Silver Keys To Be Given At Luncheon

Youthful Journalists Honored Tomorrow

Students from 23 Nebraska high schools will be honored tomorrow at the 18th Annual Silver Key luncheon sponsored by the University School of Journalism.
 The Silver Keys will be presented to 15 students for superior writing efforts in five categories: sports writing, news writing, news feature writing, column writing and editorial writing. Silver Key certificates will be presented to 30 students deserving honorable mention.
 The awards are made in three divisions: Division I—high schools with total enrollments up to 125; Division II—high schools with 126-599 students, and Division III—high schools with 600 or more students.
 In addition, winners of 16 freshman journalism scholarships with a total value of \$3,545, will also be recognized.
 The awards luncheon will be preceded by a tour of the School of Journalism. University students and faculty members will later combine to conduct career conferences in news-editorial journalism, advertising, radio-television, journalism-education, and agricultural-home economics journalism.

Memories in the Making

A picture... a frame... to treasure always. So she believes!

The fleeting baby smile, the outgrown pair of baby shoes—these she'll always treasure.

But in later years not every mother can point with pride to her son's baby picture. Memories sometimes become tarnished with remorse.

So much depends on us.

If we hope always to treasure our glimpse of yesterday... we must carve with spiritual tools our vision of tomorrow.
