Individuals In League Run Close

Kansas City, Mo. — A new leader in total offense for the fourth time in the past five weeks, another shift in the see-saw race for Big Eight Conference and national rushing honors and the same old stand in passing . . .

That's the picture reflected by Big Eight Conference individual statistical rankings released today by the Conference office.

Kansas State's Larry Corrigan is the new total offense leader with an eight-yard margin (710-702) over last week's pace-setter, Steve Renko of Kansas, and has built up a 190-yard margin in passing over Missouri's Gary Lane, his nearest competitor.

In rushing, it's Iowa State's Tom Vaughn on top with the same scant eight-yard margin over Gale Sayers of Kansas—642 and 634. Last week, Sayers led the nation with 556 rushing yards and Vaughn was third nationally with 536.

The week's top individual performances went to the quarterbacks with Lane leading the pack. The Tiger sophomore completed eight of 20 passes for 143 yards and added 32 more rushing for a 175-yard day against Nebraska. That boosted him into the No. 2 passing position and back into contention for the total offense lead owned in the past five weeks by Dennis Claridge of Nebraska, Lane, Renko and Corrigan in that order.

Behind Vaughn and Sayers in rushing are Oklahoma's Jim Grisham with 509 and Rudy Johnson of Nebraska, who moved past Colorado's Bill Harris into the fourth spot with a 126-yard effort against Missouri. Johnson has 492 and Harris 396.

Pioneer House Keeps Win String

All Friday intramural games were forfeited. In limited Thursday action, Pioneer House kept its unbeaten record and league lead in league 5-A with a 12 to 7 victory over Triangle fraternity.

Trailing 7 to 0 at the half after a touchdown run by Roger Mitzner, and a run for the point by halfback Jim Conway, Pioneer scored in the third period on a pass from Maurice Himmelberg to

Nebraska's narrow victory over Missouri Saturday was decided by breaks and mistakes . . . the only calm and consistent aspects in Columbia were Rudy Johnson's bruising ball carrying and the Huskers' first scoring success.

Nebraska drove 76 yards in 11 plays their first time with the ball and Husker team consistency disappeared until the second half. Missouri never did produce a long sustained drive.

Johnson started things with a 30 yard burst and kept moving all day for 126 yards in 19 carries to easily top the day's ball carriers. On Johnson's first run and on many similar ones to follow, it was big Bob Brown with the key block from his pulling guard position. Seven times the Husker fullback got first downs in the game.

Johnson's placement gave Nebraska its one point margin, in the end, 13 to 12.

At the end of the first quarter, Missouri gained its first score on a series of freak plays. Dennis Claridge punted weakly from deep in Nebraska territory to his 33 yard line and the Tigers were set. Ted Saussele snagged a Gary Lane pass between two sun-blinded Huskers and Missouri had three yards for the touchdown.

They got it with Lady Luck on their side. Fullback Paul Underhill was stopped cold on the two. He fumbled under Husker beef. The fumble dribbled into the end zone

and alert Ken Boston pounced on it for the six points. A Bill Leistriz conversion attempt was wide. Nebraska, 7 to 6.

Neither team penetrated very deep for the rest of the half, although Leistriz fell short on a field goal try from Nebraska's 36.

The stage was set for the wild second half. Nebraska made visits to the Tiger 37, 18, 20, and 28 without scoring in the second half. Another weird play started the second Nebraska touchdown. Claridge again punted poorly to Vince Turner who fumbled on the Husker 35 and Chuck Doepke got this one.

After the fumble, Nebraska pushed 64 yards on 16 plays in 8:27 elapsed time. The Tigers "pushed" 67 yards on two plays in 17 seconds!

Boston was the live one again. He grabbed Lane's pass all alone on the Nebraska right flank and raced 53 yards to pay dirt. Missouri Coach Dan Devine called for the two point conversion and a one point lead—it almost worked.

Lane threw one to end Jim Waller's fingertips, but a red and white flash named Bruce Smith battered the aerial out of the startled Missourian's hands. Nebraska's lead stuck, 13 to 12.

Kent McCloughan provided a key interception late in the game of a Lane pass to kill the Tigers' last chance at victory on their homecoming. The ball was aimed for
