

# Greeks Up Average; Browning Leads

Elizabeth Barrett Browning Hall has the highest relative scholastic average for first semester this year, a 6.948.

The all university average was 5.366 compared to 5.523 for the fall semester last year. The all fraternity average was 5.410, while the all male average was 5.163. The all sorority average of 6.029 topped the all female average of 5.778. The all sorority-fraternity average was 5.667, a rise from the 5.635 average last school year.

The scholarship record broken down is:

## Masters Exhibit Talent, Diversity

Peterson

Bryan

Brownell

### Council, Admini Sponsor Program

University graduates from a wide area and diversity of professions will be represented in the 1964 Masters Program, under the joint sponsorship of Student Council and the University administration April 26-28.

Symbolic of this diversity are Harry Letton, Jr., Los Angeles, Calif., Val Peterson, Hastings, and Arthur Bryan, New York City. Letton is a lawyer and businessman, Peterson a politician and educator and Bryan an industrialist.

Letton is presently senior vice president and member of the board of the Southern California Gas Company. Prior to that he was assistant general counsel to the firm, attorney for Western Electric Company and the American Telephone and Telegraph Company, attorney for the Office of the Solicitor of the U.S. Department of Agriculture and undertook a private law practice.

Graduated with the highest scholastic average in his class, Letton was a member of Kappa Sigma fraternity and Phi Beta Kappa honorary. He studied two years at the University School of Law, where he was a member of Phi Delta Phi, law fraternity and received his L.L.B. from Harvard in 1937.

The Lettons have three daughters. Mrs. Letton was a member of the class of 1937.

Letton is a trustee of the University Foundation and one of the directors of the University Endowment Fund for Distinguished Teaching.

The University has a twofold claim to Val Peterson: he attended the University from 1931-33 and received his Masters degree in political science, and he has been a member of the Board of Regents since 1962.

Peterson, born in Oakland, was a Republican governor of Nebraska 1947-53, administrative assistant to the President 1953, administrator of the Federal Civil Defense Administration 1953-57, Ambassador to Denmark 1957-59, and senior advisor to the NATO Emergency Planning Commission, 1956-57.

In addition to his position as Regent, Peterson's education service includes teaching and coaching in Nebraska public schools 1925-30 and 1933-39. He was the publisher of the ELGIN REVIEW 1939-1946.

He married Elizabeth Pleak on June 6, 1929. He presently serves as vice-chairman of the board of the J. M. McDonald Company of Hastings.

Arthur Bryan served as vice president in charge of sales with the National Carbon Company until 1952. He then became vice president and general manager of consumer products until his elevation to president of the consumer products division in 1955.

Bryan graduated from the University in 1926 with a Bachelor of Science in electrical engineering. While at the University he was a member of Sigma Tau, honorary engineering fraternity.

Also returning to the University to participate in the Masters Program are Herbert Brownell, Jr., former attorney general of the United States, J. Kenneth Cozier, president of the Cozier Container Company, Robert Hardt, chairman of the board of the American Pharmaceutical Company; Merle Jones, president of Columbia Broadcasting System television stations; Edward Stanley, director of public affairs for the National Broadcasting Company; Allen Sutherland, senior vice president of the Security First National Bank; Samuel Waugh, former president of the Export-Import Bank and Dr. Ruth Leverton, United Nations lecturer in home economics to South and East Asia.

Dr. Leverton is the first woman master. Many of the other masters will be accompanied by their wives on the University visit.

## —Stromer: Drinking Topic—

# Discrimination Study Outlined

The Student Council committee on discrimination will attempt to complete a report on discrimination against University students before the end of this year, according to Dick Weill, chairman of the committee.

Weill expressed hope during yesterday's Student Council meeting that the committee could gather the necessary information.

**Public Issues Chairman** Tom Kort announced that Senator Marvin Stromer will conduct a forum on the liquor laws and the problems connected with it Monday in the Student Union.

Weill presented a three point "feasible plan" for the discrimination committee to use in conducting its study. He said that the investigation will cover discrimination against Negroes and foreign students and include background, statistics and statements from those who have come into contact with discrimination.

"By presenting this data, we could draw up a report which would need no recommendation, a report from which the Council could draw its own conclusions," said Weill.

John Lydiek, chairman of the Masters committee, announced the schedule for the 11 distinguished University graduates when they visit the University April 26-28. The Masters will visit living units, tour the campus, meet all interested students, visit classes and attend several receptions and the Honors Convocation April 28.

Each Master, said Lydiek, will be accompanied by a council associate, as well as a member of the Innocents and the Mortar Board Societies.

The Council also accepted, for a week's consideration, a series of revisions in the by-laws to the constitution presented by Mike Wiseman, chairman of the constitution-

### Ivy Sing Tryouts Scheduled Tonight

Men's Ivy Day sing tryouts will be held tonight, beginning at 7:30 p.m. in 234-235 Union.

Dr. Dale Ganz of the University music department and Ivan Caldwell of the Lincoln Public Schools will judge the tryouts and select from them twelve groups to compete in the annual men's Ivy Day sing sponsored by Kosmet Klub.

The houses' schedules have been set up by Jim Klimes, chairman.

Alpha Gamma Rho, 7:30 p.m.; Phi Delta Theta, 7:35 p.m.; Sigma Phi Epsilon, 7:40; Sigma Alpha Epsilon, 7:45; Alpha Tau Omega, 7:50; Theta Xi, 7:55; Delta Upsilon, 8 p.m.  
Phi Kappa Psi, 8:05; Phi Gamma Delta, 8:10; Delta Sigma Pi, 8:30; FarmHouse, 8:35; Sigma Chi, 8:40; Beta Theta Pi, 8:45; Delta Tau Delta, 8:50; Kappa Sigma, 8:55; Beta Sigma Psi, 9 p.m.; Sigma Nu, 9:05 p.m.

al reevaluation committee. The changes, Wiseman explained, will correspond to the by-laws to the constitution, which was recently revised to follow the Student Council model constitution.

The by-law revisions will be brought to the floor for discussion and vote at the next meeting.

Dick Weill, as chairman of the judiciary committee, explained the recent decision of the committee in overruling the proposed constitutional substitution. The action of his committee has been appealed to the activities committee of the Faculty Senate, he said, and a hearing will be held Friday afternoon to determine the fate of the changes.

Weill also said that the judiciary committee will meet Thursday to rule on the legality of the proposed amendment to give All University Fund (AUF) a Council representative.

### Candidates Must Meet

All Student Council candidates are required to attend or to send a representative to an orientation meeting today in 334 Student Union at 4:30 p.m.

### Five Seniors Are Soloists On Sunday

Five senior music students at the University will be featured performers Sunday with the University Symphony Orchestra.

The performance beginning at 4 p.m. in the Nebraska Union ballroom, is under the direction of Emanuel Wishnow, chairman of the department of music.

The senior soloists are selected by a vote of the senior class at the school of music and include George Eychner, on trumpet; Carol Copeland, violinist; Richard Spencer, drums; Shirley Nunn, soprano; and Mary Haight, piano.

The program: "Concerto for Trumpet in E-flat," by Haydn; "Concerto for Violin and Orchestra, Opus 77," by Brahms; "Dialogue for Brass Ensemble," by Beadell; the jewel song from "Faust," by Gounod; and "Variations on a Nursery Song, Opus 25," by Dohnanyi.

### Hopper-Resistant Plants Shown By Research

A number of alfalfa clones have shown resistance to potato leafhopper injury said Dr. J. L. Jarvis, entomologist with the Research Service of the United States Department of Agricultural station at the University.

Jarvis addressed a recent meeting of the North Central Branch of the Entomological Society of America.

The leafhoppers are not as much of a problem in Nebraska as in more humid eastern states, but are the cause of some damage here, said Jarvis.

The Council's action in approving this amendment was challenged Thursday by Ron being unconstitutional because it was passed after the required 28 day deadline for amendments.

Following Weill's announcements, President Dennis Christie outlined some of the provisions of the controversial constitution presented by John Klein. In answering a question from Bobby Kotecha about why the constitution was referred to the judiciary committee rather than the Council, Christie said that the Council as a whole has jurisdiction in a petition of that type and content.

In presenting the senators committee final report, Chairman Denny Swanstrom suggested that the Council enlist the help of other campus organizations in creating interest in the program, as well as contracting students and senators. He listed AUF, Young Republicans, Young Democrats and Builders as groups that could be helpful in that capacity.

Swanstrom recommended that participants take a more objective role in the Senators Program. "Last year the program was too subtle in what it tried to accomplish," he said. "Let's let them know: we want more money."

Gary Oye, chairman of the parking committee, told the Council that the parking situation should run smoothly next year. "Area Two might be tight, however," he added. Oye said that the University business office is presently working on a solution for the Area Two parking area, which accommodates the cars of on-campus students.

### Cobs Elect Kauk Prexy

Doyle Kauk was elected president of Corn Cobs Tuesday.

Vice president is Dennis Swanstrom; secretary, Fred Preston; and treasurer, Gary Oye.

Committee chairmen are Jim Jobman, Kernals with Gale Muller, assistant; Bob Miller, cards with Wayne Deter, assistant; Bob Pollard, rallies with Stu Jorda, assistant; John Baldwin, flowers with Jim Heise, assistant.

Dennis Wolf, homecoming with Clarke Steckley, assistant; Sam Baird, New Student Week with Dave Mazour, assistant; Bob Wilburn, publicity with Larry Anderson, assistant; Dave Ducey, aerial bomb with Larry Anderson, assistant; and Ron Snyder, Student Council representative.

## Georgi Phi Beta Kappa; 23 Named To Honorary

Dr. Carl Georgi, chairman of the department of microbiology was named an honorary member of Phi Beta Kappa at the joint PBK-Sigma Xi annual banquet last night.

Georgi joined the University staff in 1935 and is a pioneer in the investigation of bacteria which can live at high temperatures.

In recognition of his research work, he recently studied in France for a year as a Fulbright Research Scholar. He received his bachelor's, master's and Ph.D. degrees at the University of Wisconsin and was a Sterling Fellow at Yale in 1935.

PBK, which limits its membership to the top ranking scholars in the College of Arts and Sciences, also elected 23 new undergraduate and recently graduated students to membership. They are:

Dennis Christie, Regents' scholar majoring in English; James Davis, majoring in mathematics; Randall Dennison, a Regents' scholar majoring in zoology and physiology.

Mrs. Sally Fleischmann, a Regents' scholar majoring in psychology; David Garwood, Regents' scholar majoring in psychology; Maureen Frolk, a Regents' scholar with an accumulative grade point average of 8.6 majoring in English and French.

Sharon Jacobson, a Regents' scholar majoring in political science; Gary Iske, a Regents' scholar majoring in philosophy; Patrick Kelly, a National Merit and Regents' scholar with an 8.1 grade point average majoring in mathematics. Thomas Kotouc, holder of

Regents', Innocents, and Interfraternity Council scholarships, with an 8.4 grade point average majoring in history; Gary Pokorny, a Regents' scholar majoring in speech and English; Doris Muller, a Regents' and Nebraska Career Scholar majoring in German.

Carol McKinley, holder of a General Motors scholarship majoring in mathematics and physics; Karen Thompson, majoring in history; Charles Roberts, majoring in chemistry and mathematics.

Linda Reno, a Regents' scholar with an 8.1 grade point average majoring in English; Donald Kummer, a Regents' scholar majoring in physics and mathematics; Mrs. Constance Yost, a Regents' scholar majoring in English and Spanish.

Ann Williams, graduate from the University in February studying in Mexico; Ann Wahl, a Regents' scholar, holder of an Elk's "Most Valuable Student" award majoring in psychology; Carla Tortora, majoring in political science.

Felix Aburime, a graduate from the University in February who has returned to his home in Uromi, Nigeria; Samuel Moessner, majoring in chemistry and zoology; and Patricia Kinney, majoring in history and anthropology.

### Education Association To Elect Officers

The Student Education Association will elect state officers for the coming year at a convention at the University May 1-2.

The convention will include a general business meeting, discussions over "Nebraska Education Problems" and "The Role of the Profession in Legislation," and an address by Edwin Meyers, president of the National Student Education Association.

Steve Honey, present state president of the organization, said that any students in Teachers College that wish to

participate in the May 1 business meeting as an official delegate may make arrangements with chapter president Patty Edmiston. Fees for members will be paid by the local chapter, he said.

Those students and faculty members wishing to attend the May 2 discussions and speeches may obtain advance registration from Dr. Loren Bonneau, 409 Administration. Admission for the discussions is \$2.50.

The keynote speech of the convention will be delivered by Dr. Floyd Miller, state commissioner of education at

9 a.m. May 2. Other leaders, including student leaders, will lead and serve as consultants for the discussions.

### Pay Hike To Cipriano

Joe Cipriano, head basketball coach and Glenn Potter, assistant, were granted salary increases by the University of Nebraska Board of Regents Wednesday afternoon.

Cipriano received a \$500 raise to \$11,500 and Potter received a \$400 raise to \$7,000, both for the year April 1, 1964 to March 31, 1965.
