Ben Gregory... What next?

Huskies Behind '65 In Spring Practice

NU football coach Bob Devaney said Tuesday that his team is a little behind compared to this time last spring.

"We've tried a few more maneuvers and personnel switches," said Devaney.

"We're probably not quite as efficient as we were at this time last year.

The player who has been switched around the most is Uniontown Pa. junior Ben Gregory.

This spring he has also been used at fullback, and he saw action at left half Monday after left halfback Ron Kirkland suffered a hip pointer in Sunday's scrimmage.

"Kirkland has been injured about 30 percent of the time this spring," said Devaney.

"We have to have another top flight back at that position," Devaney indicated that the end spots are still causing some headaches.

Devaney said that sophomores-to-be Mike Wynn, left end, and Sherwin J. Armon, right end, are pushing some of the older men.

Dick Czup's replacement at a defensive tackle post, Jim McCord, has been doing a good job, according to Devaney.

The overall defensive picture appears a little bit stronger," he added. Czup has been sidelined for a week and a half with a sprained ankle.

Concerning the upcoming May 14th intra-squad game, Devaney offered that he has considered splitting the squad so that the first offensive and second defensive units are on one team and the second offense and first defense on the other.

Green pitched two innings after relieving Neibauer in the eighth on Friday, and then came in for Sticks Saturday and went 4-2-3 innings.

The Huskers came up with another injury against Missouri when rightfielder Chuck Rombach suffered a "charlie horse" Friday.

Nebraska's probable lineups for Friday's first game are:

1st base Bob Brand, 2nd base Randy Harris, short John Roux, 3rd base Bob Churchich, center Alex Walter, left Gary Tunnison, right Chuck Rombach, catcher Clayton Luther, pitcher Bob Hergenrader.

Nebraska's freshmen baseball team will host the Kansas State frosh in a double-header Saturday.

The Husker frosh won their first outing of the season last Friday beating John F. Kennedy College 9-0 in a nine-inning contest.

Nebraska's probable starters for Saturday's 12:00 game and their home towns are:

2nd base Bud Hunter, Omaha; 1st base Mike Churchich, Omaha; 3rd base Merrill McClatchey, Palisade.

Nebraska's record now stands at 6-6 after dropping two of three games to Missouri last weekend.

The Huskers won the opening game of the series with the Tigers, but then dropped the remaining two contests, just as they had done against Oklahoma State the week before.

"We win the first game and then I don't know what happens," said Sharpe.

Sharpe had praise for his pitchers in the Missouri series saying, "Hergenrader pitched the best he's pitched all year, and Charlie Green did some final relief pitching."

Starting Hurlers Named For Three Game Series

By Bob Flasnick

Nebraska journeys to Manhattan, Kan. this weekend for a three game series with Kansas State, currently second in the conference with a 7-4 record.

Hergenrader (1-3) is slated to hurl the opener of Friday's double-header with Neibauer (3-1) going in the second game.

Nebraska's record now stands at 6-6 after dropping two of three games to Missouri last weekend.

The Huskers won the opening game of the series with the Tigers, but then dropped the remaining two contests, just as they had done against Oklahoma State the week before.

Thinclads Wind Up Relays, Set Sights On Big 8 Title

Nebraska's track team starts setting its sights on the Big Eight track this week after a rousing finish to the relay circuit.

The Cornhuskers make the first of two jaunts to Missouri for a dual meet Saturday. A week later they'll be chasing the Conference title on the same Columbia cinders.

Coach Frank Sevigne will take a full crew to Missouri for dual work, after two weeks of specialties at the Kansas and Drake Relays.

The Cornhuskers wound up the 1966 Drake festival in a blaze of glory, with Dave Crook logging a blistering :45.8 to anchor the Scarlets to an upset mile relay victory in 3:09.9.

Ironically, the Huskers didn't even figure to qualify in the mile relay Friday afternoon.

The field was so tough and Sevigne was forced to put together a new lineup after a flop of sorts at Kansas.

He inserted hurdler Dave Kudron into the baton event, then switched Denny Walker to leadoff, and got two sub-:46 anchors from Crook.

Result: the first relay crown of the circuit. Walker with :47.7, Kudron :48.1, Les Hellbusch :48.3 and Crook :45.8.

With Husker Charlie Greene leaving a star-studded 100 field in the dust enroute to a wind-aided :09.3, Nebraska had a shot at a sensational day at Drake.

Nebraska was leading the Mizzou Players Sign With Pros

Seven Mizzou players from the Sugar Bowl championship squad now are headed for professional football tryouts this summer.

Latest to sign a free agent's contract is Monroe Phelps, the bespectacled spit end, who is the only ex-Tiger bound for the American Football league.

Other Mizzou signees and their affiliates: Francis Peay, New York Giants; John Roland, St. Louis Cardinals;

Perhaps the most impressive back in the Mizzou camp has been Barry Lischner, a 220-pound fullback.

It's been hard, he says, to evaluate progress, with top halfbacks like Charlie Brown, Earl Denny and Ray Thorpe excused from the drills.

Brown has been competing in track, Thorpe in baseball. Denny is restricted to sweat-suit conditioning, following a knee operation in January.

If the quarterback position is shaping up, what then is the most worrisome weakness?

"The tackles," Devine says, "where we've had to move Bill Powell over from guard, and may even make some other switches to ease the loss of four tough seniors."

"Powell is doing a good job there, adjusting well. We may take a look at Russ Washington as a defensive tackle, to see how he comes along there.

On offense, Mike Wempe is having a good sprint even though he has been bothered with minor injuries.

"I'm pleased with Sam Kahl as a linebacker, too. He came out of nowhere to prove himself when Bob Ziegler's injury and Rich Bernsen's illness eliminated them from the spring picture."

480-shuttle hurdle relay and had a new American record tuckered away when anchorman Ray Harvey hooked the final hurdle and sprawled to the cinders, enabling Michigan State to wrap up the record.

Another irony: It was the first time this NU team had run together. The entry was made at the suggestion of sprinter Lynn Headley who asked Sevigne if he could run a leg so Nebraska could run.

Result: a pair of :14.6 from Headley and Lonnie Sherlock and a :14.0 from Kudron before Harvey cracked up.

The Huskers came within a whisker of grabbing the 440-relay, but Greene just missed over-hauling Southern Methodist at the tape as he pulled up lame.

"We had a chance for a tremendous day," Sevigne said. "And that mile relay saved the day after all that bad luck. But I was happy with the squad. We qualified in every relay we entered, and had a good shot at winning three of the four we ran in. That's a great effort. Of course, Charlie (Greene) was great in that 100, he really left the field."

Another irony: It was the first time this NU team had run together. The entry was made at the suggestion of sprinter Lynn Headley who asked Sevigne if he could run a leg so Nebraska could run.
