CHUCK SALEM—Sports Editor

Road Trip Next—

Cagers Now Fifth After 64-55 Loss

Four minutes at the first of the second half did a great deal of damage to the hopes of Coach Joe Cipriano.

In those four minutes Nebraska's cagers went scoreless and allowed Kansas to increase its two-point halftime lead to nine points.

The Huskers were unable to completely recover and suffered a 64-55 defeat Monday night before 5,700 at the Coliseum.

With their 5-6 record in loop play the Huskers slipped to the second division. Kansas has moved into a tie for third place.

Nebraska is tied for fifth with Missouri and Iowa State.

Next for the Cornhuskers is a grueling three-game road trip. They wind up with clashes at Oklahoma State, Oklahoma, and Colorado.

The Huskers who have won only one game on the road will be hard-pressed to finish high in the final standings.

Monday's game was the home finale for Nebraska this year and closed out the Coliseum careers of five NU seniors.

Seniors Charley Jones, Niel Nannen, Daryl Petsch, Denny Puelz, and Jim Yates all completed their eligibility at the end of this season.

After fighting neck-and-neck throughout the first half the Huskers turned ice-cold to start the second half.

The Jayhawks hit seven consecutive points to open a nine point spread on the Huskers. After three NU points, Kansas ran off a streak of six more to take a commanding 12 point lead.

With 6:10 left Nebraska caught fire and hit for six points to close the gap to 53-49. Steve Renko, quarterback of the KU football team, got loose for two basket and two free throw to ice the game for the Jayhawks.

The thorn in the side of the Huskers all night was the determined Kansas defense.

The Jayhawks, with their effective man-to-man defense kept the Nebraska attack off-balance throughout the contest.

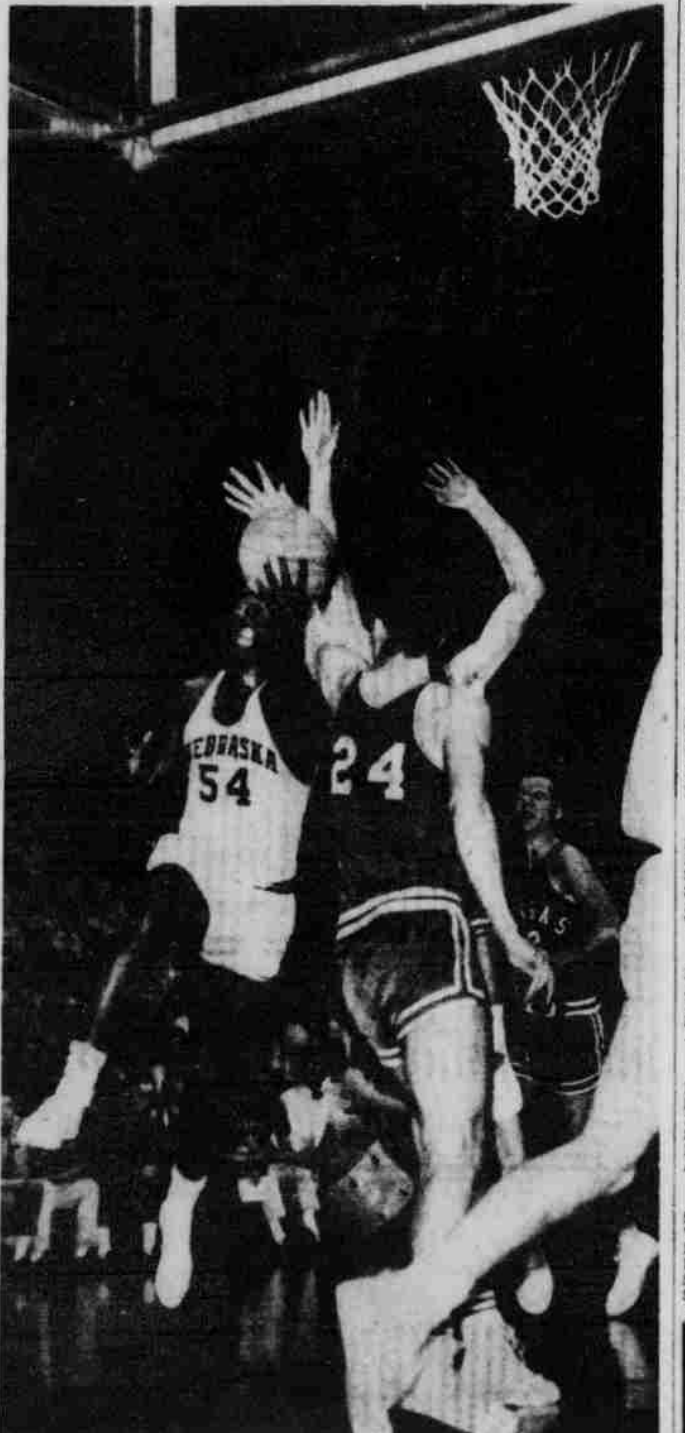

By doing a minimum of reaching and slapping for the ball the Jayhawks committed an unbelievable total of only five personal fouls.

High scorer of the night was Jayhawk George Unseld who had nearly half of the Kansas scores with 29.

NU was led by Jones with 18. Next in line was Coley Webb with 11 and Yates with 10.

The thing that kept the Huskers in contention was their rebounding. NU pulled down 46 rebounds compared with 29 for the Jayhawks.

Table with columns for player names, points, rebounds, assists, and fouls for both Kansas and Nebraska.

TWO MORE POINTS—Charlie Jones drives past Jayhawker Steve Renko for part of his 18 points which led the Husker attack Monday night.

Thinclads Need Field Points To Defend Indoor Crown

Editor's note: This is the first of two articles dealing with the Big Eight Indoor Track Championships. This article takes up the field events while tomorrow performances on the track will be compared.

By Peggy Speece Assistant Sports Editor Nebraska will be rated as a second place contender behind Missouri as the Big Eight Indoor Championships open in Kansas City this Friday.

Perennially weak in the field events, Nebraska will have to improve last year's one point showing if they expect to have a shot at this year's crown. Last year, the Huskers won the title with Missouri taking second.

Missouri shapes up as the team to beat in the field. They own the best marks so far this season in both the shot put and the high jump.

Neuman lead in the shot with tosses of 55-11 1/2 and 55-3 1/2 respectively. Pushing them is Dick Inman of Oklahoma with a toss of 55-0.

Husker sophomore Jim Beltzer has the fourth best mark in the conference. His 53-11 1/2 against Iowa State last Saturday moved him into the league leaders.

Missouri's other leader, Ross Tunnel in the high jump, has only a slim lead over the rest of the field. A Kansas duo of Tyce Smith at 6-8 3/4 and Charles Twiss at 6-8 1/4 are within 3/4 inch of Tunnel's 6-9 leap.

The high jump could be one of the most contested events. Oklahoma State's Russ Laverty has cleared 6-7 while three jumpers including Nebraska's Jack Cramer have gone 6-6.

In the pole vault, three men own marks of better than 15-0.

Floyd Manning of Kansas is the leader with a 15-8 1/2 mark. Second is OU's Jim Farrell with 15-6.

Missouri should pick up some more points in this event as Bill Younger is currently third with a 15-3 vault.

The broad jump is the only field event where the Tigers have no leaders. Two jumpers, Anthony Watson of Oklahoma and Vic Brooks of Nebraska, are over the 24-mark with jumps of 24-6 1/2 and 24-2 1/2 respectively.

Watson, who was a member of the 1960 Olympics team, was ineligible last year, and is trying to regain top form after a knee operation. If he can come through, Oklahoma will have an outside chance at the title.

Going by the form charts of the conference leaders, Missouri would pick up 19 points in the field while Nebraska would get only 6 1/2. This means the Huskers would, once again, be forced to go all out on the track.

Tigers Gene Crews and Bob

AMONG LEADERS—Jim Beltzer, sophomore shot putter, is among the Big 8 leaders in that department with a 53-11 1/2 effort last week.
