

Juicers, Kennedy upset

The Juicers and Kennedy, each top rated in their divisions, were upset in the finals of the independent and dormitory championships at University High Tuesday night.

But both teams will have a second chance in the double elimination tournament against the same foes Wednesday.

Abel VII defeated Kennedy, 47-44, in the dormitory division and the Born Losers trounced the Juicers 62-41, in the independent class. Each team now has one loss.

Kappa Alpha Psi won the fraternity division with a 73-58 victory over Delta Upsilon and waltzed into the all-university finals Sunday.

The independent and dormitory champions, which will be decided Wednesday, meet Saturday to determine the other all-university finalist.

Kappa Alpha Psi 73,
Delta Upsilon 58

Kappa Alpha Psi jumped off to a 13 point first quarter lead and maintained the margin throughout the game to defeat Delta Upsilon, 73-58, and take the championship of the fraternity division in the intramural basketball tournament.

Ernie Britt of Kappa Alpha Psi lead all scorers with 22 points and was followed by Ben Brown with 19 and Willie Harper had 15.

Randy Lemke threw in 15 for the DU's and Brent Longwell had 12.

Kappa Alpha Psi now has a bye in the first round of the championship playoff to

IM teams

determine the University champion. They will play the winner of the independent dormitory championship game.

DORMITORY

Abel VII 47,
Kennedy 44.

Abel VII moved to an eight point half-time lead and then watched Kennedy come back and almost catch them before winning, 47-44.

Both Abel VII and Kennedy now have one loss each in this double elimination tournament and will play Wednesday to determine the championship of the dorm division in the tournament.

Bob Wolfe was high for Abel VII with 19 points and Rich Flanigan added 12. Greg Goerke scored 17 points to lead Kennedy.

I have several ideas for the course, but nothing will be definite until the group gets together and we find out what our main interests are. Most of our time will be spent demonstrating techniques, exchanging recipes, and sampling our finished products. Since we will need a kitchen, we will be meeting at my house. Since my house is small, I must limit the group to ten people. Please call me at 432-8067 after 5 pm if you are interested.
