Hurdler Ray Knaub and high jumpers Harry Krebs and Larry Eilert sparked in the indoor track meet Saturday as Nebraska scored 105 points to whip Iowa State and South Dakota State who collected 27 and 19 points, respectively.

Eilert, defending Big Eight Indoor champ in the high jump from Iowa State, cleared the bar at 6-7 to topple his old record of 6-6 1/4 set in 1962. The Cyclone star edged out Husker Krebs who cleared 6-6 for a new Nebraska varsity record. The old varsity mark was set by Don Meissner in 1951 at 6-5. Krebs' 6-6 leap is a personal best for the Doane transfer.

Knaub won the 60-yard low hurdles with a stunning :06.8 to equal the Indoor Stadium record set by Keith Gardner of Nebraska in 1958, Heye Lambertus of Nebraska in 1932 and Bob Derrick of Oklahoma in 1955. The Scottsbluff speedster hit his knee on the last hurdle, but still led home co-captain Fred Wilke who was second and Bob Hohn who placed third.

Knaub also won the 60-yard dash earlier in the afternoon with a :06.3 mark. Nebraska's Kent McCloughan was third.

Co-captain Mike Fleming and Ray Stevens were Nebraska's other double winners.

## Nebraska Gymnasts Win Again

# Husker Cagers Lose Again, 45-39 To KU Jayhawks

The University of Nebraska basketball team fell to defeat at the hands of the Kansas Jayhawks Saturday night as they lost their tenth straight Big Eight conference victory.

The Huskers were beaten at their own game, a game in which ball control was the primary issue. The Huskers led at half time 22-17 but wound up on the short end of the tally when the final gun sounded.

Confusion and laughter reigned during the game as coaches and players protested many of the officials calls. The protests usually ended with laughter and sideline pacing.

Neil Nannen was high scorer for the Huskers as he hit for 14 points; he was followed by Daryl Petsch who hit 10 points. Grupe fouled out early in the second half to further hinder the Husker effort.

Tonight the Huskers will take on the powerful Oklahoma State Cowboys at the NU coliseum.

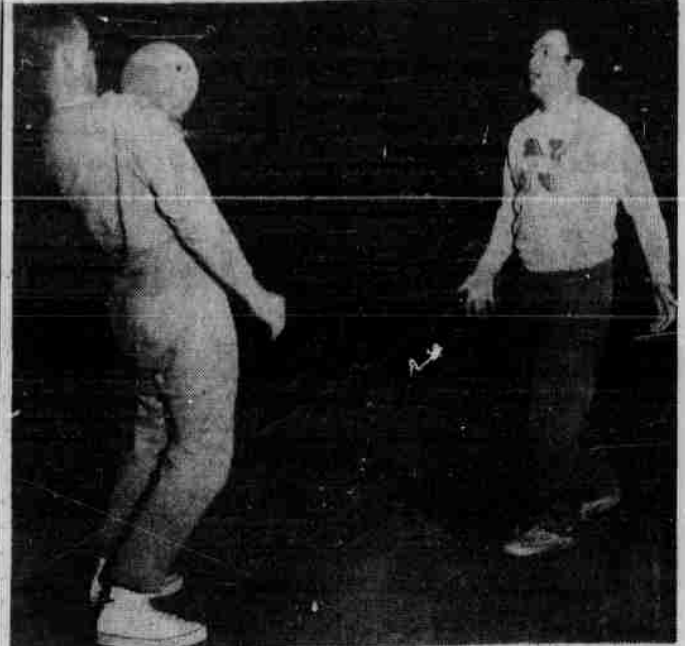

The Cowboys, last week's Big Eight leader, were beaten by Colorado, 49-40. The loss dropped the Cowboys into third place in the conference behind Kansas State and Colorado.

Oklahoma State will probably start Ivan Wiley and Jim King at the forwards; Larry Hawk and Jim Cooper at the guards; and in the center spot Gene Hohnson will perform.

The Husker victory tonight could almost take the Cowboys out of the Big Eight title race, something that would please NU fans.

The Huskers will probably go with Neil Nannen and Charlie Jones at the forward positions; Daryl Petsch and Dennis Puelz at the guard spots and Ivan Grupe will start at the center spot.

The loss to Kansas University left the Husker cage squad with a 5-16 overall record and a 0-10 Big Eight record. Tonight they will be gunning for a big upset against the Cowboys.

MOLNA DEMONSTRATING TECHNIQUE — Coach Molnar is shown here demonstrating some of the techniques of soccer before practice begins March 2.

## People To People Program Sponsors NU Soccer Team

The NU Soccer team will start practice for its sixth season March 2 at 4 p.m. The team, under the new sponsorship of People-to-People, is trying to set up an intercollegiate schedule for Spring, 1963, although the season nationally is already under way.

People to people hopes to put in as much practice time as possible before the deadline for entering this season's play March 23. Kansas State, Iowa State, Manhattan College, Kans., and the Air Force Academy are seeking games with NU according to Molnar.

Soccer, a perennially "new" and "unknown" sport at NU, was first played here in 1957. The team entered intercollegiate play in 1958, winning the Mid-West Soccer Championship.

PTP expects to see over 25 men at the first practice. Plans are to start two 11-man teams.

Although the most experienced players are often foreign students, about two-thirds will be Americans. Molnar says some of his best players learned the game recently, and rookies will be welcome March 2. The team will meet in front of the Student Union Building.

Molnar, who will act as coach, has coached various other soccer teams in the U.S. and Hungary.

## THE BELL TELEPHONE COMPANIES SALUTE: TOM HAMILTON

When the Bell System recently product-tested the new Touch Tone telephone in Findlay, Ohio, they called on Ohio Bell's Tom Hamilton (B.S.E.E., 1960) to coordinate the project. Quite an honor since this was one of two Touch Tone trial areas in the entire country.

This happened on Tom's second assignment with the company. Since completing the project, Tom has joined the Fundamental Planning Engineer's Group. Here he

makes engineering economy studies and submits programs for capital expenditures. Tom's performance has earned him the opportunity to attend a special six-month Bell System engineering course in Denver.

Tom Hamilton and other young engineers like him in Bell Telephone Companies throughout the country help bring the finest communications service in the world to the homes and businesses of a growing America.
