Huskerettes, Chant Join Rally

The Huskerettes and the return of the Nebraska Chant will highlight tonight's pep rally beginning at 6:45, according to Wes Grady, Corn Cob rally chairman.

The return of the Alma Mater chant was initiated by pressure from student and alumni groups, according to Gary McClanahan, yell king, after public opinion rejected the chant when it was introduced two years ago.

The spirit trophy will be awarded to the house showing the greatest enthusiasm at the Syracuse-Nebraska game, McClanahan said. Winners of the trophy to date are Phi Kappa Psi, North Dakota game; and Alpha Phi, Arizona game.

the mainstay of any group for they are the nucleus from which the ideas flow, they are the main contributors to the success of the group and they must know who is the right person to follow.

Group work offers the opportunity to become familiar with such basic things as requisitions, parliamentary procedure or business processes. All college graduates will encounter such forms and procedures in later years. Why not take the advantage of learning how to work with these things now?

There is a lesson to be learned, a valuable lesson, from campus organizations. The point is to enter them with the thought that you are going to learn something from them.

Rules of Procedure

Student Tribunal of the University of Nebraska

I. THE HEARING

1. **Initiation of the Hearing:** The Dean of the Division of Student Affairs or his representative shall present each case to the Tribunal which presentation shall contain a written statement of the facts prepared and signed by the defending student unless the defending student refuses to prepare and sign such a statement.

2. **Time and Place:** The Dean of the Division of Student Affairs or his representative shall fix the time and place for the hearing on each case and shall mail, at least five days prior thereto, notice of such time and place to the defending student, unless such notice is waived.

The Dean of Student Affairs has the right to grant or deny the request. If the defending student fails to be present on the date set or arranged, the hearing will proceed; however, the student's absence or failure to attend the hearing shall be considered as an additional offense.

9. **Attention at Hearings:** Persons having a direct interest in the case are entitled to attend hearings. Upon the written request of the defending student the hearing shall be open to the public. In the absence of such request, it shall be discretionary with the tribunal to determine the propriety of the attendance of any persons not having a direct interest. The Chairman of the Tribunal shall have the power to require the retirement of any witness during the testimony of other witnesses.

10. **Closing of Hearing:** The Chairmen of the Tribunal shall specifically inquire of the defending student whether he has any further evidence to offer or witness to be heard. Upon receiving a negative reply, the Chairman shall declare the hearing closed.

11. **Reopening of Hearing:** The hearing may be reopened at any time by the Chairmen of the Tribunal, either on his own motion or upon the presentation of new material evidence to the Dean of the Division of Student Affairs by the defending student.

12. **Time:** The decision shall be rendered promptly, not later than thirty days after closing of hearing.

12. **Form:** The decision shall be in the form of a written recommendation addressed to the Dean of Student Affairs, signed by the Chairmen and the Secretary of the Tribunal.

14. **Scope:** The Tribunal may make any decision which it deems just and equitable including, but not limited to, expulsion from the University, suspension from the University for a fixed time, conduct probation for fixed time, conduct warnings, or dismissal of the charges.

15. **Majority Decision:** A decision of the Tribunal shall be by a majority vote except that in the case of a decision recommending expulsion or suspension a two-thirds vote is required.

16. **Delivery of the Decision:** The Secretary of the Tribunal shall deliver the decision to the Dean of the Division of Student Affairs. The Dean of the Division of Student Affairs shall inform the defending student of the decision as well as his own disposition of the case. The Dean of the Division of Student Affairs shall also notify the Tribunal of such disposition.

17. **Record:** The Secretary of the Tribunal shall keep a record of each case in a separate file.
