PRAYER OF THANKSGIVING

“The day passed so quickly — there just wasn't time!”

We've said that about many days. Never say it about Thanksgiving.

For it isn't true... All days pass at the same steady pace. We have the same daily portion of time—to spend as we think best.

Take time to be thankful.

And be thankful for time!

Our souls do not realize their destiny in one hurtling leap.

An hour of thanksgiving. An hour of worship. An hour of Bible study. An hour of service for our Church. Thus we grow... SLOWLY, WITH FERVENT FEELING.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in our lives. It is a source of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
