

# Grapplers at Mankato State After Fine AAU Performance

By Mick Rood  
Sports Staff Writer  
Nebraska's improving wrestlers, fresh from a surprising performance in an AAU meet, will invade Mankato State College in Minnesota Friday.

Three Huskers with undefeated dual records will attempt to improve the team effort of last year when the two teams fought to a draw. Steve Walenz, Mike Nissen, and Don McDermott carry spotless records into the road test.

Coach Bob Mancuso was especially pleased with the freshman showing in the AAU meet over the holidays. Huskers placed in the first six divisions and the heavyweight class with at least one qualifier.

Although none of Mancuso's competitors won a championship, four took second place.

## Freshmen To Vie Here Tonight

Nebraska freshman men will see their first intercollegiate action tonight when the yearlings swimmers take on Pittsburg and Kansas State at 7:30 in the NU coliseum.

This will be the first of two matches for the year for the frosh coached by Varsity Coach Cal Bentz.

laurals, three placed third, and two finished fourth. Steve Walenz and Mike Nissen, two team leaders during the season, nabbed second places and then the talented frosh took over.

Rick Allgood, wrestling at 130 pounds, was victorious until the finals when he lost to Norm Parker, 3-0, last year's Big Ten Champ.

## Big 8 Head Is Duke

Wayne Duke was named to succeed Reaves Peters as the executive director of the Big Eight Conference.

Peters has held the position for the last 16 years and will retire June 30, at which time Duke will take over.

Duke, 34 (the youngest to hold the position), was selected by a four-man committee—including NU Athletic Director, Tippy Dye, which looked over 20 candidates over an 18-month period.

Duke has been assistant to Walter Byers, head of the NCAA, for the last ten years after being sports publicity director at State College of Iowa and Colorado.

freshman wrestling at 137 pounds, turned in some impressive victories before losing to the eventual champion in the semi-finals.

Perhaps the most impressive victory was turned in by freshman Dan Westcott at 157. Westcott won three matches, two by falls, only to lose to Ray Berry, 6-1. Berry went on to take third place in the tough Pan American tournament over the holidays.

Also coming up on the mat schedule is the freshman-varsity clash Friday of next week at the Coliseum. Mancuso expects a close match and concedes the freshmen have a slim chance to pull out victory over the older grapplers.

## Deadline Is Today

The sign-up deadline for the Nebraska Union campus championships in bowling, table tennis, and chess is 5 p.m. today.

The winners in each event and qualifying team members will travel to the University of Kansas Union, Feb. 15 and 16, to compete in the Regional Association of Collegiate Unions Tournament.

The semifinals in men's bowling will be Saturday at 9:30 a.m. Semifinals for women will be Sunday at 2:30 p.m. In each division, the semifinals will consist of nine games. The top twelve will then roll in the finals Saturday, Feb. 9. The results of the finals will determine the two five members squads.

Pairings in table tennis and chess will be posted Saturday morning. The entrants will then arrange their own matches. Further information is available at the Nebraska Union games desk.

# Cagers on Road Face Potent Wildcats

Nebraska's cagers visit Manhattan for their second conference game of the season against Kansas State.

The Wildcats after downing Air Force, 58-42, (a 43-39 victim of the Huskers) last Monday found two more shooters but may have lost the services of Gary Marriott, 6-5 junior forward who injured his knee and did not suit up against the Falcons.

But Coach Tex Winter saw Roger Suttner, 7-foot center, and Jerry Johnson, untested guard, pop in 18 and 14 points, respectively.

Johnson is a native of North Platte who received

praise from Winter after the game. "Jerry is a fine shooter and we need him in the line-up somewhere. He had trials at forward, but now I think he can do the job at guard," the 'Cat' mentor pointed out.

Johnson's mate at guard is Al Peithman, a Hebron native.

Guard has been the trouble spot for the Wildcats — Johnson is the eighth player to perform opposite Peithman.

Marriott, who first injured his foot in the Arizona State game, rehurt it against Kansas and did not suit up for the Falcon contest. The fine lefty shooter is second in team scoring with a 15.3 average, and his hustle and fire power will be missed if he cannot answer the call.

Top scorer and rebounder for the Wildcats is Willie Murrell, who has an 18.3 average and has hauled down 100 rebounds in 11 games.

## Gymnastics Team To Open Home Slate

Jake Geier's regional champion gymnastic team opens its home schedule tomorrow at the Men's PE Building. They host Colorado State of Ft. Collins at 2 p.m.

The Huskers won their first outing, a double dual against Kansas U. and Ft. Hays State at Ft. Hays, Kansas, Dec. 17th.

Junior Dennis Albers paces the Huskers all-around. Francis Allen, Gene Hart, Jim Howard, Dick McCoy, Biff Pfeiffer and Tom Stizman follow in special apparatus events.

more taste through the filter

It's the rich-flavor leaf that does it! Among L&M's choice tobaccos there's more longer-aged, extra-cured leaf than even in some unfiltered cigarettes. And L&M's filter is the modern filter—all white, inside and outside—so only pure white touches your lips. L&M's the filter cigarette for people who really like to smoke.

## DO YOU NEED DIRECTIONS?

Public libraries today are filled with "how to do it" books. From them we may learn to do almost anything from baking a cake to building a house, from managing a home to conducting a business. But by far the most important are the books which show us how to build our lives.

The greatest among these is the Bible, a book which has withstood the test of centuries. Within it are God's directions for abundant living. But it is not easy to put these directions into practice. We need help.

We turn to the Church. In the Church we find inspiration through the companionship of others who with us strive for a better life. There, in prayer and worship, we know the blessings of God, the Father. We learn to follow the example of the Christ, and feel the power of His Spirit who alone enables us to live the abundant life.

### THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor in our lives for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four good reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
