

Visiting Hours Committee To Prepare Rough Draft

**By Mark Gordon
Junior Staff Writer**
The coed-visiting hours committee will meet Tuesday at 7:30 p.m. in Abel Hall to prepare a rough draft of the brief that will be presented to the University Board of Regents.

Coed-visiting chairman Dave Shonka said the future brief will "iron out some of the rough spots and perfect the last brief we had. It will also combine some new points we have gathered."

The previous brief was presented before the Faculty Committee on Student Affairs last week and it passed the group of ASUN representatives, faculty members and administrators with wide approval.

Regents Approval
Final approval or rejection of the measure, which is gaining wide spread approval, will be left to the Regents.

An ASUN poll, conducted by Roger Psota, ASUN public opinion chairman, showed that 82 per cent of the University students interviewed were in favor of the bill.

At Abel-Sandoz, where the movement originated several months ago, over 98 per cent approved of the measure, while a check at Women's Residence Hall showed 86 per cent wanted adoption of the measure.

Twice Each Week
Shonka pointed out that the poll also indicated that 57 per cent wanted the hours run at least twice each week.

"The poll shows without doubt," he explained, "that our committee has the support of University residents. I hope the Regents will take into consideration both the need we have emphasized and the support we have from the residents."

Shonka indicated that he would continue to investigate the proposal's support around the University before the Regents consider the proposal.

Trial Run
During the trial run, a supervisor, not necessarily a student assistant would have to present during the hours. A "responsible" student could substitute for the student assistant.

The individual residence hall may install the policy no more than twice a week and each respective hall has the final decision when or if the hours will be in effect.

Only On Weekends
The coed-visiting hours can be held only on weekends with a three-hour limit each time they are in effect.

Shonka said the passage of the bill by the Faculty Committee "shows the faculty is aware of the problems faced by the residence hall."

He added that "we are looking forward to meeting with the Regents and we are reasonably confident that they will evaluate this issue objectively and justly."

He said the committee was "fairly optimistic" about the final approval of the bill by the Regents.

THUNDERBIRDS . . . perform the calypso to show the stability of the F-100 Super Sabre during inverted flight. The solo who is flying upside down can remain in that position 10-14 seconds before the engine flames out.

Thunderbirds Appear April 1

The Thunderbirds, official Air Force aerial demonstration team, will appear at the Lincoln Municipal Airport April 1. Sponsored by the University's Angel Flight and Arnold

Air Society and the Nebraska Air National Guard, the team will present a 30 minute show in their Super Sabre jets.

The demonstration, one of approximately 100 air shows put on by the Thunderbirds each year, is the featured event of the Centennial Aviation Open House.

In addition to the Thunderbirds, several military aircraft will be on public display on the Air National Guard parking ramp. Lincoln's General, Commercial and Military Aviation locations will also be open to the public.

Open house hours of the Centennial event are 10 a.m. to 4 p.m. The Thunderbird demonstration will begin at 2:30 p.m.

Represent Four Countries . . . Twelve NU Students Attend Model United Nations Meet

Twelve Students from the University were delegates to the Model United Nations held at Nebraska Wesleyan University last Wednesday, Thursday, and Friday.

Harold Bordee, who was chairman of a University delegation which represented South Africa, said that "the University of Nebraska, Wesleyan, and other colleges from the immediate area sent delegations which represented nearly every nation represented in the United Nations."

"The University sent delegations representing Laos, South Africa, the Ukraine, and Byelorussia," he continued. "We discussed topics which have recently come up in the United Nations such as the problem of racist governments like South Africa and Rhodesia; the Vietnam situation; the proliferation of nuclear weapons; and Palestine."

Bordee said that no foreign students went to the Model UN from the University although some of the delegates from Wesleyan were foreign students.

The University delegates

were chosen through interviews by ASUN. The delegates were: Harold Bordee, Charlie Baxter, and Dave Rasmussen, of the South African delegation; Linda Weiss, Tom Hoegemeyer, and Tom Briggs, representing Laos; Carol Madson, Cheryl Adams, and JoAnne Paul of the Ukrainian delegation; and John Shreckinger, Kelly Baker, and Bob Noecker of the Byelorussian delegation.

Bordee explained that College Campus Model United Nations, which is a UN sponsored organization, holds Model United Nations throughout the nation on a regular basis.

"Delegates are given the UN voting record of the

country they represent and they are supposed to develop arguments that defend that voting record," Bordee continued. "The Model UN turned out to be more personal opinion than was planned."

Another delegate, Charlie Baxter said that "all of us agreed that the Model UN is very worthwhile and we are making plans to have one at the University."

Greek Week To Include Dinners, Tiemann Talk

The plans for Greek Week, to run from Tuesday, April 4 to Sunday, April 9, have been announced by Bob Bartee, chairman of the IFC Affairs Committee.

On Tuesday, Apr. 4, exchange dinners among the Greek houses will be held. Following the dinners, Gov. Norbert Tiemann will address Greeks in the Nebraska Union Ballroom. Serenading will begin later in the evening.

Quiz Bowl
On Wednesday, different teams composed of newly elected IFC and Panhellenic officers and representatives, will compete in Quiz Bowl matches.

There will also be a torch light parade of chariots. The parade shall end at the stadium steps at which time Gene Hohensee will give a short presentation.

Projects
Thursday evening has been left open in order that each house "will constructively initiate an event or project which emphasizes the Greek Week theme," according to Bartee.

Speakers might also be invited to talk on pertinent topics.

Centennial Day
Friday will be Centennial Day. In the afternoon, the Greek System will undertake a project. It will consist of selling Centennial artifacts in the Lincoln area. Fraternity and sorority pairings will be made for the project.

Friday evening will be the Centennial Ball. The Astronauts will provide the

music for the dance, to be held in the University Coliseum will be from 9-12 p.m.

Princess Athena
Princess Athena will be crowned and a beard-growing contest will be held.

The Greek Week games will be held Saturday morning on the south practice field. The Greek Marathon will begin in Crete, Nebraska at 8:00 a.m., with the last runner arriving in Lincoln at approximately 10:45 a.m.

Greek Conference
The Greek Conference will be held at the Kellogg Center on East Campus Saturday afternoon.

Sunday afternoon the Greek system will undertake a philanthropic project handled by Panhellenic. The project will consist of the presentation of a variety show at Lincoln orphanages by talent groups.

The awards banquet will be held Sunday. The John M. Abrahamson award, IFC Sophomore Scholarship, and Gamma Gamma Honorary awards will be presented.

Specially Approved Housing For Sophs

. . . Ad Hoc Committee

Sophomores will be able to live in specially approved housing according to Mary Almy of the Ad Hoc Housing committee.

Almy said that the committee decided unanimously Saturday to allow all sophomores to live in specially approved housing, which means that the housing must be designed specifically for students.

Requirement
Another requirement for special approval is that there be a manager on the premises at all times and that he meets certain physical requirements.

The committee decided earlier that all freshman will be required to live in on-campus housing. Juniors and seniors can live wherever they wish as long as the housing meets the minimum health requirements of the University.

Parental Approval
Also anyone over 21 can live wherever they wish. Almy said that students under 21 will need parental

approval in order to live off campus.

Problems
"This is not the end of the committee's presentation," Almy said. "We still have a number of problems to consider."

Among the problems noted by Almy are what clarifies a person's class rank, what exceptions can be made, whether or not Lincoln students will be allowed to live in campus housing, etc.

Decision
In regard to the implementation of the ad hoc committee, Almy said that the decision would be up to G. Robert Ross, dean of student affairs, as to what would happen, since Ross was the organizer of the committee.
