

-In East-West Shrine Game-

Devaney named head West coach

Bob Devaney, University of Nebraska, will be head coach of the West squad for the 44th annual Islam Temple Shrine East-West Football Game in Candlestick Park December 28. Devaney's associates will be Dee Andros, Oregon State University, and Gene Stallings from Texas A&M University. The West staff was completed and announced today by T. H. Balliett, General Manager of Islam Temple's East-West Classic.

This will be the first participation in an East-West game for both Devaney and Stallings, but the second for Andros who was a member of the West staff in the 43rd East-West game which the East won, 16-14.

Devaney 88-22-5

Devaney, who has been head coach at two schools, Wyoming and Nebraska, for only 11 seasons, is the game's winningest coach with a record of 88 wins, 22 defeats and five ties. At Nebraska, Bob's Huskers have won 53 games against 12 defeats and captured the Big Eight championship four consecutive years of his six seasons at the school.

Devaney is a graduate of Alma (Mich.) College and started his collegiate coaching career at Michigan State where he served with both Biggie Munn and Duffy Daugherty. Devaney and

Daugherty are great friends and are looking forward to the forthcoming East-West game when they will be coaching rivals.

Dee Andros was one of the most discussed and honored coaches of the 1967 season when his Oregon State team gave Southern California its only defeat, after earning a tie with U.C.L.A. In his three seasons at Oregon State, Andros has built the Beavers into a solid contender for the 1968 Pacific Eight championship. Andros was a star guard at the University of Oklahoma following World War II during which he served with a Marine Infantry division in the Pacific Coast and was awarded the Bronze Star for gallantry during the invasion of Iwo Jima.

Stallings, at 33, is one of the younger and more successful coaches in major football. He has been head coach at Texas A&M for only three seasons, but in 1968 led the Aggies to the championship of the Southwest conference and a victory over Alabama in the Sugar Bowl.

It was a coincidence that the last previous conference championship won by the Aggies occurred in 1956 when Gene was an end and the captain of a great team coached by Bear Bryant. Before graduation, Stallings had determined upon coaching as a career. He began as coach of the

Bob Devaney . . . best in the West.

A&M freshmen in 1957 and then migrated with Bear Bryant to Alabama. Gene spent seven years with the Big Bear and then had the unusual satisfaction of defeating Bryant in the Sugar Bowl.

Balliett expressed the greatest possible satisfaction with the West coaching staff and the belief that Candlestick Park will see another great classic next December 28.

NU baseball team faces KU series

. . . on new field

by George Kaufman Sports Editor
Nebraska's baseball team, considered before the season as an outside choice for the Big Eight title, must look impressive this weekend in a three-game series against Kansas.

After racking up a 3-1 record at Houston, the Huskers jumped into the conference Oklahoma with a 1-2 high hopes but came back league record.

Nothing proven

Nothing was really proven, however, except that NU needs a better record against the Jayhawks to get serious about the championship. Coach Tony Sharpe's players won a 2-1 decision and lost 6-4 and 5-4 in 14 innings, which is hardly a decisive series.

Since the Sooners were also highly regarded in season opinions, it only proves the Huskers can't play almost any league team evenly.

But now that they're saddled with two losses, they must play better than even from now on.

"We were disappointed about dropping two games at Oklahoma," Sharpe said. "We

were in both games and could have won them, but the players bounced back Saturday and did a good job. We were pleased with a number of things and look forward to playing Kansas on our newly constructed diamond."

Field re-sodded

The Husker playing field was re-sodded last fall and sharp said it is in excellent condition.

One of the things Sharpe was pleased with was the emergence of a solid mound crew. Al Furby, Keith Winter and Mick Logu have looked good as starters and Bill Adams' eight-inning relief work in the overtime loss at Oklahoma shows he will add depth to a back-up crew headed by veteran Charlie Green.

Logue, a Grand Island product like Furby, worked the only win in Oklahoma last week.

The doubleheader today starts at 1:30, with a half-hour break between the games, and the Saturday contest begins at 1 p.m.

-Baseball in Beatrice- Frosh meet Pershing

Nebraska freshman baseball team, coached by Phil Krous, will journey to Beatrice Saturday to meet Pershing College in a doubleheader. Coach Bob Gates' Generals recently took four games from Houston and present a formidable hurdle for the Husker yearlings.

Krous has tabbed this batting order for the 1968 frosh debut:

Dennis Hodges, Norfolk, rightfield; Jim Campbell, Lincoln, left field; Pat Elgert, Fairbury, third base; Bill

Fagler, Lincoln, first base; Randy Spiels, Grand Island, catcher; Tim Kingston, Broken Bow, centerfield; Mark Johnson, Carroll, shortstop; Bill Peppel, Naper, second base; George Hinman, Lincoln, righthander, pitcher. Mark Paulsen, leftfielder from Griswold, Ia., is slated to pitch the second game.

"PLANET OF THE APES" is an enthralling thriller... a science fiction mind-bender, hyped by the tingling reelism of the camera work and the action sequences. Extraordinary photography giving a chill of suspense... a new frightening perspective!—Kathleen Carroll, New York Daily News

"SCIENCE FICTION WITH A REAL STINGER IN ITS TAIL. A startling reversal of things as we know them on earth. Evolution has turned out differently. The great apes are in charge; mankind is regarded as speechless, brainless primitives who overbred, must be periodically hunted in order to reduce their numbers, and supply a kind of sport. There is a shocking commentary on the destiny of this earth, making this a picture that could focus more self examination than most science fiction. Fascinating, imaginative, and painstakingly produced.—Archer Winstan, New York Post

Cheery Cheerleaders

These four freshman coeds were chosen Thursday to take their place on the 1968-69 Nebraska cheerleader squad. They are, from left, Sue Mack, Kathy Drennen, Diane Dudley and Betsy Stilwell.

Trackmen plan busy 'vacation'

The Nebraska track team will not be on vacation next week like the rest of the students.

This weekend they will go to Colorado Springs and after spending the first part of the break in Lincoln training, they will go to Lawrence Thursday for the three-day Kansas Relays.

Coach Frank Sevigne announced that he will be taking the entire squad to Colorado for a triangular with Air Force and Occidental College. He says that he plans to have entries in every event though he does not yet know who will be doing what.

Highlight of last week's competition in the Texas Relays at Austin was the performance of Cornhusker two-mile relay team which smashed the school record with a fine 7:32.7 enroute to a fourth-team finish.

The old record was 7:38.4 set by Ken Ash, Bill Melody, Knolly Barnes and Joe Mullins in 1959.

Splits for the new mark were Hugh McGovern 1:52.8; Les Hellbusch 1:53.6; Mike Randall 1:52.7 and Dan Morran 1:53.6.

"We were quite a bit behind when Morran got the baton," Sevigne said. "And Dan did his best to narrow the gap early, but it took too much out of him and he couldn't finish strong. We'll run it better."
