

Husker baseball team now 4-4

Mizzou rebounds against NU

Missouri hurt Nebraska's position in the Big Eight Conference baseball standings with a Saturday doubleheader sweep after the Huskers had captured Friday's game, 3-2 in twelve innings.

THE TIGERS scored 3-1 and 4-2 victories Saturday in Columbia to move out of the conference cellar. Nebraska dropped to 4-4 and into a fourth place tie with Kansas State.

Before the doubleheader loss, NU had sole possession of second place Friday when Nel Garvey singled in the winning run in the top of the 12th inning for the Huskers.

Bruce Cramer, who hurled 5 2-3 innings in relief, notched

NU's mound triumph after starter Glen Gilmore retired in the seventh, although he had been tagged for only four hits and one run.

Bob Griego's 2-4 plate effort, which included a double and stolen base, paced Nebraska's win.

Paul Marek and Gene Stohs, both of Nebraska's other two starting pitchers, were charged with losses.

HUSKER CATCHER Adrian Flala cracked a solo homerun in the fourth inning of Saturday's first game.

Meanwhile, Nebraska's tennis and golf teams suffered losses over the weekend.

Soccer team will compete in Big Eight

A soccer team from Nebraska will compete in the Big Eight tournament May 2-3 at Manhattan, Kan.

The tournament isn't sanctioned by the Big Eight Conference, but all the conference schools will be represented. Nebraska's opening opponent is Oklahoma.

The newly founded Nebraska team has had two matches. It dropped its first match to Missouri, 3-0, two weeks ago at Columbia.

Last Sunday, Nebraska got a goal from team captain Les Johnson with less than two minutes left in the game to tie Iowa State, 3-3. Nebraska's other goals were scored by Dan Wolfe and Sampson Upaka.

Carlberg's 4:03.3 fastest mile ever

Nebraska junior Greg Carlberg posted the fastest mile in state history with a 4:03.3 anchor leg for NU's fourth place four-mile relay team at the Drake Relays.

Carlberg's time, combined with the efforts of Mel Campbell (4:07.5), Pete Brang (4:08.7) and Mike Lee (4:12.9) placed the Huskers only fourth in the event at 16:32.4, although they broke the school mark by 7.3 seconds.

CARLBERG ALSO authored a 4:07.5 anchor leg for Nebraska's school record (9:47.3) fifth place distance medley relay team.

Then, he surprised even Nebraska coach Frank Sevigne by clipping off a 4:07.7 in a seventh place open mile finish less than two hours after the distance medley.

Picks up lot of ground

Carlberg's anchor in the distance medley had brought the Huskers from 10th to 5th place. His seventh in the open mile was not timed officially, but roommate Brang and assistant coach Dean Brittenham both clocked him.

In a disputed race, Rice was awarded the victory and Nebraska the four first place watches when both teams were clocked in a 3:19.3 sprint medley finish.

The dispute involved infield encouragement by a Rice runner for his teammate against NU's Dan Morran on the anchor lap.

Hopeton Gordon's career best 49-10 1/4 triple jump placed him third to lead Nebraska's individuals.

THE HUSKERS recorded the fastest mile relay in Big Eight history in a 3:08.0 third place finish.

The Cornhusker quartet of Bob Pierce (:48.7), Garth Case (:46.3), Leighton Priestley (:46.7) and John Mottley (:46.8) erased the old school mark of 3:09.2.
