

Hop-a-long Gordon

Photo by Don Tremain

Hopeton Gordon, NU's freshman long-jumper placed fourth in his specialty Monday night at the U.S. Track and Field Federation indoor meet in spite of this effort. Nebraska's wins in the Omaha meet were by Garth Case in the 600, the mile and two-mile relay teams. Husker Mel Campbell set a school record in the two-mile run with a 9:03.9 time.

Colorado punctures NU's hopes, 76-59

Boulder, Colo. — Colorado Tuesday night punctured Nebraska's Big Eight Conference basketball hopes and enhanced its own with a 76-59 triumph.

The Cornhuskers, who held a 25-24 halftime advantage, dropped to a 3-4 record in the conference while the Buffaloes hiked their chart to 4-4.

Kansas State, which Monday night suffered an 80-64 setback at Iowa State, still leads the league standings with a 6-2 record.

Coach Joe Cipriano's Huskers, who have not beaten Colorado at Boulder since 1953, were in contention in the second half at 45-42 with 10:32 left before CU forward Mike Coleman went to work.

Coleman deposited four straight field goals as the Buffs reeled from the 47-42 advantage to a 56-42 cushion.

While Coleman, who connected on 7-7 field goals in the second half, paced the Buffs' windup, multi-talented Cliff Meely was CU's first half energizer.

Meely scored 14 points before intermission. Each team had trouble converting baskets, Colorado hitting 29 per cent in the first half and Nebraska 34 per cent.

Neither team could hit a field

goal in the first 4½ minutes of the game. Colorado, however, received a 19-35 second half field goal effort while the Huskers hit only 35 per cent for the game.

Meely finished with 23 points to lead the Buffs. Coleman, who had only one free throw in the first half, ended with 16 points. Gordie Tope also made a second half turnabout. He went 0-9 from the field in the first half, but finished with 16 points.

Tom Scantlebury was the only Husker in double digits with 10. Sam Martin added nine. Nebraska outrebounded the Buffs (40-32), but committed eight more turnovers (21-13).

AFS enlisting summer leaders

The American Field Service (AFS) is now taking applications for summer positions as End-of-Stay Chaperon.

The End-of-Stay chaperons serve as group leaders for 3,000 AFS students who will have just completed a year in the United States. The chaperons accompany foreign students on a bus trip through part of the United States from the end of June to the middle of July.

Applicants must be 21 years old by June 15, 1970, and apply at the Wesley Foundation, 640 N. 16th St.

The End-of-Stay Chaperon is a volunteer position. However, AFS meets all the chaperon's living expenses during the trip and pays all bus transportation.

AFS is an international organization that sponsors exchanges of high school students between various countries.
