

Sports Shots

CAMPUS
THE THINCLAD QUARTET of Mike Fleming, Ray Stevens, John Portee, and Mauro Altizio are still leading the nation in the four-mile baton event with a clocking of 17:10.3. The Huskers won the event at the Texas Relays.

FOOTBALL COACH Bob Devaney said that the Huskers will be as good as last year, but cautioned the record may not be the same. Nebraska, Devaney said has a good first team, but our reserve power leaves something to be desired.

NATION
THREE WORLD RECORDS fell last weekend at the Mt. San Antonion Relays. Al Oerter cracked the discus record with a toss of 205 feet, 5½ inches. Arizona State's mile relay team bettered the world's record in the event, running it in 3:04.5. Bob Hayes of Florida A & M ran the fastest 100 meters in history with a time of :09.9, but the record was disallowed because of an 11 mile per hour wind.

IN THE PENN RELAYS, another record was felled in the pole vault as the fiber-glass pole controversy rages. Sophomore Brian Sternberg vaulted 16-5 his record lasting three days before the title was regained by John Pennel of Northeast Louisiana State when he cleared 16-6½ on his first try. He missed at 16-9.

A FIELD OF EIGHT seems certain in the 89th annual Kentucky Derby. Candy Spots, Never Bend and No Robbery are favorites in Saturday's race. Bonjour, owned by Patrice Jacobs won the Derby Trial Stakes ahead of Walnut Hill Farm's Gray Pet and Ambush Stable's On My Honor. The other two entries are Royal Tower and Chateaugay.

Canoe Trips Quetico Superior Wilderness Area

Drop those books for a spell. Follow the paths of the old Voyageur. Countless unspoiled lakes—many beautiful campsites—excellent fishing. Complete outfitting including food \$6.00 day per person. Also rate by week and for groups. For folder, map and planning help—write:

COULD THIS
BE WHY
THE FOUR
FRESHMEN
CAN'T FINISH
SCHOOL?

Yes. But there's nothing wrong with their addition. Four master vocalists, plus four swinging instrumentalists, plus four on stage-off the cuff comedians total Four Freshmen. Honest. And this fantastic triple threat versatility is why college audiences refuse to let the Freshmen finish school.

In "The Four Freshmen in Person • Volume 2" on Capitol, you'll hear them at their versatile best, in a recording made during an unforgettable performance at Long Beach City College. The packed house called it great, and so will you.

Look for "The Four Freshmen in Person • Volume 2" on Capitol, and look for the Four Freshmen in concert on your campus.

Undefeated Thinclads Pursue Victory String Tomorrow At Colorado

BY JAN SACK
Staff Sports Editor

Nebraska's track team will get their first rough test of the season when they face the Colorado Buffs at Boulder tomorrow. This will be the first conference tilt for the Huskers in the outdoor season.

Husker coach Frank Sebigne said, "This will be a tough meet because Colorado has gained quite a bit of strength since the indoor season in the sprints, hurdles, mile and field events."

DURING THE INDOOR SEASON Nebraska handled the 76-46. The Scarlet went on to win the Big Eight Indoor championship and have a strong chance of repeating in the outdoor race.

Nebraska entries in the sprints—100 and 220-yard dashes—are Ray Knaub, Kent McCoughan and Steve Pfister. Last year Knaub was timed in :09.4. McCoughan and Pfister both have bettered :09.8. Buff lettermen Dick Burns and Ray Graham are the top sprint entries for Colorado.

Husker co-captain Fred Wilke will go it alone in the 120-yard high and 330-yard intermediate hurdles. He faces one of the finest group of timber jumpers ever assembled at Colorado. Sophomore Jim Miller who ran :22.8 for fourth in the lows at NAAU heads the list. Veterans Bill Gairdner, Bill Wells and Chuck Keagle also are on tap.

SEBIGNE WILL USE CO-CAPTAIN Mike Fleming, Ray Stevens and Mauro Altizio in the mile against Colorado's Bob Griffith, Tom Starr and Bill Sprout.

Griffith, the Big Eight two-mile champ, may decide to run the new three-mile event

which will weaken the Buff onslaught in the mile. Backing up Griffith if he runs the three-mile will be Bruce Degen and Mike McCoy. Nebraska's entry is sophomore Larry Toothaker.

The high jump is another Colorado specialty. Sophomore Leander Durley cleared 6-10 outdoors last spring and won the Big Eight Indoor title in March by clearing 6-10½. Nebraska will go with Harry Krebs who has cleared 6-4, Jack Cramer who clears 6-2 regularly and Sam Samelson.

Nebraska's Gil Gebo and Dick Strand should handle the 440-yard run in fine style while Jim Wendt and John Portee take care of the 880-yard run. Biggest threat in this area is Colorado half miler Chuck Buchheit.

Victor Brooks, Husker

—Photo by Jim Sack—

GEBO SHIFTS—Versatile thinclad middle distance ace Gil Gebo has been running the 440-yard run lately in the outdoor meets, shifting to the half mile in the relays.

Frosh Footballers Continue Workouts

Coach Bob Devaney has several injuries and a number of promising freshmen to consider after Wednesday's practice session.

Devaney excused the first unit from contact in an effort to concentrate on the depth he will need next fall. The remaining four units went through a brisk workout that netted good and bad results.

Dave Theisen, Milwaukee junior and highly regarded Scarlet halfback, will be lost

for the spring drills due to a recurring leg injury that he aggravated Sunday.

This squad includes a backfield of Willie Paschall, Bruce Smith, and John Hohn. The line consisted of John Kinney, Chuck Deake and Paul Fisher at the ends, Ray Jones and Mike Kinnis at tackles, Louis Dillard and Don McDermott at the guard spots, and Kyle Sittler and Duncan Drum at center.

The second unit showed the best promise were directed by quarterbacks Doug Tucker and freshman Fred Duda. Tucker, Duda and Woods alternated direction of what appeared to be the top white squad.

The Husker javelin entry is Milan Van Newkirk. He will be pitted against sophomore Fred Kohls who sets the spear down in the 200 foot range. Van Newkirk's top throw is 159-6.

In the relays Sevigne plans to go with Wilke, Pfister, McCoughan and Knaub in the 440 and is undecided about the mite quartet.
