Loeffel Service Is Set For Tuesday Morning

Funeral services for Prof. William J. Loeffel, 67, retired head of the Animal Husbandry Department, will be 10 a.m. Tuesday at the Warren Methodist Church at 45th and Orchard.

Prof. Loeffel died Saturday. He had been hospitalized for about two weeks.

He served as chairman of the Animal Husbandry Department from 1938 until his retirement in 1959. Since then he has served as a professor.

During his association with the University, he gained national recognition for his contribution to research, teaching and administrative work.

Prof. Loeffel was the author or co-author of numerous publications and was noted especially for his pioneering in teaching and research in meats.

He had been a member of the subcommittee on nutrient requirements for swine and laws governing animal health for the National Research Council, and co-operated actively with the Feed Industry Council.

He had been an active member and officer of the American Society of Animal production, serving as president in 1936.

He assisted with the 4-H show at the Nebraska State Fair, served as superintendent of the Ak-Sar-Ben Livestock show and board of governors of the American Royal Livestock show in Kansas City, Mo.

From 1917-19 he was a scientific assistant in the United States Department of Agriculture.

A native of St. Louis, Mo., he received his Bachelor of Science degree from the University of Missouri, in 1917, and his Master's from Nebraska in 1929.

Kappa Sigs, Betas Earn Awards During IFC Ivy Day Ceremonies

Among the awards given at Ivy Day were the Dr. C. B. Schultz Award and the award given to the fraternity making the greatest scholastic improvement. Both awards were received by Kappa Sigma fraternity.

The Alpha Tau Omega Help Week Trophy was given to the Beta Theta Pi pledge class.

Kappa Sigma fraternity raised their scholastic standing from 23rd to 3rd.

The Dr. Schultz trophy is given to the fraternity which has completed the most outstanding community service projects. The selection is made on the basis of actual work performed, per cent of house participation, satisfaction of the organization for which the project was done, necessity of the project, creation of favorable relations for the University and the fraternity system, and the attitude of the participants.

Kappa Sigma completed several smaller projects plus "Operation Brotherhood—Marathon of Service."

216 Man Hours

The Marathon ended Saturday afternoon about 2:20, according to Larry Long, chairman of the project. A total of 216 man hours were completed in two to three hour shifts by the men in their free time. Long said participation was entirely voluntary and no classes were cut.

Painting was done at the Mt. Zion Baptist Church and parsonage, Lincoln Southwest Community Center, Belmont Community Center and the Salvation Army.

Roger Meyers, vice-president of Interfraternity Council (IFC), praised the Kappa Sigma's project for the originality of the idea, the real service rendered by the men and the good job done. Meyers also said that the publicity the Kappa Sigma's received was good for the house, the University and the Greek system.

Both the scholastic and the service award were awarded by IFC.

The Alpha Tau Omega Help Week Trophy was awarded to the Beta Theta Pi pledge class for their Help Week community service project, the scholastic average of the pledge class, activities which the pledge participated in and special achievements of the pledge class.

Speech and Hearing Clinic

During Help Week the pledge class worked on improvements for the Nebraska Speech and Hearing Clinic in Lincoln. Small tables and partitions were built to be used in the clinic room. The Beta pledge class chose to pay for part of the material used for the project, earning the money by unloading box-cars for a lumber company.

Phi Delta Theta was announced as runner-up for the Alpha Tau Omega award.

The award, given for the third time, was given to Alpha Tau Omega by its alumni.

Shugrue Is Named Hardin's Assistant

Dr. Michael Shugrue, 28, has been named new assistant to the chancellor, effective June 18.

Dr. Shugrue, a Nebraska alumnus and currently a faculty member at the University of Illinois, will also be

letic manager and will take on additional responsibilities as a special assistant to Athletic Director Tippy Dye.

A graduate of Lincoln high school, Dr. Shugrue received his Baccalaureate degree from the University in 1956, his Master's and Doctor of Philosophy degrees from Duke University in 1957 and 1960. For the past two years he has been teaching English at the University of Illinois.

Active in undergraduate affairs at the University, Dr. Shugrue is a member of Phi Beta Kappa, national collegiate scholastic honorary society and an alumnus of Innocents.

As an undergraduate he was president of Phi Kappa Psi fraternity; business manager of the Cornhusker yearbook; a staff member of the Daily Nebraskan; a member of Corncobs, men's service organization and of the Newman Club, Catholic student society.

He is the son of Mrs. Helen Shugrue and the late Frank Shugrue, a Lincoln insurance executive. His brother, Dick, winner of national honors in this year's Moot Court competition in New York, is a member of the 1962 graduating class in the Nebraska College of Law.

Dr. Shugrue has just completed work on a scholarly study of the 18th century sentimental novel, a volume soon to be published.

Engineers Given Awards; Wahl Named Best Senior

Charles Wahl received the O. J. Ferguson Award for the outstanding senior in the College of Engineering and Architecture Friday at the E-Week awards banquet.

Four other Nebraska students were honored at the annual affair as 1962 E-Week activities ended. They included Steve Gage, Marvin Chriswell, Dave Bliss and Dwain Blum.

Wahl is studying for a B.S. in electrical engineering. He was chosen by fellow students as the individual who "by his demeanor, has exemplified the ideals of professional service and good citizenship."

Gage received the Hamilton Award for engineering proficiency plus notable achievements in the social sciences and humanities.

Chriswell won the Sigma Tau honorary engineering society award for the freshman in '61 with the highest average.

Bliss, a senior, and Blum, a sophomore, won Slide Rule awards for academic and service excellence.

The Department of Mechanical Engineering made a clean sweep in the overall E-Week competition, picking up trophies in the Open House, Window Display, Field Day and overall categories.

Grants Aid Study Of Cancer, Virus

Two new grants have been received by the University.

The National Cancer Institute awarded \$15,000 for the study of cancer in the chest cavity of mice. Dr. Patricia P. Weymouth, research associate in biochemistry, said the study will deal with the thymus organ which is located in the chest cavity.

The other grant which is for \$10,000, was received from the National Institute of Health to study an influenza virus which may have originated from the world-wide influenza epidemic of 1918, but which today is found only in pigs.

Faculty Round Table To Be Held Tonight

The last meeting of the Faculty Round Table will take place tonight at 7:30 in 232-4-5 Student Union.

After the election of a chairman and program committee for next year, the group will hear Prof. John Scholz of the chemistry department. His topic will be "The Limitations of 'Scientific Method'."

The Faculty Round Table is open to all interested members of the academic community—faculty, students and friends, according to Robert Forster, chairman.

Yearbook Interviews

The staff of the 1963 Cornhusker will hold interviews for editorial and business section editors and panel assistants tomorrow from 2-5 p.m. Application blanks can be obtained in the Cornhusker office, 51 Student Union.

Unions Are Polling Sites

City and Ag Student Unions are the two polling sites for today's Student Council elections. Polls will be open until 7 p.m. Two separate tables are set up in the Union where student identification can be checked.

Seventeen council representatives will be chosen.

Nominations Now Received For Outstanding Nebraskan

Nominations are now being accepted by the Daily Nebraskan for its Outstanding Nebraskan awards to be presented to a faculty member and a student who have distinguished themselves on the campus.

Any student or faculty member may nominate a candidate in the form of a letter addressed to the Nebraskan office, room 51, Nebraska Union. Letters should be signed by the person making the nomination and become the property of the Nebraskan. The names of those persons making the nominations will be kept confidential.

Nominations will be accepted until 12 noon Friday, May 8. The winners will be announced Friday, May 25. Certificate awards will be presented to the "Outstanding Nebraskans" at a luncheon in the Union the same day.

Faculty members nominated must have been on the University staff for at least two years. Student candidates may not be paid staff members of the Daily Nebraskan, but columnists are eligible.

Steve Gage was the student recipient, and Dr. Charles H. Patterson received the faculty honor last semester.

Student winners include Steve Schultz, Sandra Reimers, Diane Knotec Butherow, Gail Katske Wishnow, John Gourlay, Tom Novak, Bob Novak, Mary Stromer, Jack Rogers, Eldon Park, Don Noble, Robert Raun, Mrs. Ernest Herbs, Phyllis Bonner, Rod Ellerbush, Dave McConahay, and Gage.
