Baseballers Win Pair From K-State

The Husker baseballers almost pulled themselves out of the Big Eight cellar by winning the rubber of a series with Kansas State over the weekend.

Friday's doubleheader saw the two teams split with K-State winning the first 16-10, and Nebraska taking the second 7-3.

Bob Hergenrader pitched a two-hit shutout Saturday as the Huskers squeezed out a 1-0 victory.

High winds hampered both teams pitching in the doubleheader as they produced a total of 39 hits and 36 runs.

George Landgren relieved the Husker's second pitcher Bob Witte in the opener, and he also relieved in the nightcap to gain the victory there. Witte was the loser, while Al Boite went all the way for K-State in the opener.

Ken Aiken had four hits in five tries, including two doubles, scored three runs and drove in another to lead K-State's 12-hit attack in the opener.

Charlie Farmer and Ed Avery each had three RBIs for the Wildcats. Gary Tunison had three hits for Nebraska, including a bases-empty homer.

In the second game which Landgren won in relief, Randy Harris went 3-for-3. When Landgren came in to relieve in the fourth inning he extinguished the Wildcats' hopes by striking out the side with men on base.

Ron Wilson had a solo homer and two singles for the Kansas; Bob Stauch was the starter and loser for K-State.

The wind ran as high as 50-55 mph during the game according to the Manhattan airport.

The third game was all Hergenrader as the sophomore pitcher threw ten hitless innings at the Wildcats before Sam Somerhalder, from Minden, Nebraska, led off the bottom of the eleventh with a booming triple off the center field wall.

The hit failed to rattle Hergenrader as he retired the side with Somerhalder dying on third.

However, the Huskers were having just as much trouble scoring off K-State's Jerry Frasier.

Finally in the top of the twelfth catcher Larry Borneschlegel led off with a single and stole second after an attempt to sacrifice him there failed.

Ron Douglas then stepped to the platter with two out and lashed a single through the infield to score Borneschlegel from second with turned out to be the winning run.

Hergenrader struck out 18 men, walked only five, and registered his first shutout of the season.

The win put the Huskers only half a game out of seventh place with a 4-1 record while the Wildcats stayed in seventh with a 3-9 mark.

Next weekend the Huskers go tiger-hunting at Columbia, Missouri.

MU Easily Outdistances Husker Thinclads 84-61

A fine Missouri track club, who promises to be in the thick of next week's Big Eight meet downed Nebraska 84-61 Saturday morning in Columbia.

Despite outstanding performances by Husker Kent McCloughan the Nebraskans could not even pick up points in events they were expected to.

McCloughan raced to victories in the 220 and the 100 yard dashes and ran legs on the winning 440 and mile relay teams.

In the 100, the runners took off and then seemed to float back as they believed a false start had occurred. Then McCloughan, realizing the recall gun had not been sounded, shot forward. McCloughan's time was :09.7, in the 100 and he raced to a :21.2 win in the 220.

The only Nebraskan to break a meet record was Victor Brooks who leaped to 46-11 1/4 in the triple jump to break his own meet record of 45-10 set last year.

However, Brooks disappointed in the broad jump by going only 21-11 for a third place. First in the broad jump was Missouri's B. J. Bonta with a 22-10 1/4 leap and the Huskers' Juris Jesifers took second place.

The Missourians took 11 firsts and cracked five records enroute to their victory.

The Tigers were paced by Robin Lingle who scored no less than three wins. He won the 880 in 1:51.2 for a new meet record, he took the mile in 4:16.9 and then came back to win the three mile in 14:49.9.

Other big point getters for the Tigers were big Bob Neuman who broke a record in the discus and came in second in the shot and the Ron Peters who had a busy day as he won the 330 yard intermediate hurdles and came in second in the 120 yard highs and second in the triple jump.

In addition to the firsts garnered by McCloughan and Brooks and the two relays,

the Huskers' Dave Crook came through with an easy victory in the 440 yard dash. Dick Strand was third for Nebraska.

The Nebraska relays won handily although the 440 quartet of Brooks, Lynn Headley, Crook, and McCloughan received an extra boost when Missouri had a bad third exchange.

The mile relay saw the Tigers false start twice, thereby automatically giving Nebraska the win although the race was run anyway. Nebraska breezed through in a time of 3:17.9. Running was the top Husker crew of Strand, George B. McCloughan, and Crook.

All roads lead to Stillwater, Okla. next weekend as the Big Eight Outdoor Championships will be held on May 15-16.

Soccer Team Wins Over Creighton U.

Nebraska's People to People soccer team wound up the year with a 5-1 win over Creighton University's team yesterday afternoon.

Scoring for the Nebraskans were Erwin Adderley, who led with three goals, Carlos Blondet who scored a goal and Santiago Rodriguez who scored won.

Creighton drew first blood but were able to score just the once. The half ended 4-1 in favor of Nebraska and it was Nebraska's game from there on out.

Coach Louis Molnar was pleased with the playing of his team. He explained that due to work and class schedules the team has never altogether for a practice so it is hard to tell how they might work together in a game.

Molnar indicated that the team is already lining up games for next fall. The Iowa State University team has invited the Husker squad to Ames to play a match the day of the Cyclones Homecoming. Molnar also said that plans are underway to form some sort of soccer league for this area.

Sophs Sparkle In Final Contest

It was sophomore night at Seacrest Field Saturday as the Whites upset the Reds by a score of 24 to 15.

The Whites were composed mainly of next year's sophomores, and they showed they're going to be tough by taking the opening kick-off and marching for a touchdown and remaining in command throughout the rest of the game.

The Whites weren't always against the top varsity unit however, as Coach Bob Devaney wanted to give youth a chance to compete against Wayne Weber's crew against the Whites also.

The Whites were leading at halftime by a score of 17-7, and then made it 23-7 after 2 1/2 minutes in the third period.

The third period touchdown came on a two-yard run by Joe McNulty topping off a good showing all-around in the spring drills. McNulty had set up the play with a 66-yard run after appearing to be trapped on the 32.

Duncan Drum converted to climax a good kicking night for him with two PAT's and a 15-yard field goal. Following this Webertossed

and 87-yard pass play to former high school teammate Tom Smith for the Reds' flashiest score of the evening.

Despite the usual raggedness of spring games there were some bright spots for next fall. The end position with Tony Jeter, Bill Haug, Chuck Doepke, Freeman White, Langston Coleman, Mike Grace, and Tom Smith looks exceptionally bright.

The quarterbacks headed by cool Fred Duda, Bob Churchich, Wayne Weber and Doug Tucker are an extremely promising crew. With the possible exception of Duda, however, the group lacks seasoning and consistency.

The score is not totally indicative of the relative strengths of the two teams as the Reds were playing without Bob Hohn and Kent McCloughan.

The Reds had many chances to score in the first half, but they could never seem to get going except once.

Carel Stith recovered a fumble by Larry Wachholtz on the White 15. In four plays the Reds had scored with Bob Weiman totting the skin across

the goal line from the three, after Weiman had carried it to the three just before that. The other seven yards came on a five-yard pass from Wayne Weber to Ron Poggemeyer and a two-yard run by Ted Vactor.

Bill Johnson converted to make it 7-7 with 14:38 to play in the half. The first White touchdown came after the opening kickoff with Pete Tatman climaxing a 63-yard drive by plunging over from the two.

Kaye Carstens, Harry Wilson and Churchich ate up the yardage in this 63 yards with colorful runs.

Their next score came after the game was tied 7-7 as Henry Woods threw a 75-yard touchdown pass to soph Langston Coleman. Drum converted.

Drum's field goal came five seconds before the finish of the half after Doug Tucker had set it up with a 53-yard pass to Pat Kirby.

Devaney tabbed sophomore Harry Wilson, after the game, as "probably as outstanding as anyone on the field." He also noted that Churchich has been more consistent than Weber.

Big Eight Teams Wind Up Drills

Three other Big Eight schools besides Nebraska wound up their spring training sessions Saturday with various scrimmages.

Iowa State and Kansas both had intra-squad games while Colorado participated in an Alum-Varsity game.

At Lawrenceville, the Blues defeated the Whites 9-6 before 2,500 persons. The Jayhawks have a number of big young linemen, some of whom moved into the spotlight for the first time during spring drills. They looked good. Tackling, pursuit, and pass defense all stood out.

victory in the fourth period to defeat the Varsity before a crowd of 10,000.

The hard-hitting contest saw the Alums move 85 yards to score after stopping a varsity drive at their 15 as this third period ended.

The passing combination of quarterback Frank Montero and end Gary Knafelc hit paydirt on the fourth throw from the Varsity 11-yard line.

The Varsity scored its touchdown in the first period when George Lewark, freshman, intercepted an Alumni pass and ran it back 82 yards.
