Old Bomb.

New Honda.

Same Price.

It's true this sleek new Honda Scrambler 125 would cost you the same money as the old used bomb, but the low price isn't the whole Honda story. Far from it.

When you ride any of Honda's 23 models, you can forget high insurance, upkeep, and maintenance costs. Forget parking problems too.

And look at the Scrambler 125 styling: new candy colors, chrome fenders, trim new forks, upswept pipes. And performance: the 125's dependable 4-stroke parallel twin OHC engine delivers an impressive 13 hp at 10,000 rpm; up to 153 mpg.

The hot new Scrambler 125. Can you think of a better reason to ban the bomb?
