Buffs Lose Players

Buoyed by beautiful early-March weather, but beset by personnel losses, Colorado's baseball squad has a good jump on getting ready for the 1966 campaign.

Coach Frank Prentup's team is tentatively scheduled to open the season in Boulder March 29 against Regis before embarking on a spring vacation trip to Texas and Oklahoma.

Graduation wiped out the 1965 team's only .300 hitter and top pitcher, Adrian Mohr. But that was only the beginning of Prentup's personnel problems. Five more regulars, all expected back, have fallen by the wayside since last June—Catcher Don Sessions (signed with Phillies), Pitcher Jim Orr (lost last year of eligibility because of 10-semester rule), Thirdbaseman Dave Blomgren (dropped out of school last fall), and Shortstop George Lewark and Rightfielder Gary Bloom (became ineligible, scholastically, at the beginning of spring semester).

Two newcomers, big (6-4) sophomore lefthander Taylor Toomey and righthander Tim Scheibeler, in from Mesa College as a transfer, will have to come through if the Buffs are to be solid on the mound.

Grapplers Leave

Nebraska wrestling coach Orval Borgianni took a team of three wrestlers to the NCCA tournament in Ames, Iowa, Wednesday.

The meet will begin Thursday and last through Saturday.

The three Huskers traveling to the meet and their season records are: Carol Stith, heavyweight, (15-3-1) third in Big Eight; Rick Allgood, 130 pounds, (6-7); Jerry Landon 123 pounds, (6-12-1) fourth in Big Eight.

Five Husker Thinclads Lead Indoor Events

Five Nebraska trackmen recorded the fastest conference clockings in their individual events in a composite of the best Big Eight indoor performances this season.

Nebraska had a one-two finish in the 60-yard dash thanks to Charlie Greene and Lynn Headley. Greene tied the world's record in the 60 with a .05.9 clocking while Headley was tied with three other Big Eight performers for second place with a time of .06.1.

Ray Harvey had the best Big Eight performance in the 60-yard high hurdles and tied for first place in the 60-yard lows with teammate Lynn Headley and Bob Hanson of Kansas. Harvey copped the number one spot in the highs with a .07.2 and registered

.06.7 in the lows along with Headley and Hanson.

Husker Dave Crook beat out Steve Carson of Iowa State by .1 of a second in the 600-yard run. Crook's time was 1:09.2.

Peter Scett gave Nebraska the third place in the 1000-yard run with a time of 2:20.6. Nebraska's Jim Beltzer heaved the shot 57-5 to rank second among Big Eight shot putters in the indoor season. Gene Crews of Missouri had the best effort of 61-7 1/4.

A leap of 6-8 by Steve Krebs gave the Husker sophomore a tie for third with three other Big Eight performers in the high jump. Ron Tull of Oklahoma had the conference best of 6-10 1/2.

Nebraska's Orlando Martinez recorded the fifth best time in the mile run of 4:11.8.

Neibauer, Stickels To Start On Southern Baseball Tour

Coach Tony Sharpe has announced the starting line-ups for the Nebraska baseball team which opens its 1966 season March 28 in Houston, Tex.

The Huskers play both Houston University and Houston Baptist. Sharpe has split his squad for the dual games. Nebraska plays Houston University a total of four games and Houston Baptist three. Nebraska plays Houston University only on Tuesday, March 29.

Starting pitcher for the Houston University game will be Gary Neibauer, junior from Scottsbluff. Neibauer's 1965 record was 1-3, and he had an earned run average of 3.06. Mickey Zangari, Lincoln junior, will handle the relief duties.

Starting against Houston Baptist will be Bob Stickels, Hastings junior; Charles Green, Omaha sophomore will take relief chores.

Nebraska has been able to hold intra-squad games this year for the first time prior to the season openers with the spring weather. "We've been able to get a lot done this season with the fine

weather we had last week," said Sharpe. "The boys have been able to work on their timing in hitting last week."

Sharpe said that there have been no pre-season problems to speak of this year. "The only thing that worries me the condition of Bob Brand, our first baseman," said Sharpe. Brand suffered a small fracture in his index finger in practice last week and has not been up to capacity in workouts. "Brand was able to work out with us on Monday and his condition is better. We're counting on him in that first base slot, and we should know by Monday (28th) his condition," said Sharpe.

Twenty-three players will travel to Texas for the week-long trip which includes a double-header with Wichita State on April 2. Larry Bornschlegel, one of Nebraska's top hitters last season and now graduate assistant for Sharpe, is travelling with the team and will handle the coaching duties at Houston Baptist.

In announcing the line-ups for the two games on Monday Sharpe explained that the line-ups are for Monday's

games only, and there will be considerable shifting of players from team to team during the trip.

Nebraska leaves Saturday by chartered bus and will workout in Stillwater, Okla., that afternoon. The Huskers arrive in Houston on Sunday and will workout there Sunday afternoon.

KU's Hanson Lost For Year

Coach Bob Timmons has announced that Bob Hanson, a senior sprinter, has been lost to the Kansas varsity track team for the outdoor season. Hanson will undergo an operation on his right foot during the Easter spring vacation.

Hanson is one of the top sprinters and low hurdlers in the Big Eight Conference.

"This is a tough blow to us," Timmons said, but added, "Even worse, it's a hard break for Bob." The operation probably will end Hanson's track career.

This is your chance, Student #7026941. Drink Sprite and be somebody.

MR. BIG

Take heart. Take a dime. Then take a bottle of Sprite from the nearest pop machine.

Suddenly it's in your hand. Cold. Biting. Tart and tingling. You cackle fiendishly and rub your hands together. (You should; they're probably chilled to the bone by now.)

You tear off to a corner, alone, but within earshot of your fellows.

And then? And then? And then you unleash it. SPRITE! It fizzes! It roars! It bubbles with good cheer!

Heads turn. Whisperings. "Who's that strangely fascinating student with the arch smile. And what's in that curious green bottle that's making such a racket?"

And you've arrived! The distinctive taste and ebullient character of Sprite has set you apart. You're somebody, uh...uh, whoever-you-are.

Sprite
SPRITE. SO TART AND TINGLING, WE JUST COULDN'T KEEP IT QUIET.
