

# Cagers Falter To Sixth

## KSU Wins 79-67

### Spears Grabs 22 Rebounds

By James Pearce

Kansas State atoned for an earlier loss at the hands of Nebraska, and took fifth place conference tie from the Huskers Monday night, 79-67.

The Wildcat win was their first on the road this year, and eased them up to share sixth position with Nebraska in the Big 8. Both teams finished the chase for the flag with 5 and 9 marks.

Facing a tall, tight zone defense in the first half, Nebraska was not able to find an effective offensive weapon. The Huskers stayed close at the outset with their own defensive work, and the fact that K-State went to playing slow, pattern basketball.

Having knotted the score at nine apiece after almost seven minutes had elapsed in the opening period, NU's disjointed offense somehow managed to taper off from their slow start.

During the next eight minutes the Scarlet and Cream bagged only four goals, as Jeff Simons pushed K-State out to a 29-19 advantage.

Only a slim 32% of Nebraska's field attempts found the cords in the first half. On the opposite end, the Wildcats enjoyed a 43% performance on just one more attempt. They led 40-27 at the intermission.

Coach Cipriano's team came out of the dressing room to collect four quick baskets and press the issue as they drew close at 41-34.

It was within these few initial second-half minutes that the Huskers displayed shades of the fine court play that has characterized their late season rise. The press brought Wildcat errors, there was sound scoring from Webb and Hare, and Spears was up on the boards and hawking the ball as K-State sought to feed big Roy Smith.

However, strategic timeouts called by Coach Tex Winter kept the game in the Cat's corner long enough for the second-half nemesis to strike. With 11:41 to go and the score 53-47, K-State, the Huskers succumbed to their

second period drought. Not until the visitors had rolled up 11 straight points did Nebraska score again, and it was four minutes after that one before another fielder was rung up for NU.

It made little difference who shot or from where, the ball wouldn't drop. It made little difference what Coach Cipriano tried (from time-outs to substitutes), nothing could stand up to the haunting, habitual dry spell. Sloppy floor play typified this section of the game.

When Nebraska did begin to hit with some consistency, there was but 3:15 to go, and K-State commanded the action 73-54.

The Huskers wrapped up the night with a 34% field total (26 for 77). The Wildcats ripped the mesh for 47% on 31 of 66.

All five K-State starters recorded double figure scoring. Little Denny Berkholtz led the way with 19. Simons had 17, Smith 16, Sammy Robinson 13, and Dick Barnard 10. Willie Campbell played one of his best all-around games of the year, and finished as high Husker with 16 points. Fred Hare came off the bench to contribute 15 markers and 17 rebounds. Like Nate Branch, who hit his average of ten points and Grant Simons, Hare did not look sharp in his role.

Senior Jerry Spears collected eight points. More important was Spears' floor work. He hustled off the amazing total of 22 big rebounds to lead both clubs in that department. He also did a creditable job working around 6' 10" Smith, and can hang up his uniform with pride.

## Garners "C" Crown

By Bob Gibson

Sigma Phi Epsilon "C" downed Beta Theta Pi "C" for the third time this season to capture their third straight "C" championship Monday night.

The Sig Eps height was too much for the Betas and was the main strength which enabled them to garner the trophy for the third consecutive year.

The Betas pumped out to an early three point lead after the first quarter, but felt the pressure of fewer rebounds in the second quarter.

Then the Sig Eps used their rebounding to set up their offense effectively. Jim Adams their outstanding playmaker

worked the ball for good shots and many driving layups to pile up a six point lead at the intermission.

Phi Kappa Psi "A" unloaded their hot shooting offense Monday against Sigma Nu "A" for a 63-45 win.

The Phi Psis needed a sharp defense too, to stop the highly touted Sigma Nu shooting duo of Bob Witte and Bill Zusan.

The Phi Psis rose to the occasion as Witte and Zusan were forced to take an excessive number of long outside shots and many went awry.

Canfield beat Hitchcock 57-41 in a game played last Friday. They led all the way and had three men in double fig-

ures; John Ellison was tops with 18. Denny Richnafsky and Jerry Patton each had 11. Kaye Carstens and Dean Beck pushed in 13 apiece for Hitchcock.

Governor's downed Custer in another Friday game 44-35. Dave Oliver scored 16 and John Concklin pushed in 10 for the winners. Jim Phillips scored 17 and Steve Nelson scored 10 for the losers.

Burnett's footballers scored a 59-55 overtime victory over Canfield in a game played Saturday. Freeman White had 16 points, Ted Vactor 13, Harry Wilson 11, and Bob Sall 12 all for Burnett. John Ellison starred for Canfield with 25 points.

## Swimmer's Season

### Comes To Close

The Nebraska swimming season is completed with the recent fourth place finish in the Big Eight Swim meet.

Coach Dick Klaas was pleased with his boys' showing even though they placed lower than in each of the two previous years.

Klaas said that many of the swimmers performed at their peak, with Taylor Withrow, Dave Frank, and John Burchill swimming their career bests, and four varsity marks being set.

Tom Nickerson had a 19:05.4 mark in the 1650 yard free; and a 1:51.9 mark in the 200 free for new varsity marks.

Mike Jackson tied the Big Eight mark in the 200 yard breaststroke with a fine 2:20.7 timing.

# Ford Motor Company is:

## responsibility

Stephen Jaeger  
B.B.A., Univ. of Pittsburgh

A key dimension of any job is the responsibility involved. Graduates who join Ford Motor Company find the opportunity to accept responsibility early in their careers. The earlier the better. However, we know the transition from the academic world to the business world requires training. Scholastic achievements must be complemented by a solid understanding of the practical, day-to-day aspects of the business. That is the most direct route to accomplishment.

Stephen Jaeger, of the Ford Division's Milwaukee District Sales Office, is a good example of how it works. His first assignment, in January, 1963,

was in the Administrative Department where he had the opportunity to become familiar with procedures and communications between dealerships and the District Office. In four months he moved ahead to the Sales Planning and Analysis Department as an analyst. He studied dealerships in terms of sales history, market penetration and potentials, and model mix. This information was then incorporated into master plans for the District. In March, 1964, he was promoted to Zone Manager—working directly with 19 dealers as a consultant on all phases of their complex operations. This involves such areas as sales, finance, advertising, customer relations and business management. Responsible job? You bet it is—especially for a man not yet 25 years old. Over one million dollars in retail sales, annually, are involved in just one dealership Steve contacts.

As a growth company in a growth industry, Ford Motor Company offers an exceptionally wide spectrum of job opportunities. The chances are good that openings exist in your field of interest. See our representative when he visits your campus. We are looking for men who want responsibility—and will be ready for it when it comes.
