AN OPEN LETTER FROM THE BOARD OF DIRECTORS TO THE EDUCATORS OF NEBRASKA

"Teachers are good insurance risks"

How familiar is the assertion, and how true! The integrity, temperance and high moral value of the Teachers of Nebraska have long been the source of pride to the profession. These same values will enable your Teachers Insurance Company to write lower net cost coverage.

Educators Security Insurance Company exists for the purpose of supplying low cost protection to the Educators of Nebraska and surrounding states who have long desired a life insurance company controlled by their own Board of Directors. Since the teacher is a good moral risk they can make lower insurance rates

A SERVICE PROGRAM FOR EDUCATORS

Realizing that members of the Teaching profession have long been entitled to their own teacher insurance program for many valid reasons, a group of prominent Nebraska Educators have agreed to serve on the Board of Directors of this Company to safeguard the ideals and principles upon which such an institution should be operated.

possible and at the same time pay a higher average return to investors.

The extent of the market for reasonable rated insurance policies of all lines for teachers is unlimited.

The Company is managed by Educators of Nebraska. The Board of Directors are familiar to you as professionals, teachers and friends. Benefits in the form of dividends can be paid to stockholders.

Similar plans are being successfully operated in other states and without exception are showing increasing benefits to Teacher-stockholders.

We recognize the fact that it will take the whole-hearted support of the school people of our state to bring about the establishment of a sound dignified insurance institution that will function primarily for their welfare. We strongly feel that it is a compliment to the integrity and standing of the Teachers and School administration in our State that such an opportunity is being offered to us.

Being an Educator, we invite you to participate in the program and its accompanying benefits.
