

# Kappa Sigs, Sig Eps Cop Important Tilts In IM Cage Action

By Dave Wohlfarth  
Kappa Sigma, undefeated for two years and trying for its third straight All-University basketball championship, was scared but not beaten in last night's intramural action.

Sigma Alpha Epsilon, after trailing 21-10 at the half, put on a strong rally in the second half but couldn't quite catch the Kappa Sigs and lost 43-37.

Bob Prokop, a veteran of many IM campaigns, led the winners with 16 points. Pete Lage added 10.

Dennis Stuewe led the Sig Alphas with 12 and Don Heldt hit 11.

The game was one of several key Fraternity-A league battles as the teams ended first semester play. Kappa Sigma and SAE were both undefeated with 5-0 records going into the game in League 1-A.

The lead in League 2-A was also decided when Sigma Phi

Epsilon put on a strong second half spree to clip Delta Tau Delta-A 45-32. Both these teams also had 5-0 marks going into the contest.

The Sig Eps, after trailing 16-14 at the half, demonstrated some hot shooting from the free throw line to drop the Deltas. Tom Johnson led the way with 18 points and Lambert Sobon chipped in 13 for the Sig Ep cause.

Joe McWilliams was high for the Deltas with 11.

In other games, Phi Delta Theta smashed Beta Theta Pi by a 75-46 count. Keith Sieck was the big gun for the Phi Deltas, ripping the nets for 34 big markers. Don Purcell added 18 and Ron Ruff was the top scorer for the Betas with 14 points.

Phi Kappa Psi edged Sigma Chi in the closest game of the night. The two league 1-A squads battled to a tie before the Phi Psis won 40-39 in the overtime. Dave McDonald fed the Phi Psis with 12, while Bill Janike scored 11 for the Sig Chis.

In another overtime battle, Delta Upsilon snuck by Sigma Nu, 42-40, in a key showdown in League 2-A. Lane McClure and Steve Kepler sparked the DU attack with 15 and 14 respectively.

Dick Schmoker hit 10 for the losers.

Delta Sigma Pi-A knocked off Theta Chi-A, 49-32, and Phi Gamma Delta-A won by forfeit over Delta Sigma Phi-A in other action.

## NU Receives Two Research Grants

Grants totaling \$64,790 have been received to finance two research projects being conducted by Dr. Henry E. Baumgarten, professor of chemistry.

One grant, \$54,900, will support research on the reactions of amines, compounds which can be used to synthesize amino acids. The grant was made by the National Science Foundation.

The second grant of \$9,890 will finance the study of the chemical compounds of the azaquinoline type to explore their possibility as an agent for the treatment of cancer. Donor of the grant is the National Cancer Institute of the U.S. Public Health Institute.

# Council-Alpha Phi Omega Exchange May Cut Students' Book Expense

Students will have the opportunity to save from 10 to 12 per cent in the purchase and sale of books for the second semester through the Alpha Phi Omega-Student Council book exchange.

Students wishing to sell books to be used in second semester courses will fill out two cards, one of which will serve as the student's receipt, said Bill Gumlicks, Council book pool chairman.

Each card will include the name of the seller, his asking price and title, author and course number.

If there is a purchaser for the book it will be sold and the money will be returned to the original owner.

Beginning Jan. 29, students may leave books which they want to include in the book pool at a booth in front of the Crib. Hours for that day and Jan. 30-31 are 8 a.m. to 5 p.m. Sales will start Feb.

5 in the basement of the Union near the University Bookstore. The pool will close Feb. 8.

Students may claim their money or unsold books Feb. 12-13 by showing the receipt they filled out at the time the book was placed in the pool.

A small service charge to cover expenses of the non-profit national service fraternity, Alpha Phi Omega, will be levied on exchanges over \$1.00.

President Eldon Hays said that this two through three per cent service charge will save a student approximately 10-12 per cent. He estimated that the bookstores offer approximately 50 per cent of the original price for used books and sell them back at about 75 per cent of the original cost.

Second Year  
The Alpha Phi Omega pool, which is being manned in its

second year with the help of Student Council members and associates, will allow a student to sell books at 60-62 per cent of their original cost and buy them at 64-66 per cent of this cost.

"This splits the savings both ways and costs the seller nothing if his books are not sold," Hays said.

If a book is lost, Alpha Phi Omega will pay the owner the amount he indicated as his selling price.

A complete list of all books which can be left for exchange is posted at the booth outside the Crib.

## DAVID'S First Step

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Job	4	10-24
Monday	Matthew	18	1-6
Tuesday	Matthew	18	10-14
Wednesday	Proverbs	23	1-6
Thursday	Psalm	34	11-18
Friday	Proverbs	4	1-6
Saturday	Hebrews	23	8-11

The first step is a thrilling moment! An exciting new world is opening up for David. Soon he will be able to chase a butterfly, explore the old apple tree, play with Tommy and Mary next door.

The first step is the hardest. David needs the encouragement of Daddy's waiting arms. The second step will be easier. Soon David will be skipping about like a lamb.

The first step to Sunday School and church will be another thrilling moment in David's life. This first step will be hard for a shy little boy. David will need the encouragement of Mommy and Daddy. Soon he will be asking to go to Sunday School.

An exciting new world of religious discovery is waiting for your children when they take their first step to church.
