The Bengals have uncertain pitching with the burden on young hurlers. Otherwise, there are lettermen at every position except second base. Of the returning lettermen, Dave Koch, whose 5-0 record and 3.80 ERA led the team in pitching, will carry the main pitching chores along with Jim Russell (2-2) and Ron Goodwyn (2-3).

The Tigers have their four top hitters from '60 returning; Dan Reilly (.471), Ron Cox (.407), Gene Orf (.346) and Ed Mehrer (.346).

Productive bats were not enough to offset Missouri's woeful pitching and defense last year. The Tiger moundsmen had just three complete games in 21 starts.

Coach John "Hi" Simmons of Missouri has directed teams that have won seven conference titles, a national championship, and were runners-up twice for the national crown at Omaha. He was named Coach-of-the-Year in 1954 when Mizzou went all the way, defeating Rollins College of Florida in the finals.

The University's National Champion Army ROTC rifle team won first place in the competition at the National Rifle Association's Open sectional shoot at Whiting, Ia.

Nebraska's team won with a score of 1538 out of a possible 1600.

In the Expert Class William Holland won first place in the kneeling position with a score of 194. Holland placed second in the standing position with a score of 183.

A high score of 183 won Conley Cleveland first place in the kneeling position. Thomas Berry, also in the expert class, took second place aggregate with a score of 770.

First place in the sharp shooter class, both in the kneeling and standing positions, was won by Marvin Cox. He had a score of 195 in the kneeling position and 178 in the standing position. Cox also took the grand aggregate with a score of 767.

Bill Fowles gave Husker coach Ron Bucklin's swimmers a third in the 200-yard butterfly and a fourth in the 100-yard butterfly.

Nebraska's 400-yard free style relay quartet came in third.

# Eight NU Gymnasts Earn Varsity Letters

Eight Nebraska gymnasts, who completed an undefeated dual season, were awarded varsity letters by coach Jake Geier.

Gymnasts earning letters were Dennis Anstette, Bill Brass, Lou Burkel, Herb Hanich, Gene Hart, Dick McCoy, Doug Moore and Charles Williams.

# Softball Postponed

Tuesday's softball games were postponed because of bad field condition. Games will be rescheduled at the earliest convenient time.

**DEAR DR. FROOD:** I am a sophomore majoring in architecture. Our college has just completed a magnificent carillon tower. Yesterday, while examining the blueprints, I was horrified to discover that the tower will collapse at 3:30 P.M., June 3, 1964. I have taken my calculations to the dean, to the architects, to the builders, to the president of the college. No one will pay any attention to me. I am desperate. What can I do to avert disaster?
