

### Regents Approve Larger Stadium

Seating capacity up to 61,800 may make Memorial Stadium the biggest football arena in the Big Eight, by the opening game with Texas Christian next September.

At a meeting in Kearney the University Board of Regents authorized plans to be drawn to enlarge the stadium for the third time in three years.

In the Band Day encounter with Iowa State this year, the stadium held 54,125. If plans can be drawn which would approximate the long range plan established a year ago, stadium seating could exceed the 61,000 mark.

Approximately 10,000 permanent seats could be added, but it would not be a net gain as some corner bleachers could not be used.

The additional seats will be placed on either side of the new north end addition, making the stadium nearly a complete bowl.

# Nine-Point Scoring Spree Ices Game

By Jim Swartz  
Nebraskan Sports Editor  
Nebraska held off a closing bid by Texas last night to capture their fourth win of

the season and to keep their home winning streak intact. Texas had closed to three points with a little over three minutes remaining, 65-62, than slowed down the game to pick up the percentage shot.

In the three minutes that followed, however, the Huskers had raced to their widest margin of the game and scored up nine points while limiting the Longhorns to two.

Tom Baack started the fireworks as he stepped to the free throw line in a one-and-one situation and swished both of them to pull ahead by five points, 67-62.

After a quick turnover to the Huskers, the Longhorns were back on defense and had left Nate Branch under the basket alone, Branch picked up an easy two and the Huskers went ahead 69-62.

The Longhorns again made the regrettable mistake of fouling Baack, after 1st night he is a perfect 21 for 21 at the charity stripe, and he potted two more to run the score to 71-62.

After picking up two points in a scramble the Longhorns left Baack alone under the basket and the sophomore added two more to the Husker total.

The Texas team was n't

about to give up though, as their next shot went wild and was picked off by Stuart Lantz, the sophomore jump-

"Texas was tougher than they should have been," summarized Coach Joe Cipriano as he looked back over his team's victory over Texas.

"We made a lot of mistakes and our defense wasn't good." He continued that "Texas is a fine shooting team and we have got to improve on defense."

Nebraska's main trouble he noted was that "we didn't move the ball on the fast break as I would have liked to, there was too much dribbling. . . Texas hurt us from the outside. . . the press lacked the edge of Campbell. . . Texas was a well-balanced scoring team. . . the game plan was adjusted to play more offense and to run more."

der the boards, picking off 13 rebounds.

The 4,800 fans that had gathered at the Coliseum saw the Huskers jump to an early lead after Lantz had got the jump and Branch scored with 19:27 to go in the half. Four minutes later though, the Longhorns came back in the game and took the lead from the Huskers.

After a see-saw battle for the lead, the Huskers held a slim two-point margin when the gun sounded for the half. The widest margin the Huskers were able to claim was six-points after Nebraska's press and the defensive work of Grant Simmons caused two quick Longhorn turnovers.

The Huskers managed to put the game on the ice in the closing minutes, after the nine-point scoring streak and take their fourth victory on

an 11 point margin in to the gun.

Four of the starters finished in double figures. Branch led with 19, followed by Lantz and Simmons with 17 and Baack finished with 14, six in the last three minutes.

Junior letterman Willie Campbell was forced to sit out the game, due to a severe sprained ankle suffered in the last minute of the California game.

The next home game for the cagers will be Sat., Dec. 18 when they are matched with South Dakota.

## Devaney's Recruiting Plays Major Part Of Success

Nebraska coach Bob Devaney never failed to credit his predecessor, Bill Jennings, with leaving behind a fine supply of football players when Devaney took over in 1962.

Included in the group of Cornhuskers present when Devaney arrived were such greats as All America guard Bob Brown, and All Big 8 performers Dennis Clardige, John Kirby, Lloyd Voss and a host of others.

But while Coach Devaney

and his staff inherited some fine players, they deserve a 21-gun salute for their first recruiting job at Nebraska. In fact, it will take some real doing to match the performance recorded by the 1962 Nebraska Freshman team graduates.

There were 63 players on that first Devaney Fresh club, and here's the record to date: —24 members are on the 1965 Big 8 championship team which will play Alabama in

honors (Walt Barnes, Dennis Carlson, Mike Kennedy, Frank Solich, Freeman White, Tony Jeter, Ted Vactor).

—During their three-years of varsity play, Nebraska posted a record during the regular seasons of 28-2-0, with marks of 9-1 9-1 and 10-0.

—All told, 14 members of Devaney's first recruiting effort served as starters during the 1965 seasons, Nebraska's first unbeaten campaign in 50 years (Fred Duda, Dennis Carlson, Dick Czap, Kelly Petersen, LaVerne Allers, Walt Barnes, Frank Solich, Freeman White, Tony Jeter, Lynn Senkbeil, Bill Haug, Jim Brown, Mike Kennedy, Jim Osberg.)

Other members of the 1965 Huskers who started in 1962: Steve Schaefer (injured in 1963), Rick Coleman (letter), Ron Poggemeyer (letter), Mike Worley (letter), Larry Casey (letter), Gary Brichacek (letter), Mike Rudd (squadman).

Oh yes, the 1962 Fresh grads stand 1-1 in Bowl play—helping defeat Auburn, 13-7 in the 1964 Orange Bowl; losing 10-7 to Arkansas in the 1965 Cotton Bowl—and they'll be trying to finish 2-1 when they take on mighty Alabama in the Orange Bowl on New Year's Night.

### Gymnasts Win First Meet

Nebraska's gymnastics team opened the season on a successful note Saturday, with a victory over Fort Hays State College.

Coach Jake Geiers gymnasts were paced by junior Richard Beran, who scored in every event that he was entered, to outdistance Fort Hays 155.1 to 143.7.

The Huskers opened with a three-point team advantage in floor exercise and were never challenged the rest of the meet. Pat McGill placed first in floor exercise with 9.0, followed by Mike Ready and Beran, who placed third and fourth respectively.

In the side horse Jim Inness won the event with 7.55 and John Scheer placed second with 7.35. Beran placed fourth, to round out the scoring.

Ready was .6 of a point off the pace in the trampoline, to finish second. Jack McCoy tied for third.

Beran copped his first first-

place in the horizontal bar, winning with a 6.8. Scheer picked up third and was followed by Bruce Jones, who placed fourth.

Beran followed with another win in the side horse with a winning total of 9.45, followed by Ready who placed fourth. In the parallel bars Brean picked up his third straight first while Scheer and Allen Armstrong placed third and fourth respectively.

The Huskers swept the still rings, with Armstrong placing first, followed by Beran and Scheer, who placed second and third respectively.

The next meet for the gymnasts is Jan. 8 at Kansas State.

Nebraska's gridders arrived last night at Phoenix, Arizona for six days of practice. Coach Bob Devaney and his staff journeyed with 37 players and have scheduled two practices a day and one on the final day before they return to Lincoln Dec. 21.

The squad will leave Dec. 26 for Miami. All of their practices will be closed, with the possible exception of one.

The Orange Bowl, although three were sidelined by injury during the season.

—20 of them have earned from one to three letters during their varsity careers.

—Three earned All America honors (Walt Barnes, Tony Jeter, Freeman White).

—Eight earned All Big 8

### Meet Has New Twist

Simultaneous matches on two mats will be wrestling with a new twist next Friday night when Husker grapplers open their dual meet competition at home.

The varsity and freshman wrestlers will go against their Wildcat counterparts on different mats, in the Coliseum, the first time it has ever been tried at Nebraska.

Both schools have teams entered in this week's Great Plains Tournament, today and tomorrow at Pershing Auditorium.

### Gridders Boost State Centennial

Nebraska players will be doing their bit to promote the 1967 Centennial when they play Alabama in the Orange Bowl on New Year's Night.

On the front of every Cornhusker helmet will be the Centennial Seal.
