

Nebraska Tracksters Clobber Iowa Staters

By JAN SACK Sports Staff Writer

It was simply no contest as the powerful Nebraska track team crushed Iowa State, 89-31, for their second victory Saturday afternoon when five records were broken and two tied before a near capacity crowd.

Leading the assault on the vulnerable records were Nebraska's Ray "Skip" Stevens and Cyclone Larry Ellert. Stevens topped the stadium 880 record as well as the meet mark for that event. Clocking in 1:54.7 Stevens was well under the 1:58.0 meet record set by Knolly Barnes in 1957 and the Stadium mark of 1:56.1 established by Billy Stone of Oklahoma State in 1960.

Last week Stevens beat Stone in the 880 with a clocking of 1:56.7. Husker Bill Kenny finishing second to Stevens was also timed unofficially in 1:55.5, well under both marks.

"Both Bill and I wanted a :56.0 first quarter and that's what he (Karl Brown, I. St.) gave us. I didn't even feel tired after the race; I could do it again," Stevens said.

Ellert broke the second Stadium record of 6-5% set by Virgil Severns of Kansas State with a magnificent high jump mark of 6-6 1/4. The Iowa State star attempted to clear the bar at 6-7 1/4, but missed on all three tries.

Nebraska's Fred Wilke cleared the bar at 6-4, a personal best for the Omaha junior. Ellert also took with him the 6-4 1/2 meet mark set by Phil Heideik in 1954.

The mile relay quartet of Tom Saunders, LeRoy Keane, Ray Knaub and Gil Gebo was timed in 3:26.9, smashing the old record of 3:29.0 set in 1949.

Records in the 600 and 1000-yard runs were also established Saturday. Gebo ran the 600 in 1:12.8 and John Portee won the 1000 in 2:16.2, just half a second under the Stadium mark of 2:15.7 set by Joe Mullins in 1960. This was the first time the two events were run in Iowa State-Nebraska competition.

After his 6-4 leap in the high jump, Wilke came back to win the 60-yard low hurdles in :07.0, tying the meet record held by Keith Gard-

ner, Bill Moomey and Ray Magsamen.

Sophomore Mauro Altizio tied the two-mile mark of 9:48.9 by Bob Elwood when he outran teammate Stuart Tucker for the victory.

Altogether the Huskers garnered 12 first places and two slams in the meet. In the mile Stevens and Mike Fleming tied for first in 4:27.0 with Paul Nielsen taking third for the first shutout. In the 60-yard high hurdles, Ron Moore timed in :07.6, led home Bill Fasano and Wilke for the second sweep.

Juris Jesifer easily won the pole vault from Dave Chipman of Iowa State with a 13 1/2 mark. Larry Reiners took the shot put title with relative ease with a 50-11 1/4 heave and Rudy Johnson won the broad jump with a leap of 23-3 1/2. Sophomore broad jumper Victor Brooks, suffering from a leg ailment, failed to suit up.

The other Husker victory came in the 60-yard dash when Ray Knaub edged Morgan Langston of Iowa State with a :06.4.

Iowa State's second victory came in the 440-yard run with Standish Barnes winning in :52.0.

This coming weekend the Huskers travel to Boulder to meet the Colorado Buffs in a dual.

NU Win Streak Finally Halted; Gymnasts Split

By JIM MORGAN Sports Staff Writer

Nebraska gymnasts split a pair of duals in Colorado this weekend.

A 65-47 loss Friday to Denver U. broke a 15 dual winning streak that stretched over three seasons, but Huskers rebounded to defeat Colorado State College, 60-52, Saturday.

Sophomore Dennis Albers paced Nebraska in both meets with 24 points against Denver and 29 points against CSC.

Albers and Gene Hart scored the Huskers' only firsts. Albers won the free-exercise and tumbling, and Hart the sidehorse in both meets.

Though winning only three events against CSC, Husker depth produced the winning margin.

Coach Jake Geier's squad is now 3-1 for the season.

Cagers Battle IS Tonight

Probable Lineups

IOWA STATE NEBRASKA
 Brewer (6-3) F Grube (6-4)
 Straw (6-4) G Stasovnik (6-4)
 Wheeler (6-10) G Russell (6-7)
 Ptasch (6-4) G Ptasch (6-5)

By DAVE WOHLFARTH Sports Editor

Nebraska will try to move closer to third place in the Big Eight basketball race tonight when it meets Iowa State at 8 p.m. in the Coliseum.

The Huskers, after losing to Colorado, 74-63, at Boulder Saturday night, have won three and lost four in conference competition and are in fourth place. The Cyclones are in third with a 5-3 mark.

In the only previous meeting between the two teams, Iowa State won a 84-72 victory at Ames. The Huskers, however, have only lost one game on the Coliseum floor so the game shapes up as a tight battle.

The Huskers fell 19 points, 49-30, behind at halftime and

could never catch the league-leading Buffaloes.

NU closed the gap to nine points with three minutes left but couldn't make up for the Buffs' fast start in route to their seventh straight league win without a loss.

Ivan Grube and Tom Russell led the way for the Huskers, each scoring 21 points. Nebraska hit 23 of 57 field goals for a 40.4 shooting percentage but the red-hot Buffs

connected on 23 for 57, a 40.1 percentage. Colorado outrebounded the Huskers 34-23.

NEBRASKA		COLORADO	
G	P	G	P
Grube	24	21	21

Ex-Husker Aide Resigns

By AL HANEY Sports Staff Writer

Don Scarbrough, ex-Nebraska football aide, resigned Saturday after attempting to stay in the NU fold until his contract expired June 30.

It is expected that the former defensive line coach will go into business in Arkansas.

University Comptroller, Joseph Soshnik, said Scarbrough had handed in his resignation and had been paid for an additional 10 days over the other Bill Jennings' assistants.

Soshnik explained that all

NU employees, except football assistants, are hired for the fiscal year, July 1 to June 30. Football aides were hired as of Feb. 1.

When employees were notified last July, the football assistants, were included in the notification. Scarbrough contended that this was a modification of his contract.

Since new NU head coach Bob Devaney now wants to work with his own assistants, Scarbrough had been assigned handyman duties to earn his pay until June 30.

NU Frosh Host I-S

By BOB BESOM Sports Staff Writer

Nebraska frosh will have a height problem to back tonight at the midway mark of Coach Bob Gates' four-game 1962 inter-collegiate basketball schedule.

Tonight's slate pits the yearlings opposite Iowa State at 5:45 p.m. in the Coliseum.

The young Huskers are seeking to win number one, dropping their first contest at Kansas State 65-46. The Cyclones have four games behind them but have yet to rack up a victory.

Cyclone coach Frank Gompert plans to send a starting lineup averaging better than 6-4 per man against Nebraska. Mel Kellogg, a center from Portsmouth, Va., is listed on the IS roster at a towering 7-0.

NU Swimmers Dropped Twice

By TERRY BRUNK Sports Staff Writer

The Nebraska swimming team lost in two meets this past weekend on their road trip in Colorado.

Denver took a decisive victory from the Huskers Friday, 62-32, and Saturday the Air Force Academy stopped Nebraska, 63-31 in a quadrangular meet.

The Huskers managed only two firsts against Denver, one by LaVern Bauers in the 50-yard freestyle and the other by Bill Henry in the 200-yard backstroke.

Competing in a quadrangular against the Air Force Academy, Utah and Eastern New Mexico, the Huskers were saved from a complete shut-out by Phil Swaim and the 400-yard free relay team.

Szmrecsanyi Sets IM Mark

Charles Szmrecsanyi, an independent in the 148 pound class, set three intramural weight lifting marks in events run off in a late January meet.

Szmrecsanyi's new records include 190 pounds in the press, 225 in the clean and jerk, and a total lift of 560.

Delta Sigma Pi racked up a convincing margin (68-48) over second place Phi Delta Theta in the team scoring.

Phi Kappa Psi was third with 25 points, followed by Sigma Chi (21) and Sigma Phi Epsilon (11).

Class winners included John Miller of Delta Sigma Pi in the 132-pound class, Szmrecsanyi in the 148-pound division, Independent M. Alemzadon in the 165-pound class, Phi Delta Bob Shamblen (181-pound class), and heavy-weight Jerry Jacobs of Phi Delta Theta.

Our future is in the hands of men not yet hired

At Western Electric we play a vital role in helping meet the complex needs of America's vast communications networks. And a career at Western Electric, the manufacturing arm of the nation-wide Bell Telephone System, offers young men the exciting opportunity to help us meet these important needs.

Today, Western Electric equipment reduces thousands of miles to fractions of seconds. Even so, we know that our present communications systems will be inadequate tomorrow; and we are seeking ways to keep up with—and anticipate—the future. For instance, right now Western Electric engineers are working on various phases of solar cell manufacture, miniaturization, data transmission, futuristic telephones, electronic central offices, and computer-controlled production lines—to name just a few.

To perfect the work now in progress and launch many new communications products, projects, procedures, and processes not yet in the mind of man—we need quality-minded engineers. If you feel that you can meet our standards, consider the opportunities offered by working with our company. In a few short years, you will be Western Electric.

Challenging opportunities exist now at Western Electric for electrical, mechanical, industrial, and chemical engineers, as well as physical scientists, liberal arts, and business majors. All qualified applicants will receive careful consideration for employment without regard to race, creed, color or national origin. For more information about Western Electric, write College Relations, Western Electric Company, Room 6204, 222 Broadway, New York 38, New York. And be sure to arrange for a Western Electric interview when our college representatives visit your campus.
