The IFYE program, which provides young people with the opportunity to live and work with another family in another country is completing its 17th year. Nebraska was one of the first states to participate in the program and has continuously taken part since its beginning in 1948. The program in Nebraska is sponsored by Gold's of Nebraska, Nebraska Rural Youth, University 4-H Club and county 4-H members and interested groups.

The program is conducted by the National 4-H Club Foundation in behalf of the Cooperative Extension Service of the U.S. Department of Agriculture and the state landgrant colleges and universities.
