## Tickets On Sale May 16 For Full Time Students

Full time students now on the University of Nebraska campus will be permitted to purchase student football tickets during the days of May 16th through May 20th at the NU Coliseum.

Non-full time students now on the University campus will be able to purchase tickets in the fall just as would new students and entering freshmen.

Students desiring single seats must go to the ticket office at the Coliseum or to a table on the floor of the Coliseum on the designated days, present their ID Cards, and pay ten dollars for the ticket.

Each student will be given a receipt and the ticket office will retain a record of the purchase. Students will draw a lottery number at the time of payment.

Orders will be filled with the lowest lottery number being filled first. Upon filling the ticket order, the ticket will be attached to the card which was retained by the ticket office to be picked up next fall.

**Block Sections**

For block sections, a representative for a group must present ID cards and ten dollars for each person in his block. A receipt will be returned to the representative for each student in the block. The remaining procedure will be similar to that for single seats.

Block orders will be filled just as the single seats with block sections being treated as a single seat in the lottery.

During a given time in the fall, all students must come to the ticket office and upon presentation of the receipt and ID Card, he will be given his ticket.

Ticket orders will be checked against the list of students receiving free admission to the games—Athletes, band members, concession sellers, etc. These people will not be permitted to buy a student ticket.

Any student not participating in the lottery during the

specified time must purchase his ticket just as a new student in the fall.

Current graduate students and seniors expecting to become graduate students will be handled just as other students.

**New Students**

Since it is contemplated that the spring sale will utilize all of the available east stadium seats, all new students and freshmen will have to sit in the north and south stadiums, with the south stadium being used first.

Block sales will be available in the fall, but no lottery will be used for their sale. They will be assigned on a first-come, first-serve basis.

Students purchasing tickets in the spring who do not attend the University next fall will be permitted a full refund if the ticket office is notified in writing by September 1st. Tickets refunded will be sold to upperclassmen buying tickets in the fall.

Students applying for refunds after September 1st, but before the first game, will be refunded \$8.00. Students apply-

ing for refunds after the first home game, but before the second game, will be refunded \$5.00. No refunds will be given after the second home game.

Tony Sharpe, Jr. . . . will be Nebraska's lead-off man this weekend.

## Huskers To Play Buffs In Three-Game Series

Nebraska's ticket office will be closed from Tuesday, May 10, until Monday, May 16, director Jim Pittenger announced.

The staff will use the week of privacy to compile all the information regarding season ticket reorders in an effort to begin processing new orders.

"The way the mail man swamped the girls Monday and Tuesday with hundreds of renewals, I'm sure they could use a vacation," Jim grinned. "But we're going to lock the doors and devote full attention to tabulating where we stand, so we can start processing—ticket orders for new season seats."

Pittenger estimated Monday the day before the deadline for reorders, that more than 90% of the 1965 season ticket holders had renewed.

Sharpe also said that Clayton Luther will catch for Hergenrader in the first game of Friday's doubleheader but that Wayne Kissler will catch for Stickers in the nightcap.

"We're still in the race mathematically," feels Coach Tony Sharpe. "We've got our back to the wall, sure, but we can still win the title if things go our way."

Nebraska plays a three game series with Colorado in Lincoln this week. Friday's doubleheader will start at 1:30 p.m. Saturday's game will begin at 11:00 a.m., prior to the Spring Football game at Seacrest Field which starts at 2:00.

Sharpe also announced the batting order for the Huskers' for this week.

Tony Sharpe, Jr. will be the lead-off man for the Huskers. Tony Junior will play second base. John Roux, short-stop, will be the number two man. Bob Churchill will take the number three post.

Coach Sharpe explained that Colorado will put two left-handers against the Huskers so Sharpe's strategy includes putting three right-handers against them.

## Ready For Tournament

The University of Nebraska golf team will take a 10-6-1 dual meet record into the Big Eight Conference golf tournament this weekend at Columbia, Mo.

Nebraska's five man team will consist of Charlie Borner, Bob Lau, Chuck Sweetman, Nick West, and Bill Messick.

Last year the Huskers finished sixth in the conference meet.

"I think we should move up possibly one or two notches depending on how well the boys do as a group," said Husker golf coach Harry Good.

A total of 54 holes will be played in the Big Eight Tournament with 36 of them on Friday and 18 on Saturday. The tournament will be held on the Missouri U golf course.

## Has the American campus gone to "pot"?

The Indians call it *bhang*, the Turks—*hashish*, the scientist—*Cannabis sativa*. Whatever you call it, marijuana is the second most popular intoxicant in the world. What makes an increasing number of respectable students turn themselves on with a few deep inhales of a Toke pipe? Why has pot become the safe way to rebel in the 20th century? How much of a campus hang-up is LSD? Get the inside story—inside the May 21 issue of The Saturday Evening Post. Read about the codes, contacts and rituals that make the college drug scene. "Anyone want a date? I'm from U. of C." will produce a knowing Wisconsin female with \$25 and an empty handbag. Five dollars will buy a special University of Texas map where a black "X" marks the spot of a marijuana patch ready for harvesting. Scuba tanks filled with the smoke of black-market Mexican "weed" are sold at Berkeley. What happens at Harvard, Columbia, N.Y.U., Antioch, Chicago? Tune yourself in to the endless list of schools with an increasing supply of drugs on campus. Get the May 21 issue of The Saturday Evening Post. Today.

**Glenn Yarbrough— for you alone**

In his newest album, Glenn expresses the sensitive meaning of 12 original songs written by Rod McKuen, one of today's most perceptive and talked about young composers. Here are songs that explore the inner emotions of the lonely in love and Glenn interprets these ballads with an insight and feeling rarely heard on records. Both sides of his new single—"The Lonely Things" and "Channing Way, 2"—are included in this recording. Who says the best philosophy comes from books?
