## Miss Guenzel Nominated

and that he has contributed a great deal to the University, his fraternity and just plain people in general.

DeMars was also praised for his part in the Kennedy Memorial Library and other civic projects. "DeMars lives in a big world," the letter states, "he enjoys everything."

The letter also notes that while some seniors stop contributing to school activities and the welfare of the school during their last year—"DeMars never has."

Scholastically the letter says that DeMars also deserves to be called an "Outstanding Nebraskan." The letter explains that DeMars has a high B average and is an officer in a political science honorary. "For some people one has to list achievements and honors, but for Cuz Guenzel all one has to do is know her to realize she deserves to be an Outstanding Nebraskan."

This is how the letter began which nominated Miss Guenzel, University senior, for Outstanding Nebraskan.

Frankness, quick thinking, cleverness and wit were all adjectives used in describing Miss Guenzel. The writer of her nomination said, "She is one of the few people who will tell you what she thinks and she is usually right."

Miss Guenzel does have activities and honors in every field for that is what one needs for proof, the letter stressed. Mortar Board, Pub Board, Builders executive board, Quiz Bowl chairman, student senator — all these were included in a list of Miss Guenzel's activities.

Scholastically, the letter stressed, "this girl is unbelievable." She is now taking a full University load not to mention correspondence courses. She has a solid A average and holds membership in many scholastic honoraries.

The letter noted that Miss Guenzel has also held many offices in her sorority, Kappa Kappa Gamma, and that she was chosen a countess of Ak-sar-ben in 1963.

## LITTLE MAN ON CAMPUS

"IT HAS BEEN CALLED TO MY ATTENTION, MR. PHILLIPSON, THAT YOU HAVE BEEN VERY OUTSPOKEN IN YOUR CRITICISM OF OUR SCHOOL POLICY ON CAMPUS ATTIRE."

## Andrews Elected IFC Committee Chairman

Interfraternity Council (IFC) Wednesday night elected Greg Andrews new Affairs Committee Chairman, replacing the outgoing chairman Gary Larsen.

The Affairs Committee Chairman coordinates interfraternity activities, including the Interfraternity-Panhellenic "No-In-U" dance, Greek Week in the spring, and other Greek activities.

The IFC also approved the addition of Section 7 of Article III to the IFC By-Laws.

The change would provide that if a man of at least second semester sophomore standing desires to pledge but does not have the required 2.0 average or its equivalent, "he is eligible for pledging if he has at least a 2.0 average or its equivalent for each of the past two consecutive semesters." Summer school would not count as a semester, but would be included in the two consecutive semester average.

The new section will be effective immediately.

An addition to IFC By-Laws, Article II, Section 4, defining dirty rush, was introduced at the meeting.

The addition defines "dirty rush" as "any untrue or derogatory comment or action directed, either by name or implication, at any fraternity or group of fraternities."

The addition also states that it "shall further be defined as any action taken, in a rushing situation, that may be deemed derogatory to the Greek system as a whole."

Discussion on the matter will be taken up at the next regular IFC meeting.

It was also announced that nomination for IFC President would be open at the first IFC meeting after vacation.

In other business, IFC President Buzz Madsen pointed out that today is the last day that a man can be pledged and still be initiated second semester.
