Injuries Dim Hopes In Syracuse Clash

By Dave Wohlfarth Three Husker linemen, who would provide plenty of bulk against Syracuse Saturday, were all held out of contact work yesterday and will see only limited duty this week.

The trio, center Mick Tingelhoff, guard Ed Mitchell and tackle Bob Brown, are all sidelined with leg injuries and may not be able to play against the Orange.

Coach Bill Jennings also announced that backs Rudy Johnson and Dennis Stuewe were seeing only limited duty this week and that fullback Gene Ward will not play Saturday due to a charley horse.

Jennings announced one position change, switching soph Duncan Drum from center to fullback. Drum, who is now the third string fullback due to Ward's injury, is considered a good defensive linebacker by Jennings.

The Huskers worked on all specialization phases of the game yesterday, including extra points, kickoff, safety and punts.

The drills also stressed team work, offensively and defensively, and pass defense, Jennings said.

Syracuse has completed 25 of 46 passes in three games. Quarterbacks Dave Sarette and Bob Lelli have provided the Orangemen with a potent air attack to combine with the fabulous running of All-American halfback Ernie Davis.

Sarette has completed 18 of 33 passes for 241 yards and four touchdowns. The left-handed Lelli has connected on seven of 10 for 71 yards.

Davis had his finest day of the season against Maryland, gaining 111 yards on 14 carries and scoring two touchdowns.

Nebraska Husker Statistics—3 Games

Table with 2 columns: Nebraska, Opponents. Rows include First downs rushing, First downs passing, Total first downs, etc.

Table with 4 columns: Name, Times, Gain, Loss, Net, Avg. Rows include Ross, Stuewe, Comstock, etc.

Nebraska Is Second In Offense

By Mel Hester With the Big Eight season in full swing, early Big Eight statistics show that Nebraska ranks second among the Big Eight teams in total offense with 725 yards gained in three games.

Leading the NU attack are Bill Thornton, the league's fourth-leading ground gainer, with 144 yards on 33 carries and Willie Ross, rated sixth with 136 yards on 18 carries.

The top rusher in the Big Eight is Dave Hoppmann of Iowa State with 339 yards gained in 76 carries.

Leading the Nebraska team in passing is Dennis Claridge (6th) with 10 completions out of 23 tries and Ron Meade (10th) with five out of eight.

Gale Weidner of Colorado holds the league's top honors with 16 completions out of 33 attempts for a net gain of 304 yards.

Colorado's Jerry Hillebrand with 7 catches and 133 yards is the leading pass receiver. Husker end Jim Hoge, with five catches and 60 yards gained, is seventh in the league.

Holding 13th position among receivers is Dick McDaniel with five completions for 52 yards gained.

Willie Ross (5th) leads the Nebraska pack in total points scored with three touchdowns, ahead of teammate Ron Meade (6th) with 17 points. Number one scorer in the league is Ron Taylor of Missouri with four touchdowns.

Dave Hannah of Oklahoma State with 12 punts, averaging 44.0 yards, heads the Big Eight punters. Nebraska's Archie Cobb ranks fifth with 10 punts averaging 34.5 and Dennis Claridge is seventh with seven punts averaging 32.1 yards.

The third rated punt returner is Pat Clare with seven returns for a 6.1 yard average. Seventh is Dennis Stuewe averaging 2.5 yards in two returns.

Colorado once again has a top man in the ratings in Ted Woods who has averaged 28.3 yards in three run backs.

Ross Gets Star Award

By Mike MacLean Willie Ross is the recipient of the Daily Nebraskan third "Star of the Week" award as a result of his outstanding play against Kansas State Saturday.

"Willie 'The Gallopin' Hoss" Ross spearheaded a blistering ground attack by gaining 103 yards and scoring 18 points in the process. The touchdowns were scored on runs of 1, 54 and 17 yards.

These were Willie's first scores for the Cornhuskers, and he said "That first good college game really feels good." It was not the fleet-footed halfback's best performance in football, however, as he scored six touchdowns in a high school game.

"I had real good blocking on the long run I saw my blockers real well," Ross said. "I just cut back and Bob Brown cut me loose."

The Helena Arkansas Sophomore, who is running with the first string this week, states that "Now we're looking for Ernie," regarding Ernie Davis of Syracuse, whom the Huskers play this week.

The 193 Ross boasts a record breaking highschool career. He was an all-state selection in football for three consecutive years, and was also an all-state basketball player. He was on a state championship football team while scoring 24 touchdowns in the process of gaining 2,077 yards.

In doing this, he broke the record of Bobby Mitchell, the star back for the Professional Cleveland Browns, who attended the same high school.

Ross who looks deceptively small, he has been clocked at :09.7 in the hundred yard dash.

Willie had offers from almost all of the Big 10 schools and UCLA. He has certainly found a receptive audience for his football abilities at Nebraska.

Ross is the Huskers leading ball carrier, according to the NU statistics after three games.

The sophomore halfback has gained 136 yards on 18 carries for a 7.6 average to place him above Dennis Stuewe who has gained 28 yards in four carries for a 7.0 per carry average.

Swimming Meeting

There will be a meeting tomorrow for all men interested in freshman and varsity swimming, according to Coach Dick Klaas. The meeting will be in PE Building 114 at 4 p.m.

Husker swimming practice will start next Monday.

Archie Cobb May Leave

Archie Cobb, Nebraska punting specialist, will leave school this weekend in order to report into the Army, according to reports.

When questioned last night, Cobb said he had received a letter but would not know anything definite until Friday.

Cobb, 26-year-old 237-pound right tackle, was a member of a reserve unit in Wahoo, which left for active duty Oct. 1.

Forty Matmen Working Out

Nebraska mat coach Bob Mancuso has sent out a call for wrestling recruits. Better than 40 grapplers are already working out for the 1961-62 season. And Mancuso invites any other Nebraska men who are interested to talk with him at his office at the Coliseum. Seventeen varsity and reserve duals are on tap for the grapplers and the Huskers are billed for numerous tourneys.

KOSMET KLUB presents "Anniversary Antics" Friday, October 14 8:00 P.M. Pershing Auditorium

many a knight was spent in rusty armor In days of yore, men feared not only their mortal enemies, but the elements too. It was the medieval armorer's task to protect his chief against fœmen, but weather-protection was a more difficult matter. Thus many a knight was spent in rusty armor. Engineers and scientists at Ford Motor Company, engaged in both pure and applied research, are coping even today with the problem of body protection (car bodies, that is). Through greater understanding of the chemistry of surfaces, they have developed new paint primers and undercoatings, new rustproofing methods, and special sealers that guard entire car bodies against nature's corrosive forces—all of which add armor-like protection to Ford-built cars. From other scientific inquiries will undoubtedly come new materials with protective properties vastly superior to those of today. This is another example of Ford's leadership through scientific research and engineering.
