THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why svery person should attend services regularly and support the Church. They are: (1) For his own sake. (2) Fot his children's sake. (3) For the sake of his community and nation. (4)

83:13-22

All dressed up, the expression goes, and no place to go. These boys are hardly "dressed up." But the rest of the description fits them perfectly. They are two of the millions of American chil-

dren who are growing up WITHOUT A CHURCH. Boys with the God-given right to grow up in faith ... with the American right to worship God freely according to the dictates of their own conscience. But someone hasn't understood their rights. Parents who make no provision for their chil-

dren's religious education are, in effect, robbing these children of the most precious heritage of every American. Grownups who, by the tell-tale example of indifference, encourage boys and girls to emulate the Godlessness that the Iron Curtain seeks to foster are undermining the spiritual substance of our nation.

No more serious problem faces America today than the children who on Sunday morning in a land of churches have no place to go.

Honestly, now, are you creating the problem-

or helping to conquer it?
