

Nebraska runs by CU, 80-42

Colorado's world class hurdler Marcus Walker and pole vaulter Dave Bussabarger set stadium and meet records here Saturday, but that was the extent of CU's celebration as Nebraska loped to an easy 80-42 victory.

Walker, with three wins over world record holder Willie Davenport in the last two weeks, streaked to a 7.1 clocking while team mate Bussabarger erased Tom Porter's old standard with a 16-1 vault.

Cornhusker sophomore Hopeton Gordon cracked the school, meet and stadium records in the long jump with a leap of 24-10. The old standard was 24-8 set in 1969 by N. S. Hurd.

Nebraska's only double winner was senior co-captain Greg Carlberg who continues to dominate every race he runs. After a relaxed 4:19 mile, he returned to capture the 1000 from teammates Jim Hawkins and Dan Speck.

With Colorado out of the way, Nebraska's sights turn toward Houston, Tex., and the USTFF meet in the Astrodome.

One runner who is especially looking forward to

the weekend is Carlberg. He's entered in the mile and will receive his first competitive challenge of the season.

Headlining the event is Marty Liquori, NCAA Outdoor

Gordon... sets record

mile champion in 1969 and 1970. Liquori has a 3:54.1 to his credit and will be joined by fellow four-minute-milers Dave Wottle of Bowling Green (3:59) and Villanova's Chris Mason (3:59.9).

Regents approve new outdoor track, Devaney pay hike

The University of Nebraska Regents Saturday gave the go-ahead for a new outdoor track and approved a pay increase for head football coach and athletic director Bob Devaney.

The new track will be located between the Coliseum and Memorial Stadium in an area which had been utilized for football practice before AstroTurf was installed last summer. Construction will likely be delayed until summer.

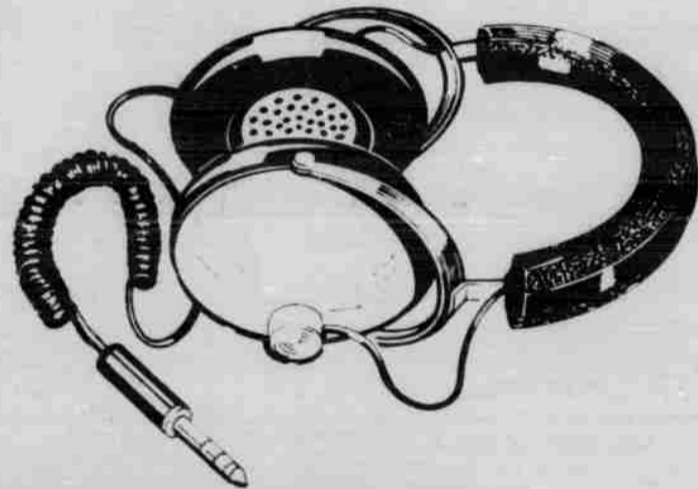

Devaney was given a \$2,300 raise, boosting his annual salary to \$32,000. He was also given a two-year extension as football coach.
