I love a man in Van Heusen "417"

I'm real keen on his lean swingy physique and the spare, pared-down flattery that "V-Taper" fit adds to it. Can't get my eyes off the great way he looks, either in a traditional Button-Down or spiffy Snap-Tab. And in those Van Heusen spring weaves and colors... those short-cut sleeves, my man's got it made!
