ISU Wins Three From Baseballers

Iowa State squeezed out a series sweep from Nebraska over the weekend. The three losses dropped the Huskers to last place in the conference with a 0-9 record.

In the single game played on Friday, Ron Douglas was charged with the loss in relief, as the Cyclones came from behind to win 4-3 in the ninth inning.

Trailing 3-1 in the seventh Nebraska came up with a run in that inning on two ISU errors and singles by pitcher Tom Larsen and Joe Gaughan.

The Huskers pushed across the tying run in the eighth when Gary Tunison doubled and scored as Iowa State shortstop Dick Olsen overthrew first base on John Roux's grounder.

Singles by Wendy Blankenburg, DeLon Thompson, and Jerry Retzlaff gave the Cyclones the winning tally in the ninth inning rally.

In the first game of the doubleheader Saturday the Huskers were shut out 4-0, but in the second game they mustered two runs in a 3-2 loss.

In the opener the Cyclones scored two runs in the first inning on a walk and two singles by Dick Lindgren and Jim Franey. Pitcher Al Closter tossed a four-hitter at the Huskers allowing only one man to reach third.

In the nightcap, shortstop Gary Blumenshine stole home with two out and the bases loaded to give the Iowans their sixth victory of the season.

Blumenshine got to first on a fielders choice and advanced when Nebraska made a play at second too late.

Al Tubbs sacrificed the two to third and a pinch hitter DeLon Thompson, drew a walk, loading the bases. After an infield grounder, Blumenshine raced home with the winning run.

Iowa State now has a 6-1 record, while the Huskers boast a 2-13. Next weekend Colorado visits Lincoln for

Unionizing—Stan Musial Will Speak Here Friday

With the knowledge that spring brings woodies that require more physical fitness than the average college student usually possesses, the Union has programmed an event that will benefit all who wish to expand their knowledge of physical fitness.

On Friday, Stan "the Man" Musial will speak in the Union Ballroom in conjunction with the President's Physical Fitness Program, and he will relate some of the experiences and knowledge that he has garnered from his many years in the big leagues.

Coming soon are folk-singers Joe and Eddy, whose top hit record "There's a Meeting Here Tonight" is still a favorite from campus to campus. They will present one show on May 14, make plans for it now.

55th Annual Drake Relays—

Mile Relay Shatters Record With Speedy 3:09.2 Time

By Peggy Speece Sports Editor Four determined Husker quarter milers combined to turn in a record shattering mile relay performance at the Drake Relays Saturday afternoon.

The race, a thrilling climax to an afternoon of great performances, brought the record crown of 18 thousand to their feet as they watched Nebraska nip Rice with a terrific 3:09.2 clocking. The old mark for the Drake Relays was 3:11.3 set by Texas in 1959.

Rice, the same team which beat Nebraska by a whisker at the Kansas Relays a week ago, was trying very hard to win Saturday as that would have given them the three big wins of midwestern track. Texas, Kansas and Drake Relays.

It was a dual between the two anchor men, Nebraska's sophomore sensation, Dave Crook, and Rice's Jim Ellington for the entire last quarter mile of the event. Crook overhauled Ellington with about

250 yards to go but rounding the final turn, Ellington pulled abreast of Crook. However, the plucky Bellevue product was determined not to let Ellington beat him at the tape the way he had at Kansas. This time the situation reversed as Crook crossed the finish line just an instant before the Rice runner.

Crook's time for his leg of the race was an outstanding :46.3.

Dick Strand opened for the Husker team with a :48.6 leg. Gil Gebo took the baton and kept the Huskers in the race with a :47.1 quarter. For the third quarter Kent McCloughan was timed in :47.2.

The Husker 3:09.2 is not only the best time ever posted by a Big Eight team in any meet, but stands as one of the leading times in the nation this season.

Nebraskans fared well in other events, too. Sophomore Lynn Heady placed third in the 100-yard dash which saw the first three places all clocked in :09.5.

Headley had never run better than :09.7 before. A tumbling dive at the tape nearly gave him the win but judges ruled that Illinois' Trenton Jackson and Oklahoma's Anthony Watson crossed the tape ahead of the Nebraska sprinter.

Victor Brooks broke the Nebraska varsity record in the triple jump, yet finished third in a tough Drake field. Brooks' leap was 49-2 1/4, nearly two feet beyond the Nebraska record. Arizona's Gayle Hopkins won the jump with a record breaking leap of 51-8.

Hopkins also won the broad jump with a jump of 26-2. This jump set a new Drake record and broke the oldest mark on the books for the Relays. The old record of 26-1 3/4 was set by the great Jesse Owens in 1935.

Brooks was second to Hopkins in the broad jump with a leap of 24-4 1/2.

Jack Cramer of Nebraska tied for fifth in the high jump with a mark of 6-4 1/2.

Nebraska's spring medley turned in the disappointing performance for the Huskers in an invitational event run on Friday. The Huskers won the event handily at Kansas but came in dead last at Drake as anchor man Gebo blew a lead handed to him by teammates Crook, Headley and McCloughan.

Ray Stevens, former Nebraska miler, failed to place in the special mile run. Tom O'Hara, Loyola's distance ace, won handily in 4:01.

The Big Eight conference had a good day at Drake. Along with Nebraska's new record, Missouri set records in the pole vault and the two mile relay. Bill Youngner sailed 15-9 1/4 for the vault mark and the Tiger two mile relay spun 8 seconds off the old mark as they toured the course in 7:20.6. This time is just one and sixth tenths seconds off the world record.

Next week the Huskers entertain the Colorado Buffaloes in a dual here in Lincoln.

Subs Humble 'Complacent' Red Unit; Scoring Binge Sees 8 Touchdowns

A complacent Red team got its rose-colored glasses knocked off Saturday morning, as the White jerseys rolled over them, eight touchdowns to two, in the scrimmage.

Led by Doug Tucker's No. 2 unit, the victorious Whites also had Bob Church's third team and Steve Gunter's third team.

The Red squad, heretofore invulnerable, consisted of Fred Duda's first team, Wayne Weber's fourth unit, and Henry Wood's fifth unit.

The Whites started right in with the romp as Ron Poggenmeyer went 43 yards to pay dirt on a trap play. The next

score came after a 71 yard pass play to Bill Haug, which terminated on the one-yard line. Joe McNulty, a standout all spring, then crashed over with the score.

Defensively for the Whites, Laverne Allers, recently promoted to Tucker's unit, intercepted a Dua pass and ran it back 47 yards for another TD.

The Reds salvaged a complete disaster by scoring on a pass from Woods to Richard Matlock against the Gunter defense. The other score came when Tony Jeter blocked a punt on the 10 yard line and recovered it in the end zone.

Bob Church had his best day so far in spring scrimmages as he passed for two touchdowns and ran for one himself.

Against the Weber team, Church passed 61 yards to Kirkland and ran 20 yards for another.

Then going against Woods' team, he passed 65 yards to Langston Coleman for a six-point after handing off to Pete Tatman for another tally from a yard away.

Coach Bob Devaney wasn't too pleased with the playing of the Red team, but he did have a few words of praise for the White unit. "That White bunch did a real good job out there. I think that first bunch—that word com-

placent we use now and then seemed to fit them. They relaxed and enjoyed themselves."

"We've just got a few guys that didn't seem to give us the effort they should have. But you've got to give credit to the other unit."

Although no word was given on changes, either individual or unit-wise, several might be made following the viewing of the films later in the week.

If the films agree with the coaching staff, then Richard Czap, Mike Grace, and Dennis Carlson from the line and backs Ron Kirkland, Harry Wilson and Pete Tatman could be moving up.
