## Sig Alph's Sponsor Tourney

Two All University Intra-mural Championship teams will be on hand this weekend for the first annual Sigma Alpha Epsilon Midlands Invitational basketball tournament.

South Dakota's and Kansas State's Sig Alph title-winning clubs will vie with three other chapter teams Friday night and Saturday for first and second place trophies.

Iowa State, Drake and the Nebraska team will be in the running for the top honors.

Two games are on tap Friday night at 9:30 on the freshmen and varsity courts in the Coliseum. The semifinals are billed for Saturday morning at 9:30 and the title game will be played at 3:30 Saturday afternoon.

Included on the Nebraska team, most of whom played for the Sig Alph's All-Fraternity championship quintet, are: Kent McCloughan, Dennis Clariège, Dennis Stuewe, Doug Kluck, Duke Pappas, Ernie Bonistall, Bill Johnson, Gary Edgar and Paul Camastro.

"Through informal discussion groups, we will have the opportunity to discuss mental problems and ideas not only along the lines of our fraternity but also concerning Greek Systems in general," said Ernie Bonistall, chairman of the committee in charge of the committee in charge of arrangements for the tournament.

"We also hope to compare reactions to the recent unfavorable national publicity concerning the Greek System," continued Bonistall. "And we will give the players some good old fashion Nebraska entertainment with a house party Saturday night."

## Huskers Prepare Opener

Twenty-six University of Nebraska baseballers have been working in the NU Fieldhouse, preparing for their season opener at Tulsa, Oklahoma, March 28-30.

Coach Tony Sharpe will lead his Huskers into their 27-game schedule with a three game set against the Hurricanes. The schedule includes 21 Big Eight contests.

Sharpe is now trying to find a starting lineup without the benefit of an outside practice to date.

Husker pitching depth is good with four front-line pitchers, all lettermen, returning this year. These include southpaw Ron Havekost and righthanders Jan Wall, Ernie Bonistall, and Keith Sieck, plus squadmen George Landgren and Jim Kahrhoff. Ed Johnson, another hold over, did not report because of arm trouble he encountered this summer.

Infield prospects look optimistic with a probable lineup of Dave May at first, and three lettermen, Ron Douglas, Tom Ernst, and Dale Anderson, at second, short, and third, respectively.

Don Schindel is the only returning outfield letter winner as the Cornhuskers lost their two top hitters from the 1962 team—Steve Smith and Pat Salerno. Ron Michka, a football center, is being groomed for a leftfield position. The other outfield spot is up for grabs between Wally Duff, Phil Gilbert, and John Faiman.

## Athletes Run In TFF Meet This Weekend

Thirty-three high schools will be represented along with college athletes from this area in the first Nebraska Track and Field Federation Indoor championships, Coach Frank Sevigne, of the University, announced.

Because of the heavy entry the various running events will be run in sections on a time basis, Sevigne said. As an example of the field, there are 51 in the high school 60-yard dash, 38 in the high hurdles, 40 in the mile run, 37 in the shot put, 48 in the broad jump.

Field events will start at 1 p.m. Saturday with the running at 1:30. No team points will be kept.

Three relay events will be contested, the sprint medley, where 22 teams are entered; the 2-mile with 17 teams and the mile relay with 21.

Medals go to the first three places in both the open and relay events, Sevigne said.

The games committee is made up of C. C. Thompson, executive secretary of the Nebraska High School Activities Association; Sevigne and Ike Hanscom of the University of Nebraska; Woody Greeno, Nebraska Wesleyan and Harold Scott of Lincoln High School.

## Three Freshmen Gain Positions; Avery I Places Two On Squad

By TERRY ANDERSON Sports Editor

The 1963 All Burr-Selleck team is dominated by the league's championship team, Avery I. Avery placed two of its members on the squad, both freshmen—Ted Vactor, a guard, and Henry Woods, a center for the team.

The squad is well-balanced, fast, and capable of high scoring through Olsen, Vactor, and Woods. The squad, as most basketball squads go, is not extremely tall, averaging only 6'2".

The rest of the squad comes from Fairfield and Burnett. The other forward spot goes to Henry Krous of Burnett while Stan Whitcomb, of Fairfield, plays the other guard spot.

Al Olsen, the squads only repeater, is on the squad for the third time in a row. Olsen, a senior from Long Island, New York, plays the forward spot and led the Canfield team to the runner-up spot in the league.

Olsen stands 6'2½" and

weighs 215 pounds. He hails from Babylon High School on Long Island where he was selected Most Valuable Player three years in a row in varsity basketball; he also won two letters in baseball. His greatest sports thrill came when he scored 36 points for a school record as a sophomore on his high school basketball squad.

A member of Wesleyan Foun-

dition and a Selleck dorm counselor, Olsen is majoring in psychology and will also get a teaching certificate in business administration. He plans first to be a high school

counselor and later teach psychology at the college level.

Henry Krous plays the other forward spot on the honor squad and he played for Burnett during regular season play. Last year he earned a second team berth on the dorm squad. Krous is 6'3½" tall and weighs 190 pounds.

Krous comes to the University from Indianapolis where he lettered in football, basketball and track three years. His biggest sports thrill came twice, both as a member of the basketball team as it entered the state tournament action when he was a junior and senior.

A sophomore in Arts and Science, Krous is planning on a medical career after gaining a Bachelor of Science degree in chemistry here at Nebraska.

Henry Woods is one of the two freshmen to be named to the All-Star team. Woods plays the center position and helped guide the Avery I squad to the Burr-Selleck league title and a runner-up position in the All-University championships.

Woods earned a freshman numeral this fall in football, playing the end position and

intends participating in football this spring and next season. He is intent on a career in dentistry and comes from Midland, Texas where he lettered in all three major sports—football, basketball, and track.

While attending George Washington Carver High School in Midland, he gained state squad two years running. Woods stands 6'2½" and weighs 195 pounds.

Ted Vactor, a freshman from Pittsburgh, Penn., plays one of the guard positions on the team. He comes to Nebraska from Pittsburgh where he was a three year letterman in football, basketball and track.

His best sport according to him is football where, in high school, he played the half back spot. At Nebraska he plays an end position and intends on going out for the varsity team this spring and next fall.

In high school track Vactor ran the hurdles and the 440-yard dash. His biggest sports thrill came in the All-state championships in Pennsylvania where his team won the championship by beating East, 39-4.

At Nebraska, Vactor is majoring in elementary education and intends to teach at some school in the East upon graduation; he has given some thought to teaching physical education and coaching.

The team is rounded off with a guard from Fairfield, Stan Whitcomb, another freshman in arts and science.

### Ag Men Beat Misfits In Ag Tourney, 32-28

The Ag basketball championships are currently being held on Ag campus. In action Monday night the Ag Men fraternity won the first round of the tournament, defeating the Misfits, who were runners-up in the All-University independent tournament.

The game was close all the way but the Ag Men maintained the edge for most of the game and the final tally was 32-28 in favor of the Ag Men.

Tonight the Ag Men will meet FarmHouse for the Ag championship at Nebraska Center.

Burr-Selleck league is headed by Avery I, who won the league championships by defeating Canfield. Avery then went on to defeat a strong Sigma Alpha Epsilon team to gain the All-University championships. There the team was defeated by the Navy squad which had won the All-University championship last year.

The squad was paced by two freshmen on the All-Dorm team—Ted Vactor, a guard, and Hank Woods, the team's center. The two averaged 20 points a game to pace the team to the league championship.

In second position is Canfield, last years league winner. The squad was led to the runner-up position this year by three-time All-Dorm cager Al Olsen. Olsen was the team's sparkplug this year and the top playmaker of the squad.

In third position is Fairfield who nearly edged Canfield for the runnerup spot, defeating Canfield in regular season play, but Canfield came back in tournament play to upset the Fairfield squad and edged them from the runner-up spot.

In fourth place in the league's final team standings is Burnett. The Burnett squad, led by hard hitting

Hank Krous, finished regular season play with a 6-0 record in league 7-A but the squad failed to make it through the stiff tourney action.

The top five is rounded out by the Benton squad with a 3-3 season record.
