USED BOOKS WANTED

This month our annual spring buying season starts. — A time when representatives of our organization will go to over 100 campuses in the 50 states to buy books from more than half a million students. These books are purchased for resale at University of Nebraska and hundreds of other schools throughout the U.S.

The expanding demand for our experience and knowledge of true book values enables our representatives to buy books on campuses across the country from New York to Hawaii. You as a student here at the University of Nebraska also receive the benefit from this knowledge by receiving more cash for all books whether used on this campus or not.

Another by product of this endeavor and preparation for successful completion of our campaign throughout the U.S. YOU THE UNIVERSITY OF NEBRASKA STUDENT will profit by an over-all savings of more than \$75,000 this coming season. Your required books are selected and held for resale to you at savings from 30% to 50% (books for use on this campus are selected prior to being offered for sale on the open market — this accounts for our large selection of used books for more courses).

As you well know books are revised quite regularly, so — SELL BOOKS NOW FOR HIGHEST CASH PRICES.
