

Drilling for her final exams in medical technology, Fullerton junior Juanita Prososki, dental assistant in the newly expanded Student Health clinic, checks equipment in patient preparation. The clinic, formerly taking only emergency cases, begins treating other dental afflictions Monday. Students are eligible for price discounts.

Freshman team stifles Tigers as offensive backfield excels

by Mark Gordon
Sports Editor

Would a 40-point output achieved with 304 total yards surprise you in a freshman football team's opening game?

It certainly didn't surprise Nebraska freshman coach Cletus Fischer after his Husker squad roared past Missouri 40-21 at Memorial Stadium Friday.

FISCHER, who hasn't monitored a losing Nebraska frosh crew in the past two years, said the offensive backfield performed just as he thought it would. But he added that the offensive line reacted considerably better than he had expected.

"But the second offensive line has a lot of work to do," he added. "They had trouble the first three times they were in and there shouldn't be that much difference between the first two offensive lines."

Six Huskers scored touchdowns, but former McCook All-Stater Jeff Kinney led the pack with 53 yards on four pass receptions and 57

yards on nine tries running.

"Kinney ran well and also he caught the ball the way we knew he could," Fischer said. "In fact, all the backs blocked the way we'd like to have them blocking."

Defensively, Larry Jacobson, a 6-6, 237 pounder from Sioux Falls, blocked a quick kick attempt and the Huskers recovered at the Tiger two yard line.

WHILE FISCHER was less than pleased with his second offensive line, he said the first line consistently provided quarterback Van Brownson, Jerry Tagge or Chuck Osberg with adequate time to pass for a combined total of 155 yards on 10 for 24 successful tosses.

"The line blocked well," he said, "and they were confronted with linebacker stunts and several situations that we haven't worked on a great deal."

The win was Fischer's fifth straight since taking the freshman controls last season and the seventh straight since the Tigers last beat Nebraska in 1966.

Nebraska rests a week and then travels to Ames to meet Iowa State on Nov. 1, the day before its varsity counterparts also battle at the Iowa site.

GAME SUMMARY	
Missouri.....	0 14 7 0-21
Nebraska.....	15 14 14 0-40
Nebraska, Hughes, 1 run.	
Nebraska, Brownson, 7 run.	
Missouri, Pink, 4 run.	
Nebraska, Kinney, 7 run (Tagge pass to Hughes).	
Missouri, Munster, 2 run (Pink run).	
Nebraska, Carstens, one run.	
Nebraska, Lisi, 2 run (Kinney kick).	
Nebraska, Munson, 15 pass from Brownson.	
Missouri, Friess, recovered Brownson fumble in end zone (Stiller kick).

Journal writer speaks at IDA Council meeting

Jack Hart of the Lincoln Journal was the special guest speaker at the regular meeting of the IDA Council last Thursday evening.

Hart spoke about the activities of the Nebraska Tax Facts Committee, according to Kathy Fischer, IDA secretary.

The talk was in conjunction with the Administration Coordinating Committee's program of educating dorm residents on the tax situation in Nebraska, she said.

A MOTION made by representative Sue Houchins to establish a Foreign Student Relations Committee was passed.

The Committee will study and establish programs

through which dorm residents can aid foreign students, she said.

The report of the Committee on the Mid-west Association of College and University Residence Halls Conference was presented and discussed briefly.

A three day conference is tentatively scheduled to be held on the University campus next August. Representatives of residence halls throughout the Mid-west will attend.

It was announced that the National Association of College and University Residence Halls Conference will be held in Long Beach, California on Feb. 6-9. A delegation is being sought to present a discussion topic for

the University of Nebraska at the conference.

Dorm residents were urged to lend their hands in the technical work for the upcoming IDA-Abel-Sandoz musical. The work is being done in the basement of Sandoz Hall.

IDA president Bruce Bailey announced that IDA now has

room 107 Raymond in Women's Residence Hall as a conference room. He also announced that Dean G. Robert Ross and Russ Brown will be setting up informal coffee hours to talk with students.

Bailey also explained the new administrative structure that has been devised for the University as a result of the OU-NU merger.

"Getting a job is no sweat; it's finding a good one that bothers me."

You've come to the right place.

IH will give you a good job. One that lets you stand on your own two feet. Right from the start.

You see, we believe your point of view is just as important as ours.

We want new ways to do things. Better ways. And this calls for fresh ideas.

That's why you'll have to be a thinker. An innovator. A guy who has the guts to stand up for what he thinks is right.

You show us your stuff, we'll give you the freedom to swing. You'll find plenty of action in steelmaking, motor trucks, farm and construction equipment.

And the faster you prove yourself, the quicker you'll move up. Without a lot of red tape.

Get the picture? Now why not get into the act.

We need engineers for design, test, manufacturing and research. We need accountants and production management people. And we need sales people for our retail and wholesale operations.

So be sure and talk to your campus placement officer about us. He'll give you the word.

After all, if we give you a good job you'll want to stick with us.

And that's exactly what we have in mind.

This 100-ton mining truck is powered by an 1100 horsepower IH gas turbine.

What's your number, student?

If you're tired of being one of 10,000, better think twice about who you take a job with. Take a look at a different kind of company — where you'll be more than a number. We'll give you a job situation, and you'll make your own position. We're interviewing soon on campus. See your school or placement office today.
