

Huskers in 1st Place; Showdown Tomorrow

HUSKER LAYUP—NU guard Daryl Petsch drives in for a layup in Wednesday night's game against Oklahoma. The Sooner defenders are Farrell Johnson and Warren Fouts.

NU Seeks 3rd Straight

The league leaders of the Big Eight basketball conference clash head on tomorrow night in the Coliseum when Nebraska meets Colorado in a key game for both teams.

Coach Jerry Bush's Huskers, leading the conference with two wins in two starts, will be looking for their third straight win.

The Buffaloes are close behind with a 1-0 conference mark achieved on a smashing 75-61 upset of tourney titlist Kansas State last week at Boulder.

Bush rates this Colorado crew to be the toughest personnel-wise the Huskers have faced since the opener against Wichita.

Leading the Buff attack is 6-6 sophomore forward Ken Charlton with a 22.5 average in 11 games. Charlton, was the big gun against K-State, bagging 31 important markers.

Other starters for CU which owns a 6-5 season record, will be 6-5 Wilky Gilmore at the forward, 6-8 Jim Davis at the pivot and Eric Lee, 5-10, and Gene Sparks, 6-4, at the guards.

DEADLY BUFF FORWARD—Colorado forward Ken Charlton has connected on 80 of 162 field goal attempts for a 49.4 field goal shooting percentage and leads the Buffs in scoring with a remarkable 22.5 average.

Gymnastics Team Hosts Triangular

Nebraska's unbeaten gymnastic team will host Fort Hayes and Colorado State in a triangular meet tomorrow at 3 p.m. in the P.E. Building.

Swimmers Put 1-2 Record on Line In Two Iowa Meets This Weekend

By Jerry Hansen Nebraska's swimming team will be in Iowa this week-end for dual matches with Grinnell today and at Iowa State Saturday.

Dick Klaas's Huskers are now 1-2 for the season with a victory over Pittsburgh (Kans.) Teachers and losses to Iowa and Oklahoma. Klaas declared that Oklahoma was stronger than ever and was a cinch to win the Big Eight crown.

Even though Nebraska was defeated by Oklahoma, the Huskers set three varsity records. Bill Henry, LaVern Bowers, Bill Fowles and Phil Swain were clocked in 3:57.8 in the 400-yd. medley to break their own record of 4:02.1. Bill Fowles bettered his own

record in the 200-yd. butterfly when he swam the distance in 2:23.2. His previous record was 2:26.8. Bill Henry also bettered his mark of 2:19.2 in the 200-yd. backstroke with a time of 2:16.0.

Jay Groth, recovering from an infected wrist following the removal of a cyst, may be shelved again this week, Coach Klaas said. This will force him to revise his probable entries. As it now stands these are the entries:

- 200-yd. Int. Medley: Swain, Dave Roberts.
- Diving: Chuck Levy.
- 200-yd. Butterfly: Fowles, Roberts.

Cornhuskers Win 'Battle of Boards,' 57-

By Dave Wohlfarth The Nebraska Cornhuskers gained revenge on some earlier one-point losses as they won their second one-point decision and second straight close verdict in shading Oklahoma, 57-56.

The Huskers have now been involved in five games which have been determined by one point. NU has won two of these, as well as bringing home two, three and four point decisions.

The game was an awesome display of the battle of the big men before 4,000 Coliseum fans who watched the outcome in tense suspense.

NU's big men—Ivan Grupe, Tom Russell and Chuck

Sladovnik, with help from Bill Bowers and Bill 'Chief' Vincent—were the big difference as they outbattled the tall Sooners on the boards. Nebraska outrebounded Oklahoma 39-22 for the big difference in the game.

The game was not in the bag till the final gun sounded. Grupe's free throw with 16 seconds left provided the victory margin as Oklahoma's Eddie Evans narrowed the count to one point with a long jumper with six seconds remaining.

The Huskers, after leading by nine points twice in the first half, then trailing 30-29 at the midway point, broke out in front with five min-

utes left but couldn't cash in on free throw attempts to move out of range from the Sooners.

Nebraska made 15 of 24 charity shots but the Bushmen blew five in the final six minutes of the game. OU, meanwhile, was having quite a night at the line, hitting on 13 of 14 with the lone miss by Farrell Johnson with three minutes left and the Huskers leading 54-48.

Once again it was the 'Byron Buster' who pulled the Huskers out of the hole. Grupe banked a beautiful hook of the boards to put NU ahead to stay at 49-48 with 5:19 left.

The shot brought the fans alive and the Coliseum sounded like a mild fireworks concussion had hit as OU brought the ball down.

Swett gave the fans some more thrills when he engineered a fast break on which Russell collected a three point play.

Swett's jump shot with 3:31 left put NU ahead 54-48 before the Sooners could recover from the Scarlet outburst. NU got its next bucket on the famous Bush roll-out play as Russell scored a layin to send NU ahead 56-50.

OU closed in but Grupe's final free throw saved the day for the Huskers.

Sophomore Daryl Petsch kept Nebraska in the game up till the final spree. Petsch hit 15 points to lead the NU scoring.

Career Cues:

"Whatever your major, make sure to include a course in 'people'!"

W. Emlen Roosevelt, President National State Bank, Elizabeth, N. J.

"If my college adviser had prophesied that studying psychology would some day help promote my career in banking, I'd have scoffed. Yet that is exactly what has happened. And when I think about it now the reason seems obvious. The facts and figures of banking, or of any other field, are mechanical devices. They take on real meaning

only when related to people.

"Good psychology is also the basis of all teamwork. And, since most of today's business and scientific problems are too complicated for 'one man' solutions, teamwork is essential. If you want to be a valuable team player, and a likely candidate for captain, be the person who understands people. Learn what it takes for people to work together in harmony. Learn how to win trust and confidence. Learn basic human psychology.

"Bear this in mind, too. World tension, community tension, business tension, even family tension are the facts of everyday life. The more you know of human behavior, the better prepared you will be to deal with these problems.

"So, if you have the chance, take a course devoted to 'people.' Your class adviser can probably help you fit a psychology elective into your schedule. I don't think you'll regret it... I know I didn't."
