

Grapplers Entertain Wildcats Tonight

First Dual of Season; K-State Boasts Nine Vets

By MICK ROOD
Sports Staff Writer

Nebraska's wrestling team will play host to Kansas State, Friday at 7:30 p.m. in the Coliseum in the Husker's first dual meet of the young season.

The Wildcats, despite finishing in the second division last year, boast nine returning lettermen. The visitors will be out to avenge two defeats against the Huskers last year with virtually the same squad against the sophomore-laden Scarlet.

An outstanding match could develop at 147 pounds between the 'Cats highly-touted Joe Seay and Nebraska sophomore Chuck Clatterback. Seay and Clatterback were both out last year with injuries and return this year at full strength. Clatterback, a Nebraska prep champion, should give the Kansas State veteran a busy evening.

Coach Bob Mancuso looks for victory over the invading Wildcats despite the Husker's lack of experience. Mancuso cited the many close matches at the Huskers' wrestling debut of the season at Terre Haute, Ind. last week.

Bad Luck
Mike Tillotson, wrestling at 167, probably had the worst luck at the Indiana. The talented sophomore was ahead by substantial margins in all three of his matches only to be pinned in the waning moments of each contest.

On the bright side, senior Mike Nissen maintained his

undefeated dual record and flashy sophomore Steve Walenz matched Nissen's Indiana performance with two victories and a tie. Walenz's tie can go to his credit as he held Bill Hughes of Bloomsburg, NIA second-place finisher last year, to a stalemate. It might be noted that Walenz and Nissen were up a weight class from 115 to 124 and 123 to 130, respectively.

Coach Mancuso did comment that this year is primarily a building year. "With this year's young team and a very good freshmen crop coming up, Nebraska should have a powerful team in the next several seasons."

Grizzer Busy
Don McDermott, a sophomore wrestling at 191, provides an interesting sidelight. The husky grappler plays guard for the bowlbound Nebraska football team, as well as holding a starting berth on the wrestling squad.

Don is presently splitting his time between wrestling and football practice and will be in New York for the Gotham Bowl when the wrestlers face Colorado School of Mines in their next competition on December 15.

The Kansas State dual will feature the new scoring method for individual matches approved by the Big Eight coaches for conference meets.

New System
The new system, on a trial basis for the coming season, allows only one point for takedowns, escapes, and reversals.

Also, in a match involving a decision, two points are awarded to the competitor with superior riding time when the match ends. Finally, six points will be awarded for a fall instead of the usual five.

"I think the new system will be interesting to watch, however, I personally believe that the takedown is worth more than one point. The rules have been adopted to put the emphasis on control wrestling and the pin so as to prepare collegiate wrestlers for possible Olympic competition," commented Mancuso.

Air Force Next foe

First Home Appearance

Tomorrow night will be the debut of Coach Jerry Bush's cagers on the home floor when the Huskers take on the Air Force Academy in the Coliseum.

Tip-off time is 8:05 p.m. The Huskers return home after a win over Texas Tech and a loss to Houston.

"I was real proud of the way the boys played on the road," Bush said. "Depth has hurt us but the boys have been working very hard and have a fine attitude."

Starting for the Huskers will be Ivan Grupe (6-5) and Charley Jones (6-3) at the forwards; Bill Vincent (6-7) at center; and Daryl Petsch (6-5) and Earl Wright (6-0) at the guards.

Wright, a sophomore, will be making his first start for the Scarlet and Cream. He is the fifth high scorer with a total of four points.

A sophomore, Wright played his high school ball at North-

east where he was All-State, even though playing the post most of the time. Jones leads the Husker scorers with 38 points followed closely by Petsch's 35.

Jones is also the top rebounder, grabbing 21 from the boards. Grupe is second with 18.

The Falcons are going to have a tough time matching last year's fine record of 16-7. Back on Coach Bob Spear's team are 5-8 John Judd who averaged about 12 points per game last season.

Others veterans include Roger Zoeller, Parke Hinman, Jim Diffendorfer and Roger Head.

Head is 6-6 and tough off the boards, but he is the only Falcon over 6-2.

Defense and ball handling are the Falcon strong points, but this may not be enough as last year's freshmen team was not a strong one.

Air Force has never had a losing season.

3rd BIG HIT... "MAN BAIT"

what happened to the funnies

Now there's a little man who knows what he wants! He wants the pretty funny papers. You might say, "He has a mind of his own..." That's correct, of course. Every child is endowed by his creator with a will and a mind; not developed, but it's there. Yet, how that child is trained from his earliest years, will mold his character, develop his mind and strengthen his will.

Children should have good example, then. And the best example that parents can give is to go to church. The Church is for you and your family. It is the hope of your children. It is the means of bringing God's bountiful blessings to all.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
