Nebraska . . .

The Husker swimming squad, last weekend, walked off with six gold medals and three records as they won second place behind Oklahoma in the Big Eight conference meet, highest finish since Vern Bauers won four gold medals and was in on two of the NU records.

The Nebraska State High School Basketball tournament swung into action yesterday afternoon, starting a three day affair culminating Saturday at the Coliseum. Early round winners were Omaha Tech and Columbus in Class A; Minden and Ogallala in Class B; Tecumseh and Utica in Class C; and in Class D, DeWitt and Polk were the winners.

Big Eight . . .

Oklahoma State won the Big Eight wrestling championships last weekend as they edged out Oklahoma; Nebraska finished in last place. Husker Mike Nissen was edged by defending champion Mark McCracken by a 5-3 decision.

Colorado defeated Kansas State last Saturday night to earn the right to represent the Big Eight conference at the NCAA basketball championships. They meet Oklahoma City University in the first round of the regional tournaments. Kansas State and Colorado each shared a part of the Big Eight crown with identical 11-3 records.

Nation . . .

Cassius Clay decided Doug Jones in a ten round middleweight bout at Madison Square Garden Wednesday night before a crowd of 18,000. But his string on nine straight knockouts came to an end as Clay had to fight hard all the way for the decision. Sonny Liston, Heavyweight champion, commenting on the game "he would be locked up for murder if the pair were ever matched." Clay failed to knock out Jones in the fourth as he had predicted; afterward he said that he would give up prognostications.

Carroll Rosenbloom, owner of the Baltimore Colts professional football team, was implicated on a charge of betting against the Colts in a 1953 game with the San Francisco 49ers. The charge involved a \$55,000 bet with Michael J. McLaney of Miami Beach, a former operator of a Havana gambling casino during the Batista regime.

Navy, Independent Titlest

Avery I Wins
Burr-Selleck Title

By LARRY ASMAN

Defending champion NROTC has again won the All-Independent basketball championship by defeating the Misfits 43 to 39.

Dick Ratzlaff was Navy's high scorer with 17 points. Dick Brenning added 13. They were Navy's two highest scorers the night before, too.

This was a rebound match as Navy, which beat the Misfits Tuesday night, and Misfits had each lost once.

The Misfits, making a spirited effort to pull the game out of the fire after trailing by ten points at the three-quarter mark, fell short by four.

Navy will now play the winner of the Sigma Alpha Epsilon-A - Avery I game for the All-University Intramural Championship.

Avery I came back from a Tuesday loss to Canfield to defeat Canfield 56 to 48 for the Burr-Selleck championship Wednesday night. Ted Vactor and Henry Woods led Avery with 20 and 17 points respectively.

Down 10 points after three quarters, the game Canfield squad, led by Jed Rood's 10 fourth-quarter points, crept to within three points before finally losing by eight. Rood led his team with 17 points.

The winners, who had hit only six of their twenty-one foul shots the night before, made half of their twenty attempts while Canfield made only four of nine.

Today at 4:45 on the Varsity court Avery will play Sigma Alpha Epsilon, the All-Fraternity "A" champions.

Sigma Phi Epsilon-C rebounded from a 12-point loss to Beta Theta Pi-C to take the All-Fraternity "C" championship 50 to 40. Down five at the half and three points after three quarters, the Sig Eps outscored their rivals 19 to 6 in the final period.

The Sig Eps, who were a perfect 12 for 12 at the free throw line, were led by Tom Kilzer, Gene Adams, and Dennis Gemar, who scored 15, 13, and 11 points, respectively.

Arless Brash paced the Betas with 13 points with LeRoy Bentz adding ten.

Score by quarters:
Sigma Phi Epsilon-C . . . 12 6 11 19-50
Beta Theta Pi-C . . . 10 13 11 6-49

IM TOURNEY FINALS—The All-University intramural basketball finals are entering the last days of action. Today the Sig Alphas meet Avery I, Burr-Selleck champion, at 4:45 p.m. The championships will be determined on Saturday afternoon between games of the State Basketball tourney.

"Will I find exciting, rewarding challenges at W. E.?"

They happen to be our specialty. Consider just a few of our project areas in Western Electric's role of developing manufacturing techniques for Bell System communications: miniaturization, electronic switching, computer-programmed production lines, microwave radio relay, television telephones, optical masers, data transmission. Working closely with our research team-mate, Bell Laboratories, W. E. engineers are even now creating and implementing communications progress planned for the 1970's—and beyond. You will start participating right away in unique, creative challenges. Opportunities for rewarding careers are open now for electrical, mechanical, industrial and chemical engineers, and also for physical science, liberal arts and business majors. For detailed information, get your copy of the Western Electric career opportunities booklet from your Placement Officer. Or write College Relations Coordinator, Western Electric Company, Room 6306, 222 Broadway, N.Y. 38, N.Y. And be sure to arrange for a personal interview when the Bell System recruiting team comes to visit your campus this year—or during your senior year.
