Quiz Bowl To Use Two Question Sets

There will be only two sets of questions for Quiz Bowl tomorrow night, compared with the three sets last week, according to Larry Johnson, Quiz Bowl publicity chairman.

This will mean that the first six teams of the evening will have to check in at the same time, and those not starting at 7 p.m. will have to remain in isolation until their matches are played.

Johnson said that this arrangement is only temporary, and there will be three sets of questions again next week.

The six teams in the first set must be present at 7 p.m. In this set, The Goats will meet Fedde Hall at 7; Delta Gamma I will meet Theta Chi I at 7:25; and Tower Titans will meet Beta Theta Pi I at 7:50.

In the second set all the teams must check in at 8:15 p.m. Playing in this set will be The Pups v. Sigma Alpha Mu at 8:15; Alpha Gamma Sigma II meeting Kappa Theta I at 8:40; and Kappa Kappa Gamma meeting IBT's at 9:05.
