

# Devaney Happy... Tigers 'Spooked'

By Bob Samuelson  
Nebraska's Cornhuskers showed once again that they are able to take advantage of breaks.  
In one of the best played games to be played in Memorial stadium for some time, Devaney's Determined Demons out-fought Missouri's Tigers 9-0.

Kent McCloughan, the Custer County comet, again came up with two vaudeville plays which, along with the Langston Coleman-engineered safety, provided the winning im-

petus in an otherwise stale-mated game.

McCloughan recovered a Bob Churchich fumble late in the third period when it appeared that Churchich was trapped for a big loss and then fumbled. Showing a bit of quick thinking, McCloughan scooped up the ball, ran toward the east side of the field and ended up turning the play into an eight-yard gain.

Coach Dan Devine of the Tigers said after the game that this was the turning point of the game. After the Huskers were stopped by a close measurement from a first and ten on that series which ended six inches short on the Missouri 12.

Missouri took control of the ball, and on the second down, he faded back to pass. Langston Coleman rushed hard from the right end position and through Lane into the end zone for the safety and

the first points scored in the game.

The insurance came on a remarkable second effort by Churchich. The Husker quarterback, who had sat the first half on the bench because of an ankle injury, faded back for a pass on the Missouri 37.

He appeared to have been caught by a Tiger back on the 45, but he wheeled free and let go with a pass intended for Harry Wilson. It never got that far.

Kent McCloughan again was where he was needed, and picked off the pass. In one of the most determined efforts of running that has graced Memorial Stadium's colorful history, Kent cut to his right, eluded two tacklers, got a

block from Chuck Doepke, poured on the coals, got a tremendous block from All-America candidate Larry Kramer, turned the corner, raced toward the goal line, and landed in the end-zone after being air-borne for the last five yards.

Too much credit cannot be given to the Black Shirts. Mike Grace did a Herculean job on defense until he was injured. Mike will be lost for the season with a knee injury. He was credited with seven tackles and assists before he was lost, and was on his way to playing another in the long line of fine defensive games.

Bernie McGinn again (sic) played an outstanding game, getting two tackles and seven assists, and Ted Vactor was all over the field, winding up with four tackles, nine assists, and one interception.

## Husker Harriers Race To 21-34 Win

Missouri came out second in all athletic contests Saturday.

Not only did the Huskers batter to a 9-0 football win, but the cross country team ran a 21-34 victory over the Tiger harriers.

Other contests saw the Nebraska Navy ROTC beat the Missouri units in basketball

and riflery.  
The cross country meet, run on the course adjacent to Seacrest Field, was never much of a contest.

Tiger Robin Lingle easily took individual honors in a time of 15:36.5. But the Huskers sewed up the next four places.

Senior Larry Toothaker led

the Nebraskans by placing second over the three-mile course in a time of 15:50.6.
