

Miss Rush Week

Receiving her trophy, Carol Graham, Gamma Phi Beta pledge, smiles at Frank Hold and John Wertz as she is named Miss Rush Week at the dance sponsored by Sigma Phi Epsilon fraternity Friday night. All sorority pledge classes were represented in the contest that climaxed Rush Week on the University campus.

Sororities Pledge 484

After four days of formal Rush Week, 484 coeds were pledged by the University's sororities, according to Madeline Girard, Panhellenic director.

More than 600 women participated in Rush Week activities. There were 32 who dropped out of Rush Week without filing a preference, Miss Girard said.

Seventeen of the 18 national sororities on campus participated in fall rush. Sigma Delta Tau pledged nine girls last spring, and Towne Club, a local organization, pledged 29 girls from Lincoln.

Fewer girls pledged this year than did last year, Miss Girard stated, but nearly every sorority filled its quota.

The reason more girls were not pledged, explained Miss Girard, was because of "the high number of sorority women who stay in school four years," and that the sororities simply do not have room in their houses to accommodate the large number of returning upperclassmen.

She added that all the sororities would have pledged more girls if space had been available. Most sororities now have reserved rooms in the dorms for upperclassmen or have found space with members living in Lincoln.

The Delta Zeta sorority which re-colonized last spring participated in rush for the first time and pledged eight girls. In their second year after re-colonizing, the Phi Mu's pledge class numbered 16.

Alpha Chi Omega and Delta Delta Delta pledged the largest number of new members with 39 and 37 pledges, respectively.

Pledge classes of other sororities numbered as follows: Alpha Delta Pi, 33; Alpha Omicron Pi, 29; Alpha Phi, 34; Alpha Xi Delta, 22; Chi Omega, 29; Delta Gamma, 29; Gamma Phi Beta, 27; Kappa Alpha Theta, 32; Kappa Delta, 30; Kappa Kappa Gamma, 33; Pi Beta Phi, 30; Sigma Kappa, 12; and Zeta Tau Alpha, 32.

IFC To Evaluate Rush, Recolonizing

Recolonization, Rush Week and a 4.0 Club loom as upcoming projects and discussion by the Interfraternity Council during the coming year.

One of the first things planned by IFC, according to Gary Larsen, president, is an evaluation of Rush Week.

"We are missing a lot of good men who would make a good contribution to the Greek system and who could get a lot out of the system," he said.

"Although I would say Rush Week was successful, we are not living up to our capabilities or potential."

Larsen said he plans to have the house rush chairman meet with the IFC rush committee and evaluate the 1966 Rush Week and give their ideas for next year. He noted that "wildcat

rush" would be among the things to be studied to expand rush week. However, he said deferred rushing (second semester pledging) would probably not be discussed. He added that a study of deferred rush conducted last year showed "it is not for this campus."

Two fraternities, Delta Chi and Alpha Sigma Phi, have inquired about recolonizing on the University campus, Larsen said. Zeta Beta Tau, Pi Kappa Alpha and Tau Kappa Epsilon were allowed to colonize on the campus last year.

Larsen said a study would have to be made to determine whether the University could support more new colonies at this time.

As a part of this, Larsen said an effort would be made to strengthen the present colonies.

Larsen said work is also being done on a 4.0 Club for those fraternity members with a 4.0 grade average. He said the club, if formed, would start with those compiling 4.0 averages during the second semester of last year.

A study is also being scheduled to determine the status of house expansion plans, Larsen said. This, he said, would also include work on the sorority-fraternity complexes to be built near the dormitories under construction north of the campus.

Larsen said a University graduate student will be conducting a research project on the psychology of pledge training. He noted that the study is being done by a non-fraternity member and should be valuable to IFC.

IBM Helps IFC Rush

Although the personal touch remained the same for the approximately 600 men who attended fraternity Rush Week, the paper work was turned over to IBM cards and computers.

Gary Larsen, Intrafraternity Council president, said he had received comments from both rushees and fraternity houses on how smoothly and quickly the operation was run using the IBM system.

He said that 515 of the 600 men who went through Rush Week pledged. However, he noted that about 75 more persons pledged during the 1965 Rush Week.

Larsen cited three reasons for the fewer number of pledges.

"It could be that Rush Week was run inefficiently," he said, "but I do not believe this to be the case."

Two other reasons he noted could be that the men going through Rush Week were more undecided about where and if to pledge, and that houses were being more selective.

Houses were pledging fewer men this year compared to last, with the majority of houses pledging only 20-25 men.

Alpha Tau Omega pledged the largest number of men at 39. They were followed closely by Beta Theta Pi with 38 pledges.

Zeta Beta Tau fraternity, recolonized last spring, did not take any pledges during regular rush week.

Other houses and the number of men they pledged include:

Acacia, 10; Alpha Gamma Rho, 18; Alpha Gamma Sigma, 12; Beta Sigma Psi, 15; Chi Phi, 22; Delta Sigma Phi,

23; Delta Tau Delta, 19; Delta Upsilon, 21; Farm House, 21; Kappa Sigma, 26; Phi Delta Theta, 20; Phi Gamma Delta, 25; Phi Kappa Psi, 8; Pi Kappa Alpha, 3; Pi Kappa Phi, 7;

Sigma Alpha Epsilon, 21; Sigma Alpha Mu, 14; Sigma Chi, 22; Sigma Nu, 23; Sigma Phi Epsilon, 30; Tau Kappa Epsilon, 11; Theta Chi, 10; Theta Xi, 31 and Triangle, 25.

HEADING FOR PLEDGING . . . Rush Week came to an end for the men as 525 freshmen set out for the house of their choice and the life of a fraternity pledge.
