

The 1971 *Cornhusker Multibook* has been rated All-American by the Associate Collegiate Press/National Scholastic Press Association, placing it in the top 15 per cent of all college yearbooks rated by the association.

All-American is the highest award given, followed by first, second and third class. Except for 1969, the *Cornhusker* has won the title every year since 1960, according to editor Jody Beck.

The national rater called last year's book "exciting, imaginative, very readable and attractive, a superior yearbook in concept and execution. The editorial commentary is mature and well balanced."

Under the editorship of Bill Ganzel, the annual earned four out of five marks of distinction — in photography, display, coverage and concept. The rating service was recently revised to include such new and non traditional approaches as the multibook.

Unlike last year's book, the 1972 *Cornhusker* will be hardbound. Shelley Thornton, art editor, said the book will be entirely new and original.

It is entitled the 1972 *Cornhusker* or "Alice's Adventures In Wonder School and/or Through the Annual Book."

After researching Lewis Carroll's "Alice in Wonderland," the staff has drawn parallels to the University, extracting some quotes from Carroll's work. It will also include some art work similar to Alice in Wonderland Books of the early 1900's, Thornton said.

Beck said "The theme is used just enough to draw the book together and create interest."

Instead of individual mug shots for group and organizations, each will have one collective picture.

Many non-staff writers will write their own copy. The Regents, Chacellor D.B. Varner, club members, and football players-including Johnny Rodgers-will contribute to the 1972 *Cornhusker*

Students will be able to purchase a 1972 *Cornhusker* Jan. 31 - Feb. 4 from sales representatives in the Nebraska Union and campus living units. The price is \$8.

Hitching hearing set

Public hearing on a bill to legalize hitchhiking in Nebraska is set for Thursday in the legislature's Public Works Committee.

Neligh Sen. John DeCamp said he will ask the committee to drop provisions in the bill calling for the issuance of permits.

Saying that hitchhiking is "as much a mode of transportation" as cars and bicycles, DeCamp noted that it is used "extensively" in Europe.

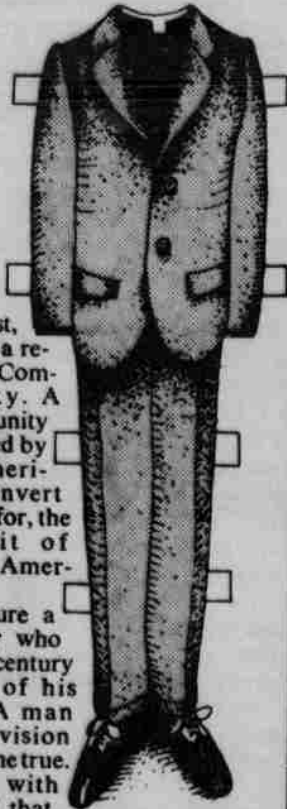

"This is the only country in the world which outlaws hitchhiking," DeCamp said.

The bill will be among four others heard Thursday at 2 p.m. in room 2102 of the State Capitol.

Saying existing laws pertaining to hitchhiking are "enforced discriminatorily," DeCamp stressed that his proposed law would be a "voluntary thing."

The Neligh senator said he would ask the committee to amend the bill so that if a law enforcement officer stops a hitchhiker, he would be forced to present proper identification and state his destination.

PICTURE YOURSELF AS A PAULIST.

First, picture a religious Community. A Community founded by an American convert in, and for, the benefit of North America.

Picture a founder who was a century ahead of his time. A man with a vision that came true. A man with a belief that a Community could be modern and flexible enough to meet the needs of the Church in every age as they arise. A Community that wouldn't lag behind the times on leaden feet. A Community that would communicate through the spoken and printed word and one that wouldn't be hampered by specific activities when new needs arise.

Next, picture the men in this new Community. They would be flexible. Each one would use his own individual talents in his own way and would be given the freedom to do so.

These are the Paulists. The modern religious Community. Keeping pace with the times. Concerned. Involved.

If you can picture yourself as a Paulist, why not write for more information to: Rev. Donald C. Campbell, C.S.P., Vocation Director, Room No. 400
