

1972 is just another year. Right? Wrong. It's the year that 18-year-olds can have their say. It's the year they can vote. And here at Magee's is a unique clothing collection built around the idea of VOTE.

WHERE IT'S AT

VOTE. That's the big idea of '72. And it's the big fashion idea, too. Here are Vote bush jeans and a variety of tops from our Where It's at Shop. Pictured are (left) white bush VOTE jeans (\$12) worn with a short-sleeved VOTE crew-neck shirt (\$7). Next, denim bush VOTE striped jeans (\$11) shown with a VOTE tank top (\$6). Below, two versions of the VOTE Wallace Beery shirt: short-sleeved (\$9); long-sleeved (\$10)
