

Nebraska nurses get high ranking

Graduates of the schools of nursing in Nebraska led all others in the nation in scores on national exams. This is the first time the state's graduates have been number one in all of the five areas tested although for the past 16 years the graduates have been in the top ten scores.

In all but one area, scores for graduates of the University of Nebraska exceeded the mean average of those of the other graduates in the state according to the National League for Nursing Evaluation Service, which compiles the test results.

Own something better than a champion.

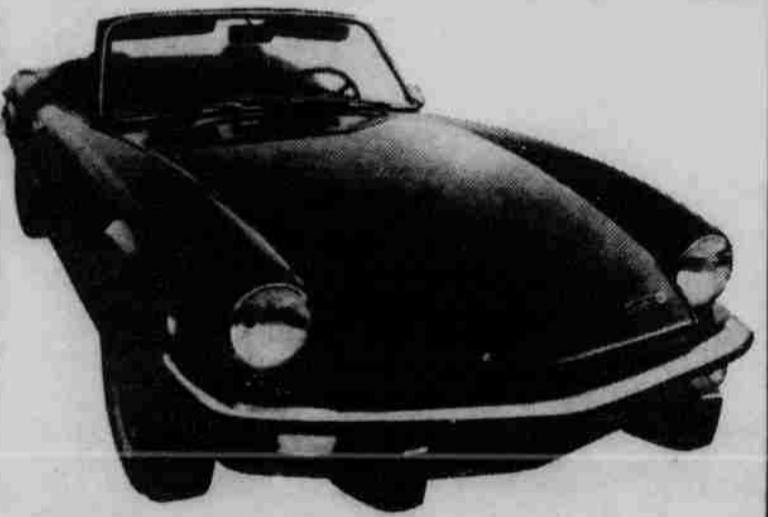

The Mark III Triumph Spitfire is a three-time Divisional winner and a national SCCA racing champion. It would be hard to ask for anything better.

Except that there is something better: the Mark IV Spitfire. It's everything the Mark III is, plus stronger engine bearings, synchromesh in all four gears, a new im-

proved suspension system and a handsome restyling by Ferrari body designer Giovanni Michelotti.

Ask your Triumph dealer to let you test drive a champion Spitfire. He'll give you his best.
