Tryouts for the AWS production of "Expo in Retro" will be held December 13, according to Kathy Kuester, Coed Follies chairman. A panel of five judges will rate the skits and six groups will be selected for the Feb. 23 performance.

Miss Kuester said that 17 living units have submitted final scripts. She commented that the ideas were very good and a great variety of countries are represented in accord with the international theme.

A skitmaster's meeting will be held Wednesday at 7:30 p.m. in the Nebraska Union, the chairman said. Procedures for tryouts will be discussed and each skitmaster must submit plans for lighting, back-

## Ag Campus Choir Plans Concert

The University East Campus Choir will present its annual Christmas Choral Concert on Sunday, December 3.

Students of the College of Agriculture and Home Economics comprise the Choristers and Choraliers. Mrs. Adelaide Ports Spurgin is the director and Judith Boyle is the accompanist.

The program will consist of traditional Christmas carols as well as special selections such as "The Hallelujah chorus" from "The Messiah". There will be special accompaniments by guitars, trumpets, and a bass fiddle.

The public is cordially invited to attend the concert in the campus activities building at 3:00. There will be no charge.

## YR's Hear State GOP Chairman

The first woman to serve the Nebraska Republican Party as state chairman, Mrs. Lorraine Orr, will speak to Young Republicans Thursday at 8 p.m. in the Nebraska Union, according to Susie Williams, publicity chairman.

She will explain the Opportunities Unlimited program scheduled Saturday in the Nebraska Center. The all day event is designed to acquaint college students with the career opportunities in politics.

Mrs. Orr of North Platte, Nebraska was unanimously elected as state chairman by the state's central committee in January.

Mrs. Orr, who will serve a two year term, has encouraged greater individual participation by Republicans in party work and policy making.

She favors a bill in the Legislature seeking a constitutional amendment to transform the Unicameral into a partisan body.

Only one other state — Michigan — has a woman serving as GOP state chairman.

SUSAN SMITH, Kappa Alpha Theta sophomore in Teachers College from Lincoln, to JOEL DAVIS, Pi Kappa Alpha sophomore in journalism from Lincoln.

JO CHRISTENSEN, Gamma Phi Beta senior in speech therapy from Lincoln to GREG KEMIST, senior in chemical engineering from Lincoln.

# Last Ag Enrollment Shows Large Gain

Final figures on 1966-1967 undergraduate enrollment in agricultural colleges across the U.S. show the University of Nebraska a second in numerical increase in students over the last 10 years.

In a report compiled by Dr. F. E. Eldredge, Nebraska showed a gain of 52 agricultural students from 1957-66, topped only by the 64 student increase at Purdue University.

"Our Ag enrollment has had a phenomenal increase," Eldredge emphasized, "without a decrease in quality." There is at the present time, a higher percentage of freshmen enrolled in agriculture at NU representing the top half of their high school graduating classes than in past years.

Enrollment at Nebraska of 1,159 agricultural undergraduate students in 1966 represented a 79% increase over the 1957 figure of 647.

Of the majors offered on Ag campus, Animal Science and Pre-Vet have had the greatest increase of enrollment in the last 10 years.

The number of jobs offered to Ag graduates has also increased. Last year there were several times as many job opportunities as there were available Ag graduates.

## Christmas Celebration December 4

East Campus will formally initiate the Christmas season with its annual tree-lighting ceremony on Monday night, December 4, at 6:30 p.m.

The lights on the Christmas tree, located south of Animal Science Hall, will be turned on while the spectators, led by the Cornhusker Choralliers, sing Christmas carols and listen to readings of the Christmas story.

The public is invited to East Campus Monday night.

by Critchfield

If your major is listed here, IBM would like to talk with you Nov. 29th or 30th

Sign up for an interview at your placement office—even if you're headed for graduate school or military service. Why is IBM interested in so many different people?

The basic reason is growth. Information processing is the fastest growing, fastest changing major industry in the world. IBM products are being used to solve problems in government, business, law, education, medicine, science, the humanities—just about any area you can name. We need people with almost every kind of background to help our customers solve their problems. That's why we'd like to talk with you.

**What you can do at IBM**

Whatever your major, you can do a lot of good things at IBM. Change the world (maybe). Make money (certainly).

Continue your education (through any of several plans, including a Tuition Refund Program). And have a wide choice of places to work (we have over 300 locations throughout the U.S.).

**What to do next**

We'll be on campus to interview for careers in Marketing, Computer Applications, Programming, Research, Design and Development, Manufacturing, Field Engineering, and Finance and Administration.

If you can't make a campus interview, send an outline of your interests and educational background to Mr. C. J. Reiger, IBM Corporation, 100 South Wacker Drive, Chicago, Illinois 60606.

We're an equal opportunity employer.
