

Football ticket sales begin Monday

All full-time students now enrolled at the University can purchase student football tickets beginning Monday, May 17, at the Coliseum.

Tickets will be on sale through May 21, and will be put into a lottery at the end of the week. Students purchasing tickets earlier in the week will not have any advantage in the lottery as all tickets purchased during the week will be placed in the main lottery.

Student ticket prices have increased to \$14.50 for next season because of an additional home game. The Cornhuskers will play seven games in Lincoln, including their first four.

The ticket office will be open from 9 a.m. to noon and

1 p.m. until 4 p.m.

Students desiring block sections must send a representative of the group with ID cards and \$14.50 for each person in his block. No additions will be allowed after the initial order. A receipt will be returned to the representative for each student in the block.

Starting Sept. 1, each student must come to the Ticket Office in the Coliseum and present his receipt and his ID card bearing a first semester sticker.

Current part-time students, who will be full-time students in the fall, will purchase tickets in the fall just like new students. Any full-time student not participating in the lottery

during the next week may purchase his ticket next fall just as a new student.

The ticket office will accept personal checks from students, but has warned that any insufficient fund checks will be returned and ticket orders cancelled.
