THAT'S A WONDERFUL STORY!

Yes, that's a wonderful story. Maybe he'll be president some day, or like the man in the story-book. Maybe his picture will one day be shown in an historic sketch—a flashback of the life of someone famous.

It could be you. It could be your own child, or someone you know. The young have dreams, the old have visions. But, from young dreams come realities.

The greatest reality is God. He is waiting... for you. He waits in your church. Relive the dreams of long ago this Sunday... in church we call those dreams, prayers! For prayer is often but a wish, and frequently a silent "thank you" sighed to God. You can face stern realities with stronger faith, if you have that faith renewed—often.

THE CHURCH FOR ALL — ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
