First Team

Pos.	Name	Team	Ht.
F	Tom Russell	Nebraska	6-7
F	Pat McKinzie	Colorado	6-7
C	Mike Wroblewski	Kansas State	6-8
G	Jerry Gardner	Kansas	6-8
G	Vince Brewer	Iowa State	6-9

Second Team

Pos.	Name	Team	Ht.
F	Wilky Gilmore	Colorado	6-5
F	Pat McKinzie	Kansas State	6-5
C	Eddie Bunch	Oklahoma State	6-8
G	Nolen Ellison	Kansas	6-1
G	Ken Doughty	Missouri	6-0

Third Team

Pos.	Name	Team	Ht.
F	Gary Marriott	Kansas State	6-5
F	Cecil Epperley	Oklahoma State	6-4
C	Warren Fowles	Oklahoma State	6-7
G	Gary Wheeler	Iowa State	5-10
G	Daryl Petsch	Nebraska	6-5

HONORABLE MENTION: Marv Straw, Iowa State; Stan Morrison, Oklahoma; Bob Stoy, Iowa State; Jim Davis, Colorado; Moe Iba, Oklahoma State; Eddie Evans, Oklahoma; Walt Grebing, Missouri; and Dick Ewy, Kansas State.

NU's Russell on All-Big Eight Team; Petsch Earns Third Team Selection

—Mythical Squad Has Good Height—

By Bob Prokop
Sports Staff Columnist

The even distribution of talent in the Big Eight Conference is quite evident from the Daily Nebraskan All-Big Eight selections. Five teams claim one member each on the mythical All-Stars.

The team has good height with five players 6-3 or taller. The selections include Tom Russell (6-7) of Nebraska and Ken Charlton (6-6) of Colorado at forwards, Mike Wroblewski (6-8) of Kansas State at the pivot and Jerry Gardner (6-0) of Kansas and Iowa State's Vinnie Brewer (6-3) at the guards.

Kansas State placed one man on each of the top three teams and Colorado was represented on the top two teams, as was Kansas.

Nebraska's only other representative besides Russell is Daryl Petsch, selected as a third team guard.

Track Quartet

Trip to Chicago

Track coach Frank Seivigne plans to take a two-mile relay team to the Chicago Daily News Invitational Relays Friday night.

The quartet billed to represent the Huskers in the annual affair include John Portee, Gil Gebro, Ray Stevens, and Mike Fleming.

RUSSELL, Nebraska stellar forward, is presently second in the Big Eight scoring race with an 18.3 average. "Rebel" set a Husker varsity scoring record against Kansas with a 38 point outburst and is one of Jerry Bush's leading rebounders. A team player, Russell is presently closing in on the Nebraska season's scoring record of 438 held by Herschell Turner.

CHARLTON, Colorado's dandy forward, is currently fifth in the Big Eight scoring race. His 18.0 clip along with his fine leadership merits his selection. His 35 point effort against Kansas Monday night sent the Buffalo's into first place in the Big Eight.

WROBLEWSKI, Kansas State center, is the giant of the team at 6-8. Mike has led the Wildcats in rebounding and scoring, (17.1) and pulled the Kansas State team into a tie with Colorado (previous to Monday night) with a tremendous game in their 60-48 win over the Buffs.

GARDNER, Big Eight scoring leader with a 19.0 mark, has been heralded as the best Kansas guard in the school's history. Gardner has the best outside shot in the league and can drive any team wild when he's hitting the bucket. Extremely quick and a good driver, Gardner is a unanimous selection for the guard position.

His running mate, BREWER from Iowa State, can play either forward or guard. Brewer, hitting at a 12.9 clip, has been converted to a feeder this year rather than a shooter. He still has tremendous scoring potential, however, and is one of the Cyclones' leading rebounders. Those who were very close in the selections race were Nolen Ellison, Kansas guard who is third in the Big Eight scoring race; Ken Doughty, Missouri guard, presently fourth in the Big Eight scoring race; Eddie Bunch, one of Hank Iba's best at Oklahoma State; Pat McKinzie, Wildcat forward; and Wilky Gilmore, Colorado's second best.

Sig Eps Defeat K-Sigs, 38-33, For Frat-A Title

Canfield, Navy Grab Other Titles
In Action-Packed IM Cage Games

By BOB RAY
Sports Staff Writer

Sigma Phi Epsilon opened Kappa Sigma, 38-33, in the intramural basketball tournament last night to claim the Fraternity-A championship.

This was the third battle between the two teams in this year's IM tourney and the Sig Eps won the decisive game. After the Sig Eps had earlier knocked the K-Sigs from the ranks of the undefeated, the defending All-University and Fraternity-A champs came back to whip the Sig Eps, 37-30, Monday night to make last night's playoff necessary.

The Sig Eps went ahead in the third quarter then protected their lead with a final fourth quarter bundle of baskets by Homer Uehling to win before approximately 150 people in the Coliseum last night.

With little time remaining in the third quarter, Pete Lage of Kappa Sigs hit a layup for the 25th and 26th K-Sig points. This was the last time the Kappa Sigs were ahead.

3-Point Play

Uehling made good on a field goal and a free throw, and Dick Muma sunk another basket to make it 28-26 for the Sig Eps.

From then on, the Sig Eps ran away from the defending champs. The fourth quarter was marked by loose play—as soon as a field goal attempt was made the defending team would grab the ball off the boards and race down the floor only to have the other team get the rebound, and away they'd go again.

The high scorer for the Kappa Sigs was Bob Prokop, with 16. The Sig Eps were paced by Lambert Sobon with 13.

Sig Nus Win

In other action last night, the Sigma Nu-B team beat Phi Delta Theta-B, 40-18, which means the two teams play again tonight for the Frat-B title.

Delta Upsilon claimed the "C" title with a 33-22 win over Sigma Phi Epsilon-C.

In Cornhusker action, the Kegs downed Alpha Tau Omega-B, 43-34, and in Ag College games, Vocational Education downed Kiesselbach, 25-24, and Farm House-A

clipped Alpha Gamma Rho-A, 32-24.

Navy, Canfield Win
In the two big games Monday night, Navy ROTC and Canfield-A emerged victorious. Navy knocked off Dental College, 31-26, to win the Independent title and advance automatically to the finals of the All-University "A" tourney Friday.

Canfield-A edged Seaton-HA, 38-36, to become the Burr-Selleck-A titlist. Canfield will meet Sigma Phi Epsilon in the first round of the All-University tourney Thursday in the Coliseum.

In other Monday games, Canfield-B shared some glory by winning the Burr-Selleck "B" title from Burnett and Sig Nu-B advanced by whipping Phi Kappa Psi-B, 35-19.

Sig Eps-Du's Reverse

The Sig Ep-C crew advanced to Tuesday's showdown by beating the DU's, 42-33, but couldn't repeat last night.

In Cornhusker action, Alpha Tau Omega-C won over Sigma Nu-C 37-24 and Beta Theta Pi-A conquered Boucher, 54-47. Also the Kegs marched by Delta Upsilon-B, 56-25.

In A games Kiesselbach took Smith, 26-23, and Farm House-A beat the Ag Men, 28-27.

On tap for tonight are three championships—the Ag College title, the "Cornhusker" crown and the Fraternity-B championship.

Farm House meets Vocational Ed. at 5 p.m. at Ag College for the Ag title, the Betas (A) and the Kegs will mix at 5 p.m. on P. E. Court 1 in the "Cornhusker" contest, and Phi Delta Theta-B plays Sigma Nu-B in the Fraternity-B decided at 5 p.m. on P. E. Court 2.

There will be an important meeting for all men interested in playing freshman baseball at 7 p.m. in the N Club Room in the Coliseum Monday, March 12, according to Coach Bob Gates.

Frosh Play KS Tonight

Coach Bob Gates' Nebraska frosh will be trying to avenge an earlier loss and close the season with a three-game win streak as they host the Kansas State yearlings tonight at 5:45 p.m.

After dropping the opener of the four-game series to Kansas State, 65-46, at Manhattan, the Huskers have downed Iowa State, 78-77, and Luther Junior College, 74-67 on the Husker court.

Nebraska had an early edge over K-State in the earlier game, but couldn't hold down the Wildkittens after intermission.

A win tonight would give Gates a 3-1 mark in his initial season in the collegiate coaching ranks, after a successful high school career at Omaha Holy Name.

Larry Bornschlegl of Geneva tops the scoring honors along with former Lincoln High ace Gary Haas. Haas has played in one less game and has a total output of 116 as compared to Bornschlegl's 124 and Bob Cook's 117.

The frosh scoring:

Player	FG	FT	TP	Avg.
Larry Bornschlegl	11	45	35-53	12.4
Bob Cook	11	32	12-34	11.7
Gary Haas	10	47	22-49	11.6
Jack Kottus	11	49	12-21	11.0
Earl Wright	11	41	24-39	10.6
Jack Kramer	11	29	5-30	9.7
John Jenson	9	24	8-24	9.6
Joe Martin	5	6	4-9	5.7
Larry Martin	5	6	4-9	5.7
Jim Moore	8	3	3-6	9.1
Jim Penney	6	4	1-3	9.1
Arnie Ginzburg	3	3	3-4	9.0
Mike Sinagace	5	2	1-2	5.0
Mike Willis	8	9	5-6	2.9

4 Cagers in Finale Tonight As Huskers Play K-State

By DAVE WOHLFARTH
Sports Editor

Four seniors will turn in their final collegiate performances tonight when the Nebraska Cornhuskers meet Kansas State in the Coliseum at 8:05 p.m.

Senior Husker cagers Tom Russell, Rex Swett, Bill Bowers and Bernt Elle will play their last game for the Scarlet and Cream as NU meets the Wildcats, ranked third in the nation till they were stunned by Oklahoma State, 78-68, Monday night.

Russell will be winding up a brilliant career at Nebraska. The "Rebel" surpassed another school record Monday night in Nebraska's overtime 71-69 win over Oklahoma, bringing his total milestone-crackers to four and he has a strong chance to break three more as the season ends.

His 18 points against the Sooners gave him 401 points for the season. This breaks the mark held by Jim Buchanan for a senior, set at 400 in 1951-52. Two Free Throws

Russell needs only two free throws against K-State to break the record of 136 set by Herschell Turner in 1958-59. He is assured of setting records in field goal percentage both for one season and for a career. He has a season percentage of .564 compared to the record of .483 set by himself last year. His career record is .526 compared with the record of .429 set by Rex Ekwall in 1954-57.

The 6-7 veteran forward has a long shot at three other records, needing only 19 points to tie and 24 to break the career scoring average of 14.7 set by Turner in 1957-60. Russell must hit 28 points to break the all-time season scoring mark for one season set by Gary Reimers in 1957-58.

Russell's 401 points for the season gives him a total of 701 for his two years as a Husker. This total moves him into ninth place among all-time Nebraska scorers. He needs only five against Kansas State to move ahead of Willard Fagler and 14 would put him into seventh place ahead of Bill Johnson. Fred Seger is in sixth with 762 points.

End College Careers

The three other seniors—Swett, Bowers, and Elle—will be winding up their collegiate careers in tonight's finale for Jerry Bush's 1961-62 team.

Swett has performed three years as a starting guard and Bowers has filled in at the pivot spot as a valuable boards man. Elle has saw little action in his three years on the NU varsity.

The four seniors would like nothing better than to aid in a NU win over the Wildcats. However, the game shapes up as a "must" for Coach Tex Winter's 'Cats because a Husker win would completely eliminate Kansas State from a chance to tie for the Big Eight championship, giving Colorado sole possession of the title.

Only Chance

"Kansas State will be going all out because their only chance is to win, then hope Kansas can beat Colorado," Bush said.

K-State, now 11-2 in the conference, was tied for the loop lead till its loss to Oklahoma State. O-State, incidentally, hit at a 71.9 field goal clip to stun the Wildcats.

The Wildcats are led by 6-8 center Mike Wroblewski, who hit 31 points against the Cowboys, and is considered one of, if not the best, big men in the conference.

5-8 Record

The Huskers will carry a 5-8 loop record and 9-15 season mark into tonight's game. The O-State win over Kansas State eliminated any last ditch hopes the Huskers had for a solo fourth place finish.

Nebraska could, however, still tie for the number four spot if NU can beat Kansas State and if Oklahoma can trip up the Cowboys (currently 6-7). Then both O-State and NU would have 6-8 loop won-loss records.

The Huskers won their last contest, winning an overtime decision over Oklahoma, 71-69, at Norman Monday night.

Win Breaks Losing String
The victory broke a three game Husker losing streak as the Huskers continued to hit on the road, chalking up their third road win of the year.

The game was decided when sophomore guard Daryl Petsch hit a bucket with four seconds left in the overtime to get Nebraska some sweet revenge while still in Oklahoma. NU lost due to a similar last second shot by Oklahoma State's Moe Iba Saturday night when the Cowboys topped the Huskers by one point.

The score in the OU-NU game was tied at 67-67 at the end of the regular playing time as the Sooners erased a six-point deficit on three straight baskets by Warren Fouts in the final four minutes.

First Blood

NU drew first blood in the overtime (after failing to get off a shot in the first three trips down the court) when

Petsch hit from the outside. Eddie Evans of Oklahoma countered on a long jumper to tie it at 69-69 with 2:43 left.

The Huskers stalled the rest of the way, playing for one last shot, which Petsch canned through on.

Evans led the scoring with 19 while Petsch was high for NU with 18. His 18 counters, coupled with 24 against OSU Saturday, boosted him into second place among Husker scorers with 29 points.

Russell hit 16 for Nebraska and Swett and Vincent each scored 14. Swett got all but one of his points in the last half while Vincent, soph center, kept Nebraska in the game in the first half, scoring all 14 of his points in the first period.

Nebraska, after trailing most of the first half, took a 42-36 halftime lead and led most of the way in the second canto until OU's final sprint tied the game.

NEBRASKA	OKLAHOMA
Russell 16	Fouts 16
Petsch 18	Evans 14
Vincent 14	Morrison 13
Jones 14	Evans 9
Swett 14	Haddock 9
Grube 9	Lea 8
Totals 81-67	Totals 71-69
Nebraska	36 21 2-29
Oklahoma	36 21 2-29

UNITED WE STAND

The entire academic world is agog over the success of the Associated Colleges Plan—ACP, for short. I mean, you go to any campus in the country these days and you will see students and faculty dancing on the green, blowing penny whistles, grabbing each other by the elbows and yelling, "About that ACP, Charley—like wooo!"

And who can blame them? The ACP is a plan not only simply brilliant, but also brilliantly simple. All it is, is a loose regional federation of small colleges. Let's say, for example, that in a given region we have a group of small colleges, each with its own academic specialty. Small College No. 1, let's say, has a fine language department; Small College No. 2, let's say, has a fine science department; No. 3 has a fine music department; etc., etc.

Well sir, under the ACP these various colleges federate. A student in any one of the colleges can take courses in the specialty of any of the other colleges—and here's the beauty part!—he will receive credit for the course at his home college. Thus he enjoys all the advantages of a big university without losing the cozy coziness of a small college!

Well sir, you can see what a good idea the ACP is. I respectfully submit, however, that just because a thing is good is no reason not to try to make it better. Like, for instance, Marlboro Cigarettes. Marlboros were good from the very beginning, and people found out quickly and sales zoomed. But did the makers of Marlboro say, "Okay, we've got it made. Let's relax"? Well sir, if that's what you think, you don't know the makers! They did not relax. They took their good Marlboros and kept improving them. They improved the filter, improved the blend, improved the pack. They researched and developed tirelessly, until today Marlboro is just about the most admirable cigarette you can put a match to. There are, in fact, some people who find Marlboros so admirable they can't bear to put a match to them. They just sit with a single Marlboro in hand and admire it for ten, twelve years on end. The makers of Marlboro are of course deeply touched by this—except for E. Rennie Sigfoos, the sales manager.

But I digress. The ACP, I say, is good but it can be better. Why should the plan be confined to small colleges? Why should it be confined to a limited region? Why not include all colleges and universities, big and small, wherever they are?

Let's start such a federation. Let's call it the "Bigger Associated Colleges To Encourage Richer Intellectual Activity"—BACTERIA, for short!

What a bright new world BACTERIA opens up. Take, for example, a typical college student—Hunrath Signfoos (son, incidentally, of the Marlboro sales manager). Hunrath, a bright lad, is currently majoring in burley at the University of Kentucky. Under the BACTERIA plan, Hunrath could stay at Kentucky, where he has made many friends, but at the same time broaden his vistas by taking a course in constitutional law at Harvard, a course in physics at Caltech, a course in frostbite at Minnesota and a course in poi at Hawaii!

I admit there are still a few bugs in BACTERIA. How, for instance, could Hunrath attend a 9 o'clock class at Harvard, a 10 o'clock class at Hawaii, an 11 o'clock class at Minnesota, and still keep his lunch date at Kentucky? It would be idle to deny that this is a tricky problem, but I have no doubt American ingenuity will carry the day. Always remember how they laughed at Edison and Fulton—and particularly at Walter Clavicle who invented the collarbone.

Three cheers for American ingenuity, which gave us the ACP, the collarbone and MGM... that's the Mighty Good Makin's you get in Marlboro, the filter cigarette with the un-filtered taste. Settle back and enjoy one. You get a lot to like.
