

Kent, Sayers To Meet Again

By RICK AKIN
Sports Editor

Kent McCloughan, NU starting right halfback, would probably like to change a few things around tomorrow at 1:30 p.m. as the Huskers hit the road to meet Kansas.

After his senior year in high school McCloughan played on the North Shrine

gle game rushing record against Iowa State by gaining 283 yards.

Against the Jayhawks Nebraska has won 46, lost 19 and there have been three ties.

Five Year Dry Spell

The Cornhuskers have failed to whip KU since Mitchell took over five years ago.

This game is crucial if either team expects to stay in the Big Eight title race.

On the game Coach Bob Devaney said, "Kansas is as good as Missouri. They have the same type of team, but are more of a threat to go all the way with their break-away backs."

"We will have to play better than we did last week," Devaney continued. "We will have to eliminate some of those mistakes that we made against Missouri."

GALE SAYERS—Kans. sophomore flash to renew acquaintance

Crowd Expected

The Cornhusker's game with Kansas at Lawrence Saturday may be a sellout, according to Kansas officials.

The Nebraska Ticket Office has sold 3,800 tickets to Husker fans following the team to Lawrence, said Jim Pitteger, NU ticket manager.

Bowl team which lost, 32-0, to the South which was led by Gale Sayers.

Sayers now plays for Kansas and has been practically the whole show for Jack Mitchell's crew.

Going into the game the Jayhawks have compiled five wins and two losses to Texas Christian and Oklahoma.

Sayers Splashes

Sayers has made quite a splash as the sophomore flash from Omaha by running up 865 yards in 114 carries.

NU Figures Prominently In Harriers' Title Meet

By JAN SACK
Sports Staff Writer

Last week's performances of harriers Mike Fleming and Ray "Skip" Stevens against Missouri enhances Nebraska's chances of making a real good showing in the Big Eight Cross Country Championships at Ames, Ia., tomorrow.

Coach Frank Sevigne said Kansas and Colorado will be the favorites with Missouri and Nebraska also figuring in prominently.

The Jayhawks will field Charles Hayward who finished third last year and Tony Caberra, a top-notch junior.

Colorado has an all-junior squad led by Bob Griffith who paced the Buffs to a victory over the Huskers earlier this year. Missouri's big guns are Harry Ray and Ray Bryant. Not to be counted out of the individual race is Pat McNeal of Kansas State.

When Fleming and Stevens

won last week with times of 14:51 and 14:51.5 respectively, "We were running easy," commented Stevens.

Sophomore Lary Toothaker is being counted on to finish high for the Scarlet. Also making the trip are Bill Kenny, John Portee, Stuart Tucker and Clarence Scott.

Frosh Gridders To Finish Season Against I-State Yearlings Tonight

By AL SPORE
Staff Sports Writer

Nebraska's frosh football squad will meet the yearlings of Iowa State this afternoon at Ames in the Huskers' second and final outing of the season.

The frosh scrimmaged the varsity Wednesday and went through light drills yesterday. Coach Melton appeared to be pleased with his boys showing against the upperclassmen but felt that a few of the bruises and bumps suffered may hurt his squad tonight.

Coach Melton's yearlings were successful in their first contest with Kansas State whipping the Wildcats, 31-0. Tony Jeter, first-unit end, whose brother was a stand-out halfback at the University of Iowa several years back, is listed as one of the top NU frosh prospects.

The Cyclone squad, which dropped their first contest to Missouri, 21-0, have a turnout

of 30 men, 20 of which are on scholarship. Two of the unrecruited players have cracked Coach John Cooper's first unit. They are Mike Terrell of Creston, Ia. at end and Bruce Bergland, Ames High grad at quarterback.

The KEYS are on the TABLE

It's strange how a man's mind works ...
My wife had said, "The keys are on the table," and we both were thinking of the car keys. I have that abominable habit of laying them down wherever I put my gloves—and I'm always losing my gloves.

But when I saw the keys, I saw the Bible, too. We always keep it there even though we seldom read it.

"The keys are on the table." I am just enough of a philosopher to see the chance implication of those words. The keys to a great many things must be within the covers of that Book. Perhaps the keys to all of the really important things for you, and for me, and for everyone else.

We've been searching far and wide for the keys to peace, and security, and fairness, and brotherhood.

I wonder if the keys are on the table!

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is the source of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sacred reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his neighbor's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Please go to church regularly and read your Bible daily.
